

**OSWEGO PRECINCT #4 or AURORA ELECTION COMMISSION**

**FYI**

**The Aurora Election Commission boundary affects voters in the uppermost northeast corner of Kendall County east of Route 30. The involved area may, at first glance, appear to be a part of Oswego Precinct 4. The dividing boundary partially follows Route 30.**

**Persons in the affected area may be registered to vote through the Aurora Election Commission and therefore, are not eligible to vote at Kendall County voting sites.**

**On the Kendall County Clerk's website under Precinct Maps select Oswego Township. This map will provide you with an overview of the area.**

**There are persons with addresses listed as Route 30, Business Route 30, Council Avenue, Gastville Avenue and a few others which have Aurora mailing addresses yet are registered to vote in Kendall County.**

**If you are unsure where to vote you may contact the Kendall County Clerk's office at 630- 553- 4104 or the Aurora Election Commission at 630- 897- 4030.**

**Please note that the County of Kendall did not determine this boundary. By law the commission's boundary supersedes the County's boundaries. Please do not contact the Clerk's office regarding such a boundary change.**
