

ARE YOU REGISTERED?

To All Kendall County Voters,

Last August and September the Kendall County Clerk, in accordance with Illinois Election Code, conducted what is known as a “purge” of the Voter Registration system. Simply put, this process removes the names of individuals from our election rolls who have been reported as not eligible to vote for various reasons. This process also confirms that voter registration addresses are up-to-date.

All Kendall County registered voters were issued new voter registration cards. If you did not receive a new card in the mail then you may not be registered to vote in Kendall County.

The following are some of the reasons we have received cards back from the Post Office:

- There was no mail receptacle
- The address was insufficient
- The PO Box has been closed
- The address was attempted but the name is not known
- The card is not deliverable as addressed

When a Voter’s Registration card is stamped undeliverable and returned to the Kendall County Clerk by the United States Postal Service the voter’s status must be changed to INACTIVE per State Statutes. If you are not registered as an ACTIVE voter you will be unable to vote.

Two Federal elections are scheduled to be held in 2010, the General Primary on Tuesday, February 2nd and the General Election on Tuesday, November 2nd. If you believe that you have not received a new voter’s registration card, please contact the Kendall County Clerk’s Voter Registration Department at once so that we can verify and, if necessary, update your voter registration status. My Staff and I will be more than happy to assist you.

Don’t risk being turned away on Election Day! Please contact the Kendall County Clerk’s Voter Registration Department as soon as possible to insure that you are a properly registered voter in Kendall County and are eligible to vote in these important upcoming elections.

The phone number is 630-553-4105 or by email nhisaw@co.kendall.il.us.

Sincerely,
Debbie Gillette
Kendall County Clerk
