Ronnette Nielsen COUNTY CLERK
KENDALL COUNTY

Dear Jeff,

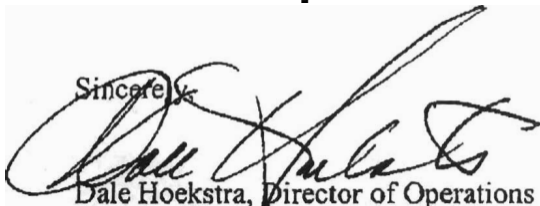

I apologize for missing you on several occasions when I have stopped in at the airport. I recognize that you have been very busy between your airport responsibilities and your farming work.

On my last effort to visit with you, July 24, 2008, I left a drawing of the new design for the proposed Willow Run Recycling and Disposal Facility at your office for your information and review. This drawing shows the footprint of the landfill to the east of Wally Run as we discussed in our meeting on March 28, 2008.

Also I would like to again extend the invitation to visit the Waste Management Prairie View landfill located in Wilmington Illinois. Prairie View is a great of example of an operating landfill and a visit to this site would allow you to see our operation first hand. Please contact me to set up a visit or if I can answer any questions you have regarding the drawing of Willow Run. You can reach me at 815 423 5120.

Thanks again for the time you have taken out of your busy schedule to discuss the Willow Run facility.

Sincerely,

Dale Hoekstra, Director of Operations
Waste Management of Illinois
