Section 2: Action

NOW, THEREFORE, BE IT ORDAINED, that the Kendall County Board hereby approves an amendment to special use Ordinance 89-5, as amended by Ordinance 2000-44, for a recreational facility, subject to the following conditions:

1. The Special Use shall substantially conform to the site plan dated January 25, 2004 attached hereto as Group Exhibit "B". Any expansion of buildings or uses on the site shall require an amendment to the Special Use ordinance.

2. No intensification of the usage of this site allowed by adoption of this Ordinance shall ensue until (a) the submitted stormwater management plan has been approved by the County, and
(b) submittal of a detailed landscaping plan that addresses beautification of the Bus. Rte. 30 frontage.

3. The existing parking in front of the dome along Business Route 30 will be deemed by the County as a legal nonconforming use. Subsequent changes in the parking scheme in this area shall conform to the setback requirements of the M-1 zoning district, or any subsequent zoning designation as may be placed on the parcel at the time of the above-referenced changes.

4. The existing billboard on the property shall be removed no later than November 21, 2005.

5. Submission of a plan identifying the proposed relocation site of the existing sign as well as details of that sign showing compliance with all applicable regulations from Section 12.00 of the Kendall County Zoning Ordinance (if the existing sign is not in compliance, it will not be permitted to be relocated on the site unless it is modified to comply).

6. All submitted plans and applications must be corrected to indicate the correct zoning of the subject property, which is M1- Special Use (SU).

7. The County reserves the right to add, delete, or amend these conditions if, in the opinion of the County Board, health, safety, or welfare considerations warrant. Said addition, deletion, or amendment shall not occur without published notice in the official newspaper of record and certified mailed notice sent to surrounding property owners per established County ordinance. The cost for said notice shall be borne by the County.

8. The County reserves the right to enter the property at any time to inspect for compliance with these conditions, as may be added or amended from time to time.

9. The County reserves the right to revoke this special use permit upon presentation to the County Board of verifiable evidence of failure to comply with one or more of these conditions, as may be added or amended from time to time. Said revocation shall not occur without published notice in the official newspaper of record and certified mailed notice sent to surrounding property owners per established County ordinance. The cost for said notice shall be borne by the County.

Failure to comply with the terms of this ordinance may be cited as a basis for amending or revoking this special use permit.

IN WITNESS OF, this ordinance has been enacted on 3/16, 2004.
