1000.1 PURPOSE AND SCOPE
This policy provides a framework for employee recruiting efforts and identifying job-related standards for the selection process. This policy supplements the rules that govern employment practices for the Kendall County Sheriff's Office and that are promulgated and maintained by the Human Resources.

1000.2 POLICY
In accordance with applicable federal, state and local law, the Kendall County Sheriff's Office provides equal opportunities for applicants and employees, regardless of race, gender expression, age, pregnancy, religion, creed, color, national origin, ancestry, physical or mental disability, genetic information, veteran status, marital status, sex or any other protected class or status. The Department does not show partiality or grant any special status to any applicant, employee or group of employees unless otherwise required by law.

The Department will recruit and hire only those individuals who demonstrate a commitment to service and who possess the traits and characteristics that reflect personal integrity and high ethical standards.

1000.3 RECRUITMENT
The Department should employ a comprehensive recruitment and selection strategy to recruit and select employees from a qualified and diverse pool of candidates.

The strategy should include:
(a) Identification of racially and culturally diverse target markets.
(b) Use of marketing strategies to target diverse applicant pools.
(c) Expanded use of technology and maintenance of a strong Internet presence. This may include an interactive department website and the use of department-managed social networking sites, if resources permit.
(d) Expanded outreach through partnerships with media, community groups, citizen academies, local colleges, universities and the military.
(e) Employee referral and recruitment incentive programs.
(f) Consideration of shared or collaborative regional testing processes.

The Department shall avoid advertising, recruiting and screening practices that tend to stereotype, focus on homogeneous applicant pools or screen applicants in a discriminatory manner.

The Department should strive to facilitate and expedite the screening and testing process, and may periodically inform each candidate of his/her status in the recruiting process and/or post the eligibility list in a conspicuous location.
1000.4 SELECTION PROCESS
The Department shall actively strive to identify a diverse group of candidates that have in some manner distinguished themselves as being outstanding prospects.

The examination of applicants shall be public, competitive and open to all citizens of the United States, with specified limitations as to residency, age, health, habits and moral character (65 ILCS 5/10-2.1-6; 65 ILCS 5/10-1-7).

(b) Driving record
(c) Reference checks
(d) Citizenship verification, including U.S. Citizenship and Immigration Services (USCIS) Employment Eligibility Verification Form I-9 and acceptable identity and employment authorization documents

(i) Medical and psychological examination (may only be given after a conditional offer of employment)
(j) Review board or selection committee assessment

1000.5 BACKGROUND INVESTIGATION

1000.5.1 NOTICES
Background investigators shall ensure that investigations are conducted and notices provided in accordance with the requirements of the FCRA (15 USC § 1681d).

Candidates may be required to share specific content that has been reported to the Department, without requesting or requiring candidates to provide access to their personal online accounts, as set forth in 820 ILCS 55/10.
The Department should consider utilizing the services of an appropriately trained and experienced third party to conduct open source, Internet-based searches and/or review information from personal online accounts to ensure that:
(a) The legal rights of candidates are protected.
(b) Material and information to be considered are verified, accurate and validated.
(c) The Department fully complies with applicable privacy protections and local, state and federal law.
Regardless of whether a third party is used, the Department should ensure that potentially impermissible information is not available to any person involved in the candidate selection process.

1000.5.3 DOCUMENTING AND REPORTING
The background investigator shall summarize the results of the background investigation in a report that includes sufficient information to allow the reviewing authority to decide whether to extend a conditional offer of employment. The report shall not include any information that is prohibited from use, including that from social media sites, in making employment decisions. The report and all supporting documentation shall be included in the candidate’s background investigation file.

1000.5.4 RECORDS RETENTION

• Age at the time the behavior occurred
• Passage of time
• Patterns of past behavior
• Severity of behavior
• Probable consequences if past behavior is repeated or made public
• Likelihood of recurrence
Recruitment and Selection

Validated, job-related and nondiscriminatory employment standards shall be established for each job classification and shall minimally identify the training, abilities, knowledge and skills required to perform the position’s essential duties in a satisfactory manner. Each standard should include performance indicators for candidate evaluation. The Human Resources should maintain validated standards for all positions.
