ABOUT SOX

Sox has been waiting a long time for his forever home. Please give this awesome boy a chance!!! Sox is a wonderful boy that keeps getting passed over. Unfortunately when people come in to see our dogs, he bursts in his kennel and scares them away. He's very sad because once you get him out of his kennel he is so sweet. Sox and his mother were surrendered to us because the family that owned them were moving. Sox is a sweet, active 3 year old boy. He will need an owner that will teach him the things his past owners did not. He is good with other dogs, as long as they are up for some high energy play. He is a beautiful boy and with some training we know he will make a great companion for some lucky person or family. Sox does not seem to know that he is a large dog, and will knock things over so we ask that he goes to a home with no small kids. His mother was adopted and Sox seems a bit depressed since she has left. We really want him to get a home of his own and begin a new life where he will be loved and happy. He is up to date on his vaccines, heartworm tested, neutered, and microchipped. His adoption fee is waived for an approved adopter as he has a sponsor that covered the fee. Come in to Kendall County Animal Control and meet Sox, maybe he will be your new best friend.

CHARDONNAY
Dog • Pit Bull Terrier Mix • Young • Female • Medium
Kendall County Animal Control Yorkville, IL

Chardonnay or as we call her Chardonnay-ray is a lot like a fine wine, she just gets better with time. She has made some huge strides since she arrived at animal control. However she will need a loving, patient owner to complete her transformation. She is best to be in a home with adults only. She needs someone who is willing to work with her on the leash. She is sweet, loving and playful, very playful. She seems to like to examine the world and everything in it. She can be jumpsey, so no kids for her. We really feel with an experienced owner and some positive training and reinforcement so will become a stellar dog. She has been working hard and has learned, sit, down and she will soon master roll over and play dead. She is smart and really fun loving red head that would love to add some sparkle to your life. Chardonnay is microchipped, spayed, her tested, and vaccinated. She is at Kendall County Animal Control and her adoption fee is $120.

Pork Chop

Dog • Pit Bull Terrier Mix • Young • Male • Large

Kendall County Animal Control Yorkville, IL

Pork Chop
got his name because he is a big boy. He is 70 pounds of pure love, he is a big goof ball and is always happy. Pork Chop is great with other dogs and does not seem to understand if a certain dog does not like him, he almost like his feelings get hurt. He leaps his kenneel clean so he might be house broken. He has not had any training so obedience is a must for him. Because of his size and lack of manners no small kids please. Pork Chop loves people and want to please so that is a huge plus. Pork Chop was a stray but we have estimated him to be about a year old. When you meet Pork Chop he is of course super excited to have visitors, but after a few minutes he calms down. He seems to be picking up things pretty quickly so we think he will be a fast learner. Pork Chop is up to date on his vaccines, neutered, microchipped, and heartworm tested. His adoption fee is $120 and he is just waiting to meet that special someone that will give him a loving forever home. We really cant say enough about this boy, he really is an exceptional dog! Pork Chop attended an adoption event with a few of our other dogs and he was great with all the dogs and people. Stop In at Kendall County Animal Control and meet Pork Chop and his other adoptable friends.

Dorothy Barman

How long have you been volunteering for Kendall County Animal Control?

July 2015

Please share a story about a favorite pet or present: “We got Scruffy when he was a couple of months old & I would carry him like a baby. He was a Pit Bull /Shepherd mix & ended up weighing 82 lbs – all muscle. He never left my side. Every time I got up, he followed. We had two dogs at the time. Kodiak was a Rottweiler /Shepherd mix. We think she had husky in her as well because she used to say “walk” & pick up her leash when she wanted to go on a walk. We had a stuffed animal hippo, which stayed on the bed. Every time we came home, the hippo was at the front door facing the door. We never knew which dog was doing this. One day we tricked the dogs & went out the front door & spied on the dogs from the outside. Scruffy got up & went into the bedroom. Sure enough he came back with the hippo in his mouth & set it by the front door. Mystery solved. He made me laugh with his antics & I still miss him everyday.”

What is your favorite part of volunteering? Spending time with the animals & helping to socialize them so they can be adopted into loving homes. The animals always bring a smile to my face. Any of the jobs done at the shelter as a volunteer are a benefit to the animals & helps the staff.

Volunteering is extremely rewarding and fulfilling.

What are 3 things we may not know about you?

1. My husband and I are the proud parents of 4 rescue dogs (Klondike - Siberian Husky; Slash - Rhodesian Ridgeback/Pitbull mix; Avalanche - Siberian Husky; and Pepper - Akita mix) and a 14 year old Chin-chilla named Ferbie.

2. I have written and illustrated a children’s book entitled Doggie Drama “I Was Born A King” and am currently writing and illustrating a second book.

3. I have a 1992 purple Camaro that I never get to drive because it sits on a car lift in the garage.

Dorothy & Mr. Pibb

April Adoptable Pet—Mr. Pibb

Mr. Pibb or Pibb for short, is an exceptional dog. He is super sweet so we named him after a sweet, sugary soda pop. He gets along with most other dogs, loves to play, enjoys his toys and hanging outside with his canine friends. He was a stray and is estimated at 1-2 years of age and his breed is our best guess. He is very smart and we think he could be a mixture of several breeds, but possibly part Border Collie or Australian Shepherd. Mr. Pibb likes to play, however he can be mouthy and high energy so he is no small kids. He is really an adorable boy and has a very fun and happy personality. He keeps his kennel clean so he might even be housebroken. He is fully vetted and his adoption fee is $120.00. Stop in at Kendall County Animal Control and meet this awesome loving boy. His adoption fee is $120.

Adoptable Cat-Sparrow!

Looking for a new feline friend? Sparrow is a great cat that everyone just adores. She came in as a stray so not much is known about her. She must have been a housecat that was fed well and someone did take her in to be spayed. We don’t know why no one came looking for this sweet girl but she will find a loving home and this time we hope it’s forever. She, like so many of us could lose a few pounds. Sparrow will need an owner that will be mindful of her weight and make sure she can loses a few pounds & stays that way. Sparrow is a very friendly girl and all she does is purr. She just wants to be loved. Sparrow is estimated at just 2 years of age. She is fully vetted and litter boxed trained as well. Adoption fee: $70
Shout Outs and Thank You’s!

We’re thankful for all the wonderful people that come in on a regular basis with donations of food, toys, recyclable cans, and other items on our wish list. This month, we have a special shout outs for folks that went above and beyond.

Volunteer Dana Butikofer organized a March fundraiser with Christine Chalse. Christine’s LuLaRoe clothing business brought in $300 for the KCAC Animals! Big thanks to Dana and Christine!

Did you know you can help the environment AND donate to the animals at the same time? KCAC accepts aluminum and steel to recycle. We accept clean cans and other scrap metal which we take to a scrap recycling center to get money for the shelter!

Rescue Tails

On March 24th 2016 a Yorkville Resident brought in a big grey domestic rabbit who she had caught in a humane trap. We do not house or adopt out rabbits here at KCAC, but since the big bunny had no place else to go at the time, we took him in. When we picked him up and pet him, we noticed it had the softest velvety fur and discovered it was a “Chinchilla” rabbit and a male. We named him “Sprite.” Unfortunately, Sprite was very scared here at a dog and cat shelter because it is so noisy. We tried to find the most quiet spot for him and make him as comfortable as possible while we started reaching out to private rescue groups who specialize in rabbits and other animals. We reached out to a few well known rescues we thought may be able to help, but they were all full. This was the time of year, near Easter when rabbits are sold and later abandoned to fend for themselves. Sadly many do not make it because they can not survive outside like wild rabbits. Sprite was very scared when he first came in most likely due to the trauma he had suffered by being abandoned outside in an unfamiliar place where almost everything was a predator to him. We were determined to find placement for this poor bunny who had been through so much. We finally got lucky when we were referred to “Red Door Animal Shelter” in Chicago and they agreed to take Sprite! We transported him halfway where we met up with a nice volunteer with Red Door. Sprite was on his way to a better life.

This would be for either our 10x36 model or our 10x46 model. When backed into position with the hitch facing west, we have one exterior door entering the big room (not the private office) and is facing north.
There are windows on all sides of the unit, once the unit is placed, there will be at least one window on both the north and east sides.
There is no restroom in this unit.
The HVAC would be located on the west end.
As far as I know, you can separate the HVAC feed from the fuse box. We do not do that here, but your electrician is more than welcome to power up everything the best way that works for you.
I can have my tech call you if you need any more information regarding this.

The standard floor plans for these two units are pictured below. Just flip them around and that is what they would look like backed into position.

Prices exclude taxes, licenses, permit fees, utility connection charges and site preparation, which is the sole responsibility of Customer. All Customers and leases of Equipment are subject to credit review.

No, representations and warranties regarding (i) the Equipment or otherwise, or (ii) compliance with any federal, state or local codes or zoning ordinances (Codes and Ordinances) are made or may be implied hereby unless expressly stated on this page or in the Terms & Conditions. Compliance with all Codes and Ordinances shall be the sole responsibility of Customer. **EQUIPMENT IS PROVIDED AS IS.**

Customer must notify ACTON prior to delivery of any Equipment of potentially hazardous site conditions or conditions that may otherwise affect delivery, installation, tie down, maintenance, dismantling or return of any Equipment. Failure to notify ACTON of such conditions will result in additional Initial / One-Time Charges or Final Charges, as applicable, and delays.

### Terms of Lease

Customer agrees to lease the Equipment from Acton, and Acton hereby agrees to lease the Equipment to Customer, on the terms set forth in this Lease Order and Agreement and in the Terms & Conditions of Equipment Lease located at [http://www.actonmobile.com](http://www.actonmobile.com) (Terms & Conditions), which are incorporated herein by reference. ACTON will provide Customer with a copy of the Terms & Conditions upon request. (This Lease Order and Agreement together with the Terms & Conditions are referred to herein as the Lease).

The Lease Term set forth on the first page of this Lease Order and Agreement shall commence upon Acton’s delivery of the Equipment to Customer. Customer will have forty-eight (48) hours from time of delivery of Equipment (Delivery Date) to notify ACTON in writing of any Equipment defects or deficiencies. If Acton does not receive a timely written notice from Customer, then Customer shall be deemed to have accepted such Equipment on the terms and conditions set forth in this Lease Order and Agreement and the Terms & Conditions. No alterations, additions, exceptions, or changes to the Lease made by Customer shall be effective against ACTON, whether made hereon, contained in any printed form of Customer or elsewhere, unless accepted in writing by ACTON.

The Lease of the Equipment and any optional services will automatically continue on a month-to-month basis from and after the expiration of the Lease Term until all Equipment is returned to ACTON’s property. PLEASE CALL ACTON TO GIVE NOTICE OF ANY EQUIPMENT THAT WILL BE RETURNED. Failure to give notice may result in additional charges.

Customer will be responsible for all repairs and maintenance to Equipment during the Lease. In excess of normal wear and tear, ACTON assumes no liability for non-coded setups.

Customer must provide general liability insurance during the lease in accordance with the Terms and Conditions. Unless the Customer purchases ACTON’s Physical Damage Waiver, All-Risk Physical Loss or Damage Property Insurance coverage for the full Equipment Replacement Value naming NEW ACTON MOBILE INDUSTRIES LLC as ‘Additional Insured and Loss Payee’ must also be provided in accordance with the Terms and Conditions. If Customer does not provide this Insurance coverage within ten (10) days of delivery of Equipment, Customer accepts ACTON’s Physical Damage Waiver (PDW) and shall pay its charge. PDW terms are published on [www.actonmobile.com/support/document-library/documents/PDW](http://www.actonmobile.com/support/document-library/documents/PDW) and hereby incorporated by reference. Customer’s payment of the PDW waives Customer’s liability for Equipment (not contents) up to the full Equipment Replacement Value (subject to the deductible per occurrence) for certain limited types of loss. Please send any documents to Customer-COI@actonmobile.com.

Customer is solely responsible for locating and adequately marking the location of any underground structures and/or utility services (gas, water, phone, sewer, etc.) prior to the unit delivery. Acton is not responsible for any damage caused to unmarked underground services.

The terms and conditions of this Agreement shall apply to all Services performed to the extent that the terms and conditions are applicable to the Service provided by ACTON, ACTON’s subcontractors and ACTON’s Vendors.
The terms and conditions of this Agreement reflect the entire Agreement between the parties with respect to its subject matter. It is expressly understood and agreed that the Customer and ACTON may have entered or may enter into other contracts, lease agreements, purchase orders, service agreements, or understandings with each other (Other Contracts). All Other Contracts, other oral or written agreements, understandings, conditions, warranties, or representations with respect to the subject matter of this Agreement are superseded hereby, whether executed prior to or subsequent to execution of this Agreement. No subsequent alteration, amendment, modification, or addition to this Agreement shall be binding upon the parties unless reduced in writing and signed by an authorized representative of both ACTON and Customer. Any invoice, acknowledgement, purchase order or other communication issued by ACTON or Customer in connection with this Agreement shall be construed for record and accounting purposes only. Any terms and conditions stated in such communication shall NOT BE APPLICABLE to this Agreement and shall not be considered to be a provision or term of this Agreement. Trade language, custom, and/or usage are superseded by this Agreement and shall not be applicable in the interpretation of this Agreement.
