RESULT: Approved with a Unanimous Voice Vote

DEPARTMENT HEAD AND ELECTED OFFICIAL REPORTS – Treasurer Jill Ferko updated the committee on the transition of benefits from the Admin Office to the Treasurer’s Office, by saying that she and three staff members had some benefit training with CBIZ last Friday, and have established a problem log that all four can access when dealing with employees or reported issues.

Ms. Ferko said that Bob Jones has been working for two-weeks on filing three years’ worth of documents that were never filed by the HR Coordinator, and that many documents were filed incorrectly or placed in the wrong employee file.

Discussion by the committee on distribution of the Human Resource Coordinator position responsibilities with the following being absorbed by the Treasurer’s Office: Benefits, FMLA, ComPsych Guidance, COBRA, HRA Retirees, monthly HR Reports for Admin HR Committee meetings, and the monitoring of the Affordable Care Act Measurement Program for Part-time and Seasonal employees.
Responsibilities that will remain in the Administration Office: Background Checks, Workers Compensation, Property and Vehicle Inventory and Management, Employee Recognition events, and the Employee Picnic.

Ms. Ferko asked about funding to provide her three staff members with stipends for absorbing most of the HR position responsibilities on top of their current workload. Ms. Ferko stated that the amount of time already required of all four staff in the transition warranted a stipend. Ms. Ferko will submit a proposal with the requested amount to the Finance Committee for review in June.

ADJOURNMENT

| Motion: Member Gilmour  |

This meeting was adjourned at 8:04p.m.

Respectfully Submitted,

Valarie McClain
Recording Secretary
Request for increase to Deputy Treasurer Salary line in the amount of $25,000.00

The salary of the HR position was set at $37,095.00. As of May 1, 2017 approximately 75% of those responsibilities came down to the Treasurer's Office. With that being said we calculated a monthly salary of $4,757.92 for the remaining 7 months at 75% and came up with $24,979.08. This should justify our request of $25,000.00.

Since, Bob Jones has currently taken on the majority of the responsibility I would like to give him a $650.00 per pay period stipend retro back to May 1st. The total amount will be $9,750.00 through this fiscal year.

The remaining $15,250.00 will be divided up as needed among Ronda Thomas, Stannette Kraber, and others.

[Commented [AI046]: The text is unclear. What does "Utilities market analysis" mean? Do they mean to implement and update the information market analysis? How do you implement an analysis?]

[Commented [AI085]: This seems a little broad. Is this individual responsible for tracking all legislation that could impact County related functions or just economic development related legislation?]

[Commented [AI006]: This stuff, economic planning stuff, facilities planning stuff. Please clarify.

[Commented [L17]: Does the County Board need to take any specific action to appoint an employee as PCOM? I believe they did for one employee but don't know if they did for new hires.

[Commented [AI109]: As an alternate to whom? Also, "an alternate" can lead to some ambiguity as to who that person is supposed to "step off" and fill that function. I would suggest "assistant" with "current" used.

[Commented [AI132]: Took out the word "annual". What if County decides it wants to do one of these meetings more than once a year?

[Commented [AI053]: Corporations is plural yet you only list one organization. Do the corporations pool together to make up the KEDA? If so, you should emphasize this accordingly. If there are corporations besides KEDA, you may want to say "such as" rather than "known as."]

Commented [ARKIL]: This language was modified to be consistent with the Administrative Assistant job description language. If you want the “preparing and processing” language, make sure you put it in both job descriptions.

Commented [ARKIL]: I included this here because this is where it belongs, rather than in the “Education and Experience” section. However, I don’t see anything in the job duties that suggests this is truly necessary. You need a legitimate business reason for requiring a driver’s license.

Commented [LJL2]: Does this position require IL New Public certification to operate a vehicle? Or does Admin’s secretary do that?

Commented [LJL2]: What about public speaking skills? I would assume this person will have to give presentations and have good public speaking skills, correct?

As you can see, most of his job description sets forth duties that are more administrative in nature rather than managerial (e.g., “Assist with x”; “process reports”; “Coordinate y”. To be exempt, this position would need a large amount of independence in setting policies and procedures rather than simply ministerial tasks implementing what the County Administrator and County Board request. Based on the information we have to date, there is not enough evidence of this to qualify as FLSA exempt.

There is an FLSA regulation that notes:

Human resources managers who formulate, interpret or implement employment policies and management consultants who study the operations of a business and propose changes in organization generally meet the duties requirements for the administrative exemption. However, personnel clerks who “screen” applicants to obtain data regarding their minimum qualifications and fitness for employment generally do not meet the duties requirements for the administrative exemption. Such personnel clerks typically will reject all applicants who do not meet minimum standards for the particular job or for employment by the company. The minimum standards are usually set by the exempt human resources manager or other company officials, and the decision to hire from the group of qualified applicants who do meet the minimum standards is similarly made by the exempt human resources manager or other company officials. Thus, when the interviewing and screening functions are performed by the human resources manager or personnel manager who makes the hiring decision or makes recommendations for hiring from the pool of qualified applicants, such duties constitute exempt work, even though routine, because this work is directly and closely related to the employee’s exempt functions.

29 CFR 541.203

Also, what type of assistance? Administrative assistance? Overseeing these items? Also, what do you mean by "general affairs"? This is a very vague duty, which is open to a lot of interpretation. I would suggest that you better define this duty. As written, this duty could be repetitive of all items below it or it could encompass anything.
