Accounting Report - Written report provided. Discussion on purchasing microchip scanner(s) for the Kendall County Sheriff’s Office for scanning lost pets. Ms. Pawson was instructed to contact the Sheriff’s Office to discuss the number of scanners that would be sufficient for their use. **Item to be included on the June 27, 2018 meeting agenda.**

Old Business

- **Review Kendall County Animal Control sign-in and release form for visitors** – Ms. Pawson reviewed the proposed waiver of adult and minor liability forms with the committee. The forms were reviewed by the State’s Attorney’s Office and the suggested legal verbiage was included. **There was consensus by the committee to approve the revised liability forms for use in Animal Control.**

- Dr. Schlapp asked for an update on the purchase of radios connected to KenCom for Animal Control personnel to carry for immediate use in a crisis or high-risk situation. Mr. Koeppel updated the committee on his discussions with KenCom and their requirements for adding Animal Control personnel to KenCom, and that there was a decision for no further action to be taken on this issue.

New Business

- Dr. Schlapp expressed his concerns on inconsistent information being provided by the Health Department and Animal Control on the responsibility for shipping dead bats to the IDP for free rabies testing. Mr. Koeppel reported that he contacted the Health Department regarding their policy on bat testing. Dr. Tokars stated that they would prefer that anyone that has found a bat or if a human or a domestic animal is bitten, that they contact the Health Department and ask to speak with a nurse. The Health Department is responsible for the shipping costs of bats that have potentially had contact or bitten human beings. **There was consensus by the committee that Animal Control would absorb the cost of shipping any qualified dead bats for testing of rabies when it involves a domestic or companion cat or dog.**

- Member Prochaska reported that SB2313, regarding the State Population Control funds collected, and any future fees collected, has passed both houses and was sent to the Governor for approval. Mr. Prochaska will update the committee when it has been approved.
