Official Statement

The delivery of the Bonds is subject to the opinion of Katten Muchin Rosenman LLP, Bond Counsel, to the effect that under existing laws, interest on the Bonds is not includable in the gross income of the owners thereof for federal income tax purposes and that, assuming compliance with the applicable requirements of the Internal Revenue Code of 1986, interest on the Bonds will continue to be excluded from the gross income of the owners thereof for federal income tax purposes. Interest on the Bonds is not an item of tax preference for purposes of computing individual or corporate alternative minimum taxable income, but must be taken into account as earnings and profits of a corporation computing, for example, corporate minimum taxable income for purposes of the corporate alternative minimum tax. See "TAX MATTERS" herein. The Bonds are designated "qualified tax-exempt obligations" under Section 265(b)(3) of the Internal Revenue Code of 1986, as amended. See "QUALIFIED TAX-EXEMPT OBLIGATIONS" herein.

Rationale

Standard & Poor’s Ratings Services has assigned its ‘AA’ long-term rating to Kendall County, Ill.’s series 2011 general obligation (GO) refunding bonds (alternate-revenue source) and affirmed its ‘AA’ long-term rating and underlying rating (SPUR) on the county’s existing GO debt. The outlook is stable.

The rating reflects our view of the county’s:

- Access to, and participation in, the deep and diverse Chicago metropolitan area economy;
- Very strong income and market value per capita indicators; and
- Maintenance of very strong reserves.

Partially offsetting the above strengths, in our view, is the county’s high debt burden due to ongoing growth pressures from overlapping entities. However, the county’s direct debt burden is very low,

Officials plan to use series 2011 bond proceeds to advance refund the series 2002B GO alternate revenue source bonds for interest cost savings. The county’s full faith and credit pledge secures the bonds.

Kendall County is on the southwest edge of the Chicago metropolitan area, just south of Kane County (‘AA+’ GO debt rating) and west of Will County (‘AA+’). Yorkville, the Kendall County seat, is about 50 miles southwest of downtown Chicago. The county’s population and economic growth have accelerated over the past decade, but economic growth has tapered off due to the national economic downturn. The county’s population increased 110.4%, or by 60,192, since the 2000 U.S. Census to 114,736 in the 2010 U.S. Census. We understand this level of growth made the county the fastest-growing county in the nation. The spillover of residential growth from Naperville (‘AAA’ GO debt rating), Aurora (‘AA+’), Plainfield (‘AA’), and Joliet, Ill. (‘AA’) and the large number of jobs offered in these various suburbs have fueled the population influx over the past few years. County unemployment was 8.6% as of September 2011, below the state’s 10 % rate and the nation’s 9.1% rate for the same period.

Kendall County income levels are very strong: Median household effective buying income is 137% of the state’s level and 140% of the nation’s level.

Tax base growth was robust between 2006 and 2009, averaging 10.4% annually, before contracting 5.7% in 2010. The fair market value of the county’s tax base is $9.52 billion, or a very strong $82,950 per capita. The 10 leading taxpayers account for a very diverse 3.8% of the total property tax base.
Kendall County is subject to a levy cap equal to the lesser of 5% or the rate of inflation, except with regard to new construction. The sizable amount of new construction activity that occurred before the economic downturn helped the county build strong reserves despite the levy cap. As of fiscal 2010, the county's unreserved general fund balance was $17.5 million, or a very strong 79.1% of expenditures. The county reported a $1.2 million addition to reserves after transfers that management attributes to various higher-than-budgeted revenues. For fiscal 2011, management states it budgeted for a drawdown between $350,000 and $500,000. The budget also included a $1.6 million transfer into the general fund from the public safety sales tax fund (a recurring transfer), but opted not to make the transfer due to very strong reserves in the general fund. The county also elected to spend $1.3 million of reserves for a one-time capital project. Management now projects a $2.5 million use of reserves (without adjusting for accruals).

For fiscal 2012, management has stated it plans to budget for a drawdown of $800,000, but expects better-than-budgeted results given recent favorable revenue variances and cost-containment efforts. Despite the expected use of reserves in fiscals 2011 and 2012, management states it expects to be in compliance with its general fund policy of maintaining at least six months' expenditures in reserve. Property taxes are the county's leading general fund revenue source, generating 68%, while service revenues account for 26% in fiscal 2010.

Standard & Poor's considers Kendall County's financial management practices "good" under its Financial Management Assessment methodology, indicating financial practices exist in most areas but that governance officials might not formalize or regularly monitor all of them. Highlights include bimonthly reports to the board on budget-to-actual performance and an adopted fund balance policy of keeping six months' expenditures in reserve. In addition, management maintains long-term financial projections to assist with budgeting. A lack of debt management policies and a capital plan that, though long term, management does not update annually offset these strengths.

Kendall County's direct burden is low at $362 per capita, but the overall debt burden is high at $5,666 per capita, or moderately high at 6.8% of market value. The majority of the debt stems from several large, growing school districts. Direct debt amortization is average, with officials planning to retire 57% of principal over 10 years and 99% over 20 years. Debt service carrying charges (not including series 2010 refunding bonds) were low at 4.6% of total governmental funds expenditures in 2010. The county does not currently have any immediate debt plans.

The county's employees are covered by the multiple-employer Illinois Municipal Retirement Fund (IMRF), Sheriff's Law Enforcement Personnel (SLEP), and Elected County Official (ECO) pension plans. It paid 100% of its full annual pension cost to the IMRF, SLEP, and ECO in the amounts of $874,696; $869,248; and $234,682, respectively. Retirees can remain on the county health insurance plans, but are required to pay 100% of the premiums.

Outlook

The stable outlook reflects our expectation that the county should continue to maintain very strong reserves in accordance with its fund balance policy. We do not expect to change the rating within the two-year outlook timeframe as we expect reserves to remain very strong despite projected drawdowns and that the county's good planning and financial management efforts should allow management to adopt structurally balanced budgets in the future. The county's participation in the Chicago metropolitan area provides further rating stability.

BEST PRACTICE

Selecting and Managing the Method of Sale of State and Local Government Bonds
(1994 and 2007) (DEBT)

Background. State and local government bond issuers should sell their debt using the method of sale that is most likely to achieve the lowest cost of borrowing while taking into account both short-range and long-range implications for taxpayers and ratepayers. Differing views exist among issuers and other bond market participants with respect to the relative merits of the competitive and negotiated methods of sale. Moreover, research into the subject has not led to universally accepted findings as to which method of sale is preferable when taking into account differences in bond structure, security, size, and credit ratings for the wide array of bonds issued by state and local governments.

Concerns have been raised about the lack of a competitive Request for Proposals (RFP) process in the selection of underwriters in a negotiated sale and the possibility of higher borrowing costs when underwriters are appointed based on factors other than merit. As a result, issuers have been forced to defend their selection of underwriters for negotiated sales in the absence of a documented, open selection process.

There is also a lack of understanding among many debt issuers about the appropriate roles of underwriters and financial advisors and the fiduciary relationship that each has or does not have with respect to state and local government issuers. The relationship between issuer and financial advisor is one of "trust and confidence" which is in the "nature of a fiduciary relationship". This is in contrast to the relationship between the issuer and underwriter where the relationship is one of some common purposes but also some competing objectives, especially at the time of bond pricing.

Recommendation. When state and local laws do not prescribe the method of sale of municipal bonds, the Government Finance Officers Association (GFOA) recommends that issuers select a method of sale based on a thorough analysis of the relevant rating, security, structure and other factors pertaining to the proposed bond issue. If the government agency has in-house expertise, defined as dedicated debt management staff whose responsibilities include daily management of a debt portfolio, this analysis and selection could be made by the government's staff. However, in the more common situation where a government agency does not have sufficient in-house expertise, this analysis and selection should be undertaken in partnership with a financial advisor. Due to the inherent conflict of interest, issuers should not use a broker/dealer or potential underwriter to assist in the method of sale selection unless that firm has agreed not to underwrite that transaction.

- The GFOA believes that the presence of the following factors may favor the use of a competitive sale:
  - The rating of the bonds, either credit-enhanced or unenhanced, is at least in the single-A category.
  - The bonds are general obligation bonds or full faith and credit obligations of the issuer or are secured by a strong, known and long-standing revenue stream.
  - The structure of the bonds does not include innovative or new financing features that require extensive explanation to the bond market.
Similarly, GFOA believes that the presence of the following factors may favor the use of a negotiated sale:

- The rating of the bonds, either credit-enhanced or unenhanced, is lower than single-A category.
- Bond insurance or other credit enhancement is unavailable or not cost-effective.
- The structure of the bonds has features such as a pooled bond program, variable rate debt, deferred interest bonds, or other bonds that may be better suited to negotiation.
- The issuer desires to target underwriting participation to include disadvantaged business enterprises (DBEs) or local firms.
- Other factors that the issuer, in consultation with its financial advisor, believes favor the use of a negotiated sale process.

If an issuer, in consultation with its financial advisor, determines that a negotiated sale is more likely to result in the lowest cost of borrowing, the issuer should undertake the following steps and policies to increase the likelihood of a successful and fully documented negotiated sale process:

- Select the underwriter(s) through a formal request for proposals process. The issuer should document and make publicly available the criteria and process for underwriter selection so that the decision can be explained, if necessary.

- Enter into a written contractual relationship with a financial advisor (a firm unrelated to the underwriter(s)), to advise the issuer on all aspects of the sale, including selection of the underwriter, structuring, disclosure preparation and bond pricing.

- Due to inherent conflicts of interest, the firm acting as a financial advisor for an issuer should not to be allowed to resign and serve as underwriter for the transaction being considered.

- Due to potential conflicts of interest, the issuer should also enact a policy regarding whether and under what circumstances it will permit the use of a single firm to serve as an underwriter on one transaction and a financial advisor on another transaction.

- Issuers with sufficient in-house expertise and access to market information may act as their own financial advisor. Such issuers should have at least the following skills and information: (i) access to real-time market information (e.g. Bloomberg) to assess market conditions and proposed bond prices; (ii) experience in the pricing and sale of bonds, including historical pricing data for their own bonds and/or a set of comparable bonds of other issuers in order to assist in determining a fair price for their bonds; and (iii) dedicated full-time staff to manage the bond issuance process, with the training, expertise and access to debt management tools necessary to successfully negotiate the pricing of their bonds.

- Remain actively involved in each step of the negotiation and sale processes in accordance with the GFOA’s Recommended Practice, Pricing Bonds in a Negotiated Sale.

- Require that financial professionals disclose the name(s) of any person or firm compensated to promote the selection of the underwriter; any existing or planned arrangements between outside professionals to share tasks, responsibilities and fees; the name(s) of any person or firm with whom the sharing is proposed; and the method used to calculate the fees to be earned.

- Review the “Agreement Among Underwriters” and ensure that it governs all transactions during the underwriting period.
• Openly disclose public-policy issues such as the desire for DBEs and regional firm participation in the syndicate and the allocation of bonds to such firms as reason for negotiated sale; measure and record results at the conclusion of the sale.

• Prepare a post-sale summary and analysis that documents the pricing of the bonds relative to other similar transactions priced at or near the time of the issuer’s bond sale, and record the true interest cost of the sale and the date and hour of the verbal award.

Section 5. In the event the visiting inspector is unable to perform the inspection services set forth in Section 2 of this Agreement, the home jurisdiction shall be responsible for performing its inspection or shall be responsible for retaining and payment of a third party to perform the inspection.

Section 6. When the visiting inspector performs an inspection on behalf of the home jurisdiction, the visiting inspector shall utilize the building codes of the home jurisdiction where the inspection is taking place. As such, when an inspection is within the corporate limits of the City, the County inspector shall use the building codes that are currently adopted and enforced by the City at the time of the inspection. Section 9. Neither the City nor the County shall subcontract the services provided to
the other under this agreement to a third-party inspector without the prior written consent of all

The City and County shall each defend, with counsel of the other party’s own choosing, indemnify and hold harmless the other party, including past, present and future board members, elected officials, insurers, employees, and agents from and against any and all claims, liabilities, obligations, losses, penalties, fines, damages, and expenses and costs relating thereto, including but not limited to attorneys’ fees and other legal expenses, which the other party, its past, present and future board members, elected officials, insurers, employees, and/or agents may hereafter sustain, incur or be required to pay relating to or arising in any manner out of the inspections to be performed by the other party under this agreement. As such, when the City performs an inspection for the County, the City will defend with counsel of the County’s own choosing, indemnify and hold harmless the County as set forth above relating to the City’s and the City Building Code Official’s actions in the performance of their duties under this Agreement. When the County performs an inspection for the City, the County will defend with counsel of the City’s own choosing, indemnify and hold harmless the City as set forth above relating to the County’s and the County Code Official’s actions in the performance of their duties under this Agreement.

Section 13. Nothing in this agreement shall be deemed to change or alter the jurisdiction of either the City or County in any respect, including, but not limited to their building and zoning regulations, powers and duties.

Section 14. This Agreement and the rights of the parties hereunder may not be assigned (except by operation of law), and the terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties hereto.
Nothing in this Agreement, express or implied, is intended to confer upon any party, other than the parties and their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of such agreements.

Section 15. This Agreement shall be interpreted and enforced under the laws of the State of Illinois. Any legal proceeding related to enforcement of this Agreement shall be brought in the Circuit Court of Kendall County, Illinois. In case any provision of this Agreement shall be declared and/or found invalid, illegal or unenforceable by a court of competent jurisdiction, such provision shall, to the extent possible, be modified by the court in such manner as to be valid, legal and enforceable so as to most nearly retain the intent of the parties, and, if such modification is not possible, such provision shall be severed from this Agreement, and in either case the validity, legality, and enforceability of the remaining provisions of this Agreement shall not in any way be affected or impaired thereby.

Section 16. All notices required or permitted hereunder shall be in writing and may be given by (a) depositing the same in the United States mail, addressed to the party to be notified, postage prepaid and certified with the return receipt requested, (b) delivering the same in person, or (c) telecopying the same with electronic confirmation of receipt

Section 19. Nothing contained in this Agreement, nor any act of the County or the City pursuant to this Agreement, shall be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving the County and the City. Further, nothing in this agreement should be interpreted to give the County or City any control over the other’s employees or imply a power to direct the employees of the other government body, which neither entity may exercise.

Certificates of such insurance detailing the coverage therein shall be available to the other party upon execution of this Agreement. Neither party waives its immunities or defenses, whether statutory or common law by reason of the indemnification and insurance provisions contained in this Agreement.

Section 22. This Agreement shall be in full force and effect for a period of three (3) years from the date of the last signature below, however it may be renewed upon agreement of the parties in writing.
Section 23. This Agreement may be amended only with written consent of all parties hereto.

Section 24. Either party may terminate this Agreement by providing thirty (30) calendar days’ advance written notice to the other party. However, any act of bad faith in the execution of duties under this Agreement shall result in immediate termination of the other party’s duties as laid out herein. For the purpose of this agreement, “bad faith” is an intentional dishonest act by not fulfilling legal or contractual obligations, misleading another, entering into an agreement without the intention or means to fulfill it, or violating basic standards of honesty in dealing with others. Also, the parties agree to provide prompt written notice within fifteen (15) calendar days to the other party if County Code Official Brian Foldiman’s or City Building Code Official Pete Ratos’ employment ceases for whatever reason. In such event, this Agreement shall immediately terminate upon receipt of said written notice.

Section 25. The parties understand and agree that this Agreement in no way creates a joint employment relationship between the Parties. The Parties understand and agree that they are solely responsible for paying all wages, benefits and any other compensation due and owing to its employees for the performance of visiting inspector services set forth in this Agreement. Since these tests may expose the equipment to strains well in excess of those experienced during normal operation, Schindler will not be responsible for any damage to the equipment or property, or injury to or death of any persons, resulting from or arising out of the performance of these tests except to the extent such damage is caused by the negligence of or failure of Schindler to perform the obligations of this Agreement. The operation and monitoring of SRM is contingent upon availability and maintenance of dedicated elevator telephone service. You have the responsibility to install, maintain and pay for such telephone service, and to notify us at any time of any interruption of such telephone service. 4. Neither party shall assign, sublet, sell, or transfer its interest in this Agreement without the prior written consent of the other.

5. The Equipment consists of mechanical and electrical devices subject to wear and tear, deterioration, obsolescence and possible malfunction as a result of causes beyond our control. We will not be responsible for use, misuse, or misinterpretation of the reports, calls, signals, alarms or other such SRM output, nor for claims arising solely from acts or omissions of others in connection with SRM or from interruptions of telephone service to SRM regardless of cause. Should any easements, whether temporary or permanent, be needed in order to provide access to the Premises, Lessor shall obtain them at no cost to Lessee.

1.3 Lessor and Lessee understand and agree that a backstop berm of at least 20 feet in height shall be constructed at the shooting range itself and be fashioned out of clean fill. The construction of said berm shall be completed pursuant to a third-party agreement and oversight of the construction shall be borne by Lessee. Said berm, including its height and distance, shall be in compliance with the Law Enforcement Trainings and Standards Board’s recommendations.

1.4 Lessee shall have the right to place temporary bathroom and storage facilities on site as necessary.

1.5 Lessee shall have the right to place a security gate, including locks, at the Premises’ entrance from Joliet Road to allow for a secured entry to the shooting range area, and Lessee shall also have the right to construct adequate parking facilities within the leased
Premises so as to accommodate those using the facilities located therein. Lessor shall not have rights to the keys for any installed locks during the term of the lease.

1.6 Lessor acknowledges and agrees that the shooting range shall be for use only by the Kendall County Sheriff’s Office and those other law enforcement agencies that shall attend with prior approval of the Kendall County Sheriff’s Office. Under no circumstances shall private individuals, including agents and employees of Lessor, enter or utilize the shooting range without prior written approval of the Kendall County Sheriff’s Office.

1.7 The lessor must peaceably hold and enjoy the land surrounding the Premises without hindrance of the lessee’s quiet enjoyment of the Premises.

2. **RENT:**
2.1 Lessee shall pay to Lessor as Rental the sum of One U.S. Dollar ($1.00) per annum, payable in advance on or prior to the effective date of this Lease as set forth in Section 4.1 below (the "Effective Date") and any anniversary of the Effective Date during the term of this Lease.

2.2 Lessor shall give the Lessee notice of no less than six (6) months should Lessor determine that it wishes to increase rent at any amount.

2.3 In the event this Lease is terminated by notice of either Party (other than for breach of this agreement), Lessor shall refund to Lessee the portion of any prepaid base rental paid.

2.4 No security deposit will be required as part of this lease.

3. **TAXES ON PREMISES:**
3.1 All real property taxes for the Premises shall be the responsibility of the Lessor, to the extent applicable under the laws of the State of Illinois.

4. **TERM, DEFAULT AND TERMINATION:**
4.1 This Lease shall take effect as of May 1, 2013 and, unless earlier terminated as provided below, shall remain in effect until either Party shall give the other Party not less than sixty (60) days written notice, effective at any time, of an intention to terminate.

4.2 This Agreement shall be in full force and effect for a period of twenty five (25) years from the date of the last signatures below unless it is agreed to terminate this Agreement in writing signed by all parties.

4.3 Either Party may terminate this Lease by giving such notice, without cause and regardless of performance or nonperformance of any covenants or agreements contained in this Lease and regardless of rental having been paid in advance for any period, and without any loss or damage to either Party as a result of such termination or cancellation.

5. **APPROVAL OF CONSTRUCTION, MAINTENANCE, REPAIRS:**
5.1 Lessee shall not make, or permit to be made, any building, structure, improvements or alterations on or to the Premises, other than those outlined in Section 1, without the prior written
approval and consent of Lessor. Lessor shall timely respond to any requests for approval made by Lessee by providing a response to such request within fourteen (14) days of Lessee’s request.

5.2 Lessee shall not create or permit any nuisance in, on or about the Premises, other than those outlined in Section 1 that may be considered a nuisance. Lessee shall maintain the Premises in a neat and clean condition.

5.3 Notwithstanding anything to the contrary in this Lease, Lessee agrees to provide Lessor or its agent access to the Premises, upon reasonable notice, for the purpose of ensuring that Lessee’s use and operation of the Premises complies with the terms and conditions of this Lease.

6. ORDINANCES, REGULATIONS, ETC.:
   6.1 Lessee shall promptly provide Lessor with a copy of any notice(s) served upon Lessee from any governmental authority claiming violations of any law, ordinance, code or regulation, or requiring or calling attention to the need for any work, construction, alteration or installation or in connection with the Premises in order to comply with any law, ordinance, code or regulation.

7. SERVICES, UTILITIES:
   7.1 Lessor will be under no obligation to furnish the Premises with water, gas, sewage, electricity, heat, or other utility services and supplies that may be necessary or desirable in connection with Lessee’s use and occupancy of the Premises. Lessee shall contract directly with any utility company for such services and supplies, and Lessee shall pay for them directly. However, Lessor shall provide any assistance necessary to facilitate Lessee obtaining any utility services needed for the Premises, including obtaining any temporary or permanent easements that may become necessary for such services.

8. ADJACENT AREA USAGE:
   8.1 Lessor may also designate in writing other areas for temporary use by Lessee for access, parking, storage, loading or unloading of materials and supplies.

9. RISK, LIABILITY, INDEMNITY:
   9.1 Lessor acknowledges that persons and property on or near the Premises are in constant danger of injury, death or destruction, incident to the operation of a firing range; and Lessor agrees to this Lease subject to such dangers.

   9.2 Lessor shall be responsible for and shall indemnify, defend and hold harmless Kendall County, the Sheriff of Kendall County, its invitees, and their elected officials, board members, agents, officers and employees from any and all liabilities, claims, demands, or suits brought by any person due to claims arising out of any act or omission of Lessor, or its any agents, employees, or servants thereof or those arising in any manner out of Lessor’s performance or alleged failure to perform its obligations pursuant to this Agreement.

10. INSURANCE:
   10.1 Lessee shall purchase and maintain insurance as specified below covering the
Lease, all the work and services to be performed and all obligations assumed under it, and activities on the shooting range itself, from Effective Date until termination, unless duration is stated to be otherwise:

Policy coverage is to be based on usual Insurance Services Office ("ISO") policy forms to include, but not be limited to: Operations and Premises Liability, Completed Operations and Products Liability, Personal Injury Liability and Contractual Liability insurance.

(b) Umbrella Liability Insurance written on an occurrence basis subject to a limit of $4,000,000 each occurrence for bodily injury, property damage, personal injury and libel and/or slander.

10.2 All insurance required of Lessee shall include Lessor as an additional insured.

10.3 All insurance shall provide a minimum of thirty (30) days advance written notice of insurer's intent to cancel or otherwise terminate policy coverage.

11. SUCCESSORS AND ASSIGNS; LIMITS ON TRANSFER, SUBLEASE OR ASSIGNMENT:

11.1 Except as otherwise provided below, the terms, covenants and provisions of this Lease shall inure to the benefit of and be binding upon the successors and assigns of Lessor and the successors and assigns of Lessee.

11.2 Notwithstanding the foregoing, Lessee and Lessor shall not transfer, assign, encumber or sublet this Lease or any part of the Premises or any rights and privileges granted in this Lease without the prior written consent of Lessee or Lessor as the case may be, which such party may give at its sole discretion. This covenant shall also apply whether any of the foregoing is made voluntarily by Lessor or Lessee or involuntarily in any proceeding at law or in equity to which Lessee or Lessor may be a party, whereby any of the rights, duties and obligations of Lessor or Lessee may be sold, transferred, conveyed, encumbered, abrogated or in any manner altered without the prior notice to and consent of the other party. Should either party refuse to give its written consent, this agreement shall terminate pursuant to notice as dictated by Section 4.

11.3 Lessor shall not offer or permit any other person, entity or corporation to use any part of the Premises or otherwise allow another to interrupt Lessee’s quiet enjoyment of the Premises.

12. HAZARDOUS COMMODITIES:

12.1 Pursuant to its use as specified in Section 1, Lessee shall be allowed to permit, keep, use, store and place ammunition on the Premises as are common and usual for use in fire arms/police training. Lessor shall not access, move, remove, or cause to be disturbed any such materials from the Premises.
13. ENVIRONMENTAL:

13.1 Lessor understands that the subject Premises shall be used as a firing range, which will necessitate environmental reclamation and/or remediation (possibly including, but not limited to, consulting, engineering, clean-up, sifting munitions fragments from the soil, lead recycling, soil sampling, soil disposal, soil treatment, soil washing, stabilization and solidification efforts, etc.) upon the expiration of the lease and Lessor shall be solely responsible for completion of such efforts. If any Government Authority or any third party demands that a cleanup plan be prepared and that a cleanup be undertaken because of any deposit, spill, discharge or other release of hazardous substances, including, but not limited to, flammables, explosives, lead, pollutants, or other contaminants that occur during the term of the lease, or which arises at any time from Lessee's use or occupancy of the leased premises, then Lessor will, at Lessor's sole expense, prepare and submit any and all required plans and all related bonds and other financial assurances necessitated and Lessor shall also be responsible to carry out all work required by such cleanup plans.

13.2 Lessor will indemnify, defend and hold harmless Lessee and its elected officials, County Board members, officers and employees from all fines, suits, procedures, claims, and actions of every kind and all costs, associated with them arising out of or in any way connected with Lessor's failure to provide all information, make all submissions, and take all actions required by all Legal/Governmental Authorities under the Laws and all other environmental laws in regard to the clean-up, reclamation and remediation of the Premises. Lessor's obligations and liabilities under this Section will survive the expiration or termination of this lease.

13.3 Lessee expressly understands and agrees that the provisions of this Section shall remain in full force and effect regardless of whether this Lease is terminated pursuant to any other provision or whether the Premises are vacated by Lessee.

As used in this Lease, the term “force majeure” shall include, but not be limited to, fire or other casualty; bad weather; inability to secure materials; terrorist acts; governmental restrictions, regulations, or controls; judicial orders; and/or other events over which the party obligated to perform (or its contractor or subcontractors) has no control.

15. MISCELLANEOUS:

15.1 This Agreement shall be construed in accordance with the law and Constitution of the State of Illinois and if any provision is invalid for any reason such invalidations shall not render invalid other provisions which can be given effect without the invalid provision. The parties agree that the venue for any legal proceedings between them shall be the Circuit Court of Kendall County, Illinois, Twenty-Third Judicial Circuit, State of Illinois.
15.2 Lessee shall not be prohibited from placing or allowing on the Premises any reasonable signs advertising Lessee's usage of the Premises.
