Re: Culvert Crossing at 13360 McKanna Road

On the June 14th Committee of the Whole agenda, there is an item "Authorize the State’s Attorney to Initiate Litigation Against Mark Antos and Any Other Owners for the Removal of a Culvert Crossing of Aux Sable Creek near 13360 McKanna Road, Minooka, Illinois."

In 1998, Mr. Antos received permission to construct a bridge across the Aux Sable Creek at the subject property to allow him to access his house from McKanna Road. As part of this project, Mr. Antos was given permission to construct a temporary low water crossing over the Aux Sable Creek.

To date, Mr. Antos has not completed construction of the bridge and the temporary low water crossing was not constructed to the original specifications. A copy of the original drawings for the low water crossing is attached to this memo. Mr. Antos’ permit from the Illinois Department of Natural Resources for the construction of the new bridge expires December 31, 2018.

After receiving a complaint of the temporary low water crossing causing flooding of a neighboring farm field and after unsuccessful attempts by the Planning, Building and Zoning Department to resolve the matter, the Kendall County Planning, Building and Zoning Committee, at their December 2017 meeting, requested the State’s Attorney’s Office to draft a violation letter to Mr. Antos. A copy of this letter is attached to this memo.

Mr. Antos submitted a response letter to the Kendall County Planning, Building and Zoning Department date March 29, 2018. A copy of this letter is attached.

Mr. Antos attended the April Planning, Building and Zoning Committee meeting and the Committee gave him until June 1st to remove the low water crossing. As of June 11th, the temporary low water crossing was still in place and Mr. Antos did not provide an update to the Planning, Building and Zoning Committee at their June 11th meeting. The Planning, Building and Zoning Committee subsequently unanimously recommended approval of authorizing the State’s Attorney to pursue action against Mr. Antos.

Brian Holdiman conducted an inspection of the property on June 12th. Pictures of the inspection are attached to this memo.

If you have any questions, please let me know.

December 15, 2017 Letter from ASA James Webb to Mark Antos  
June 12th Pictures
Mark and Elyse Antos have submitted plans for a low water culvert crossing on Aux Sable Creek. They have not provided any hydrologic or hydraulic information. The overtopping elevation of the proposed crossing is 3 feet above the invert of the channel. The crossing consists of six 21-inch inside diameter concrete pipe culverts. The channel geometry within the project reach is 35 feet top width, 23 feet bottom width and 6 feet high banks. The proposed culvert crossing will replace an existing 3 feet high gravel ford with no culverts.

Considering over-the-road relief flow, the worst case analysis would be for a discharge that just overtops the culvert crossing. Since the top of road grade is at 1/8 channel depth, the maximum water surface profile increase would be contained within the channel banks. Therefore, the crossing meets the Department's standards as listed in Section 3700.7(e) of our Part 3700 Rules. I recommend that a permit be issued for this work.

NOTE: This culvert crossing is intended to serve as a temporary access. The applicant has informed me that they will apply for a permit to construct a bridge crossing in approximately 1 year.

RE: Notice of Violation – 13360 McKanna Road, Minooka, Illinois 60447

Dear Mr. Antos:

As you know, the Kendall County Planning, Building and Zoning Department ("PBZ") has on numerous occasions notified you about violations existing on the above-referenced property. You have failed to comply with the requirements of the Kendall County’s Floodplain Ordinance and the Illinois Rivers, Lakes, and Streams Act in that your culvert crossing of Aux Sable Creek has increased flood heights and threatens public health and safety. At the present time, this violation continues to exist on your property despite repeated requests from the PBZ and the State of Illinois for the crossing’s removal.

Because you have not corrected this violation, PBZ requested the Kendall County State’s Attorney’s Office prosecute you for this violation. Before commencing legal proceedings, we are giving you thirty (30) days from the date of this letter to correct the violation. PBZ will conduct a site visit after thirty (30) days to confirm compliance. If the culvert crossing has not been removed, we will begin legal proceedings against you. Should you have any question in this matter, please contact Brian Holdiman, Code Compliance Officer, PBZ at (630) 553-4141.

Very truly yours,

James A. Webb
Assistant State’s Attorney

RE: Bridge project at 13360 McKanna Road

I met with your zoning committee on November 13, 2017, regarding my neighbors concerns on my crossing at 13360 McKanna Rd., and the time line of the bridge build. No neighbors were present at this meeting to state any concerns. I explained to the committee at the time, because winter was starting it was impossible for me to pour a bridge deck with freezing and snowing weather conditions. I explained to the committee that it would have to be late spring or early summer after the temperatures stopped dropping below freezing and I could move dirt & clay, not mud, to shape and plant grass seed on the slopes and areas disturbed by the bridge project.

The attached letter came to me by Kendall County Officer and certified mail, stating you met on March 12th and want me to remove the crossing and have the bridge completed by May 1st. We just received reports of snow warning of 4 to 6 inches, and overnight temperatures in the low 20’s. I’ve been working day and night to pay for this project. I unfortunately cannot attend all your meetings to give you updates because of my work schedule.

I have already spent $35,000.00 in paper work alone that involves, engineering drawings, plan reviews and permit fees. I also have spent thousands in Expoy coated rebar (corrosion resistant rebar), decay resistant lumber, and concrete etc. so this bridge is not only built to code, but will be safe and stand for future generations of my family. I would also like to complete this project so my disabled father will have access to my house, as well as put my neighbors concerns to rest.

The present crossing has been there for 19 years. This bridge project has been a long time in the making and we finally have all the approvals to improve the creek crossing and to make it safe and better for the creek and the flooding conditions. I ask you to please give me until the end of spring or beginning of summer to complete the project. A couple more months will make for a better job to move and shape dry dirt, pour concrete and have it properly cure.

Most bridges in Kendall County are paid for by the state or taxpayers, I am the only tax-paying citizen paying for this improvement project, in order to be a good neighbor and improve the current conditions for all. So please don’t make me play beat the clock, like I explained at the November 13th meeting which all the committee members listened and accepted, that I would have this completed by late spring, early summer or sooner.

I thank you for your consideration. Please contact me at [redacted] with any further question or if you need me to address the committee at a future meeting.

Thank you again,

Mark Antos

Mark,

The Kendall County Planning, Building and Zoning Committee met on March 12, 2018. They decided to hold on any enforcement of compliance of your bridge if it is completed by May 1, 2018.

Please respond to this letter via email or return letter that weather permitting, your bridge will be complete and the low water crossing removed by May 1, 2018.

Thank you in advance.

This Agreement is made this 19th day of June, 2018, between KENDALL COUNTY, ILLINOIS, a unit of local government with its principal office located at 111 West Fox Street Yorkville, IL 60560 hereinafter referred to as the "Client", and THE HORTON GROUP, INC. of 10320 Orland Parkway, Orland Park, IL 60467 hereinafter referred to as "Horton".

WHEREAS, Horton, together with its affiliated entities who are doing business as Horton (its "Affiliates"), operates insurance agencies and related businesses which procure numerous lines and types of Insurance products and provide various related services to accounts located through the areas of the United States in which Horton and such Affiliates may operate, from time to time; and

WHEREAS, the Client desires to engage Horton to provide certain benefit services in exchange for the fees as outlined in this Agreement. A comprehensive list of these services is attached to this Agreement as Appendix B: Fee Based Pricing Proposal which is incorporated by reference herein and is consistent with the proposed scope of services in Horton's response to the Client's Request for Qualifications.

NOW, THEREFORE, the parties hereto agree as follows:

1. The term of this Agreement shall commence as of July 1, 2018, and shall remain in effect until July 1, 2020 unless earlier terminated as hereinafter provided.

2. Complete fee structure by insurance policy and service category is illustrated in the attached Fee-Based Pricing Proposal, which is attached to Appendix B and incorporated by reference herein (the "Fee"). The Fee shall be compensation for the services performed by Horton in the attached Fee-Based Pricing Proposal.

The Brokerage Services monthly fee set forth in Appendix B shall be earned and paid on a monthly basis in which services are performed by Horton. Horton will issue an invoice to Client on, before, or around the 1st of each month under the Agreement starting on July 1, 2018. Payment shall be made by Client in accordance with the Illinois Local Government Prompt Payment Act, as amended (50 ILCS 505/1 et seq.). Furthermore, to start this engagement, Horton will assist the Client as the Client reconciles its existing compensation agreements with its previous broker, CBIZ. Prior to execution of this Agreement, CBIZ was receiving commissions from the Client's various Insurance carriers that will need to be offset under this Agreement. Horton will lead this compensation reconciliation effort in conjunction with the Client.

3. The Fee is in lieu of standard agent commissions normally paid to Horton by the Medical/RX, Dental and Core Life/AD&D Insurance carriers involved.

Should Client add additional voluntary, supplemental, retiree programs, or the like, the Fee would be in addition to standard agent commissions normally paid to Horton by the related insurance carriers.

Horton may receive additional compensation from the insurance companies or vendors, in the forms of, including but not limited to, contingent commission or bonus commission. Upon request, Horton is pleased to disclose all compensation amounts as well as any other contingent or similar agreements that may be in place.
4. This Agreement represents the entire Agreement between the parties and there are no other promises or conditions in any other Agreement whether oral or written. This Agreement supersedes any prior written or oral agreements between the parties. It is understood that this Agreement is open to review at any time by either party, but this Agreement may not be modified except in writing acknowledged by both Client and Horton. Neither party shall assign, sublet, sell, or transfer its interest in this Agreement without the prior written consent of the other party. Either party may terminate this Agreement at any time by providing at least ninety (90) calendar days advance written notice to the other party. In the event this Agreement is terminated early by either party; all unearned amounts of the Fee previously paid to Horton will be refunded to the Client based on a pro rata calculation on the effective date of termination. So, for example, if Client paid the first 90 days of the Fee, and Client terminated the Agreement on the 76th day after the parties’ execution of the Agreement, Horton would refund to Client the pro rata share of its unearned Fee, which would be the equivalent of 15 days of the Fee.

5. This Agreement covers only those specifically listed services set forth in Appendix B and the Client's current level of underlying operations. In the event the Client increases or alters its operations in such a way that substantially and materially expands the scope of services set forth in Appendix B, any extra fees for such additional services requested or required by the Client shall be separately negotiated and must be pre-approved in writing by the Client.

6. (a)

i. This Agreement shall be construed in accordance with the law and Constitution of the State of Illinois and if any provision is invalid for any reason such invalidations shall not render invalid other provisions, which can be given effect without the invalid provision. The parties agree that the venue for any legal proceedings between them shall be the Circuit Court of Kendall County, Illinois, Twenty-Third Judicial Circuit, State of Illinois.

ii. Horton shall indemnify, hold harmless and defend with counsel of Client's own choosing, Client, its past, present and future elected officials, department heads, employees, insurers, and agents (hereinafter collectively referred to as "Releasees") from and against all liability, claims, suits, causes of action, demands, proceedings, set-offs, liens, attachments, debts, expenses, judgments, or other liabilities including costs, reasonable fees and expense of defense, arising from any loss, damage, injury, death, or loss or damage to property, of whatsoever kind or nature to the extent such claims result from the professional negligence of Horton and/or Horton's Affiliates. Nothing contained herein shall be construed as prohibiting the Releasees at its own expense from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to 55 ILCS 5/3-9005, no attorney may be assigned to represent the Releasees unless the attorney has been approved by the Kendall County State’s Attorney. Releasees' participation in its defense shall not remove Horton’s duty to indemnify, defend, and hold Releasees harmless, as set forth above. Releasees do not waive their defenses or immunities under the Local Government and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) by reason
of this indemnification provision. Indemnification shall survive the termination of this Agreement.

iii. In any action with respect to this Agreement, the parties are free to pursue any legal remedies at law or in equity. If Client is required to take legal action to enforce performance of any of the terms, provisions, covenants and conditions of this Agreement, and by reason thereof, Client is required to use the services of an attorney, then Client shall be entitled to reasonable attorneys' fees, court costs, expenses and expert witness fees incurred by Client pertaining thereto and in enforcement of any remedy, including costs and fees relating to any appeal.

iv. Client and/or Horton's waiver of any term, condition, or covenant or breach of any term, condition, or covenant, shall not constitute a waiver of any other term, condition, or covenant, or the breach thereof.

v. Any notice required or permitted to be given pursuant to this Agreement shall be duly given if sent by certified mail or courier service and received in the case of notice to Client, Attention: Kendall County Clerk, 111 W.
