If approved, the Weihler’s plan to start construction by April 2019 and start having events in October 2019 with a full season of bookings for 2020.

Chairman Ashton asked about lighting crossing the property line. Mr. Asselmeier said the restriction regarding lighting can be made more explicit to ensure that lighting will not cross property lines. The parking lot lights will not be turned on when events are not occurring.

Mr. Casey asked why the Petitioners were seeking a variance to the sprinkler requirements. Mr. Asselmeier explained that the Petitioners did not want to install sprinklers.

Ms. Zubko asked if the pathways met the standards of the Americans with Disabilities Act. The Petitioners clarified that the pathways will be designed to meet the standards.

Chairman Ashton advised Mr. Anderson to install “No Trespassing” signs on Mr. Anderson’s property.

Tom Gargrave, Oswego, expressed concerns regarding noise and light pollution. Mr. Gargrave expressed concerns about traffic safety because of the intersection of Schlapp Road, Plainfield Road, and Simons Road. Mr. Gargrave stated that the water table is falling in the area. He believed the proposal could be spot zoning.

Mr. Kramer indicated that the Petitioners are willing to work with Mr. Anderson regarding identify the property lines. A fence or plantings could be installed along the property line. Mr. Kramer explained that the property could be annexed into Oswego and that more intense retail uses would be allowed on the property if annexation occurred.
