Kendall County Sheriff’s Office Investigates Shots Fired Call

The Kendall County Sheriff’s Office is investigating the report of multiple gunshots in the 0-99 block of Chatham Place, Montgomery, Oswego Township that occurred at approximately 1:40 a.m. Multiple Sheriff’s Deputies and Oswego Police Officers responded to the area, and were able to gather important information and evidence.

The investigation led Deputies to a residence on Chatham Place where the incident occurred. The shooting does not appear to be a random act of violence, and the Sheriff’s Office would like the community to be aware this appears to be a targeted incident involving illegal narcotics. This case is currently under investigation and we would like to thank the numerous citizens for their valuable assistance and information which greatly assisted us with our efforts. The Sheriff’s Office will be working with the Criminal Intelligence Team to heighten patrols in the area to ensure the streets remain safe for the area residents. Anyone with information related to this incident is urged to contact the Kendall County Sheriff’s Office Investigations Unit at (630) 553-7500 x1105.

If the public would like to remain anonymous on this or other crimes we urge them to call Kendall County Crime Stoppers at (630) 553-5999. Callers remain anonymous and are eligible for a reward of up to $1,000.00 for information leading to the arrest of the offenders.
