NEW BUSINESS
Approval to Initiate a Text Amendment to Section 7.01.C and Section 7.01.D of the Kendall County Zoning Ordinance by Transferring Kendall County Sheriff’s Office Shooting Range from the List of Special Uses in the A-1 Agricultural District to the List of Permitted Uses in the A-1 Agricultural District, Related Citation Corrections, and Update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to Reflect this Transfer
Mr. Asselmeier summarized the proposal.

Member Wilson asked who was initiating the text amendment. Member Nelson replied that the Kendall County Regional Planning Commission was initiating the text amendment. This arises from the Sheriff having a gun that might not have proper zoning. The Sheriff has a new site down in Lisbon Township which has proper zoning. The Sheriff probably has two (2) to three (3) years before bringing this range online.

Member Wilson expressed concerns about the Sheriff not asking for a special use permit.

Member Davis expressed concerns about making the use a permitted use county wide. The consensus of the Commission was to make the proposed use a permitted use in Oswego Township only.
Member Schroeder asked if there were any houses behind the gun range. Member Nelson said the closest houses were a mile away.

Discussion occurred regarding establishing a sunset provision. The consensus of the Commission was to set the sunset at December 31, 2024.

Member Rodriguez asked how concerned Sheriff Baird was with this proposal. Member Nelson said he thought the Sheriff was concerned.

Member Nelson made a motion, seconded by Member Bledsoe, to approve initiating the proposed text amendment by adding in the sunset clause of December 31, 2024, and restricting the permitted use to Oswego Township only.

Ayes (9): Ashton, Bledsoe, Casey, Davis, Nelson, Rodriguez, Schroeder, Shaw and Wilson
Nays (0): None
Absent (1): Zubko

The motion carried.

This proposal will go to ZPAC on March 5, 2019. Depending on what happens there it will be back at the Regional Planning Commission on March 27, 2019.

OLD BUSINESS

Update on Petition 18-04 Request from the Kendall County Regional Planning Commission for Changes to the Future Land Use Map for Properties Located Near Route 47 in Lisbon Township

Mr. Asselmeier gave an update on the petition. A County Board Member believes the Village of Lisbon should be the one that decides the zoning in that area with regards to mining. Mining areas should be annexed into the Village of Lisbon so the Village can receive the tax revenue.

Member Schroeder asked if the water table had ever been considered in this mining area. Member Nelson replied yes and that is one (1) of the reasons we decided to make a mining district. Chairman Ashton stated that the water pumped into the creek from the mine pits could be a resource for drinking water.

Member Wilson expressed concerns about showing the existing properties zoned for mining as agriculture.

Motion made by Member Nelson, seconded by Member Davis, to amend the map to show the items in blue (mining) would be turned back to agriculture, except those properties already zoned for mining, and the rest of the map would stay as is.

Ayes (8): Ashton, Bledsoe, Casey, Davis, Nelson, Rodriguez, Schroder, and Wilson
Abstain (1): John Shaw
No: (0)
Absent (1): Zubko

The motion passed.

REVIEW OF PETITIONS THAT WENT TO COUNTY BOARD

Mr. Asselmeier reported that Petition 19-04 and Petition 19-05 were approved by the County Board.

Member Schroeder brought up the subject of sprinklers. He said he believes they should be required and cited
fires in other places. He asked if he could speak with the Fire Chief about the issue.

**OTHER BUSINESS/ANNOUNCEMENTS**
Mr. Asselmeier read the resignation letter of Angela Zubko.

Chairman Ashton stated that Teska is working on the Zoning Ordinance project. When that project is ready for review, Chairman Ashton said that he would like to start meetings at 5:00 p.m.

**ADJOURNMENT**
Member Wilson made a motion, seconded by Member Nelson, to adjourn. With a voice vote of nine (9) ayes, the motion passed unanimously. The Kendall County Regional Plan Commission meeting adjourned at 8:45 p.m.

Respectfully submitted by,
Ruth Ann Sikes
Part-Time Office Assistant (Zoning)

ZPAC
ZPAC originally met on this proposal in August 2018. The Petitioner originally did not submit information on any proposed building. ZPAC requested an updated site plan, an updated manure management plan, proof of application of NRI, and EcoCat information.

ZPAC met on this proposal again on March 5, 2019. The Petitioner agreed to work with the Kendall County Health Department on revised manure management plan. Two (2) neighbors and the attorney for the Homeowners’ Association expressed opposition to the proposal based on the impact on the private streets in the subdivision, concerns about the manure management plan, and concerns about property values. The letter from the attorney is included as Attachment 16. ZPAC recommended approval with a vote of four (4) in favor and two (2) present. The minutes of the ZPAC meeting are included as Attachment 17.

GENERAL INFORMATION
Pictures of the property are included as Attachments 8-11.

The existing stable has twenty-six (26) horse stalls. The property has a total of sixteen (16) paddock areas and an “arena” area.

The Petitioner would like to demolish the accessory structures shown in Attachment 10 and construct an area for hay and straw and an additional twelve (12) stalls; see Attachment 12. The new barn will be constructed where the current brown barn is located, using the same footprint. The new barn will be ten feet to twelve feet (10’-12’ ) in height. The new barn will be a prefab construction type. The existing frame shed shall be located to the rear of the paddock area. The Petitioner would also like to construct a lounging arena north of the existing “arena” area.

The Petitioner has a waitlist and would like to expand because of the waitlist. If approved, the Petitioner would like to expand operations in the summer of 2019.

RELATION TO EXISTING SPECIAL USE PERMIT
The existing special use permit was established by Ordinance 2012-22. The restrictions placed on the special use permit were:

NOW, THEREFORE, BE IT ORDAINED, that the Kendall County Board hereby repeals Kendall County Ordinance #06-29 in its entirety and grants approval of a special use zoning permit to amend their existing special use permit to change the private horse facility from allowing only boarders who live within the Subdivision into a private horse facility that also allows boarder who do not live within the Subdivision subject to the following conditions (Emphasis Added):

1. A maximum of twenty-four (24) horses are allowed to be housed in the stable. (Emphasis Added)
2. Manure storage and disposal is to be according to a proposed manure storage and disposal plan approved by the Kendall County Department of Environmental Health.

3. The facility shall be exclusively used by the owners, trainers, boarders and their guests. In keeping with the private and quiet nature intended for the residential community, activities at the facility should never be so large or noisy or late that it would be disruptive to residents of the Subdivision. If the facility hosts an outdoor event exceeding fifty (50) guests, the owner, shall provide each of the property owners and Homeowners Association with at least thirty (30) days notice of the event. The Owner shall host no more than two (2) such outdoor events a year. The Owner has no intention of hosting any activity with the general public that would intentionally invite so much traffic that parking would spill off the stable property on to the private residential streets. Events at the stable will be consistent with the image of a small private equestrian club.

4. As a private equestrian facility, no school horses will be available for rent to the general public. Training is available to the owners, trainers, boarders and their guests, only.

5. A maximum of two (2) adults and their immediate family can live in each of the two stable manager housing units inside the stable.

6. Private Road Maintenance: The Owner will solely maintain that portion of the road that is on Lot 17, with that portion being shown on the Final Plat for Equestrian Estates at Legacy Farms Subdivision. The Homeowners Association or property owners will maintain the remaining roads within the Subdivision. The Owner will pay 29% of the cost of maintaining that portion of the roads running from Ashe Road to the turnabout, the turnabout road, and from the turnabout to that portion of the road that intersects with Lot 17. The Owner will notify all boarders that the residential roads are for private use only. With all things being equal with other service providers, including price and quality of service, the Homeowners Association and/or residents agrees to allow the Owner to provide landscaping and road maintenance services.

7. Trails: The Homeowners Association or property owners will be responsible for maintaining any trails in Lot 18. The Owner will be responsible for 29% of the cost to maintain the trails in Lot 18 and the Homeowners Association or property owners will be responsible for 71% of the cost. With all things being equal with other service providers, including price and quality of service, the Homeowners Association or property owners agree to allow the Owner to provide trail improvement and maintenance services.

8. Insurance: The Owner will maintain a comprehensive general liability policy in the minimum amount of $1,000,000.00. The Homeowners Association and/or property owners will be named as an additional insured.

9. Lighting: The outdoor arena shall not be lighted. The existing lighting on the south side of the stable will only be used before 8pm or in case of emergency.

10. Sale of the Stable: In the event the Owner lists the property for sale, the Owner shall notify the Homeowners Association and property owners of such listing within five (5) business days.

11. Stable Workers: All employees or independent contractors shall be retained by the Owner.

12. There shall be no signage on the property indicating the stable accepts commercial stabling of horses. The Owner may post upon Homeowners Association and/or property owners approval and/or request a small discreet sign on Lot 17, at the entrance to the facility.

13. No signs are permitted on the eastern portion of the outdoor riding arena.

14. Horse trailers: Horse trailers shall be parked west of the outdoor arena.

15. No rodeo, barrel racing or reining shows, but practicing such activities is a permitted use.
The Kendall County Planning, Building and Zoning Department has not received any complaints regarding the special use at the subject property.

The Kendall County Health Department received one (1) complaint since the issuance of the amended special use permit for manure related issues. The issue was unfounded.

The original ordinance granting the special use permit, Ordinance 2006-05, allowed thirty-six (36) horses to be stabled at the property.

**BUILDING CODES**

Any new buildings would have to meet applicable building codes.

**ACCESS**

The property has indirect access to Ashe Road via private streets.

**ODORS AND MANURE PLAN**

Pictures of the manure area are included as Attachment 11. The Petitioner currently has manure picked up four (4) days per week and has a mushroom farmer collect manure for composting once per week. The manure area is sealed and graded with four (4) concrete blocks across the back and is four (4) rows high and three (3) rows deep. The Petitioner plans to install an opaque fence around the manure area. The Petitioner has two (2) backup plans for handling manure. One (1) plan involves a truck transporting manure to a company in Wisconsin. The other plan involves working with a company that transforms manure into energy. Manure will be monitored daily and more pickups could occur if the manure pile gets too large. The revised manure management plan is included as Attachment 18. The Kendall County Health Department’s approval of the manure management plan is included as Attachment 19.

**LIGHTING**

No new lighting is planned.

**SCREENING**

No additional fencing or buffering is planned.

**STORMWATER**

No changes in impervious surface are planned. The stormwater situation may have to be reexamined if the Petitioner constructs new building(s).

**UTILITIES**

No changes in utilities, well, or septic system are planned. Any new utilities would have to secure applicable permits.

**FINDINGS OF FACT**

§ 13.08.J of the Zoning Ordinance outlines findings that the Zoning Board of Appeals must make in order recommend in favor of the applicant on special use permit applications, including major amendments to special use permits. They are listed below in *italics*. Staff has provided findings in **bold** below based on the recommendation:

*That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. Provided that the manure management plan is implemented as proposed, the amendment to the special use will not be detrimental or endanger the public health, safety, morals, comfort, or general welfare.*

*That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. Provided that the manure management plan is implemented as proposed and that the property owner follows the remaining*
restrictions in Ordinance 2012-22, the amendment will not be substantially injurious to the us and enjoyment of other property in the area nor will the amendment impair property values.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. Provided that the manure management plan is implemented as proposed, no concerns exist regarding drainage. The owner of the property will need to continue their required contributions to the Homeowners’ Association as outlined in Ordinance 2012-22 to ensure that Ashe Road remains in good repair.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Zoning Board of Appeals. The proposed special use permit and site plan conform to all other applicable regulations of the RPD-1 Zoning District.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. The LRMP states the following regarding the Rural Estate Residential Area, “limited business use may also be appropriate for small offices or agricultural service enterprises” and “agricultural uses will continue to be a major use in Rural Estate areas” (Page 5-17). Accordingly, with proper restrictions, the proposed use is consistent with the purpose and objectives of the LRMP.

RECOMMENDATION
Staff recommends approval of the requested amendment with the following conditions:
1. All of the conditions contained in Ordinance 2012-22, except condition number 1 shall remain in effect.
2. Condition number 1 contained in Ordinance 2012-22 is hereby amended to read, “A maximum of thirty-six (36) horses are allowed to be housed in the stable.”
3. The site shall be developed substantially in accordance with the attached site plan.
4. The owner(s) of the property shall secure applicable building permits prior to the construction of any structures on the property.
5. The manure shall be handled in substantial the manner stated in the manure management plan.
6. The owners(s) of the facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.
7. Failure to comply with one or more of the above conditions or restrictions contained in this ordinance and Ordinance 2012-22 could result in the amendment or revocation of the special use permit.
8. If one or more of the conditions contained in this ordinance and Ordinance 2012-22 is declared invalid by a court of competent jurisdiction, the remaining conditions of both ordinances shall remain valid.

The Owner will be responsible for 29% of the cost to maintain the trails in Lot 18 and the Homeowners Association or property owners will be responsible for 71% of the cost. With all things being equal with other service providers, including price and quality of service, the Homeowners Association or property owners agree to allow the Owner to provide trail improvement and maintenance services.

8. Insurance: The Owner will maintain a comprehensive general liability policy in the minimum amount of $1,000,000.00. The Homeowners Association and/or property owners will be named as an additional insured.

Re: Petition 18-24 Proposed Major Amendment to Special Use Permit to Increase the Number of Horses Allowed Boarded at 17 Ashe Road from Twenty-Four to Thirty-Six ("Petition")

Dear Mr. Asselmeier:

Please be advised that the Law Office of Michael T. Huguelet, P.C. represents The Equestrian Estates at Legacy Farm Homeowners’ Association (the “Association”). My client has advised me that Skyfall Equestrian, LLC and its attorney have submitted a Petition for a proposed major amendment to special use permit presently in place and affecting the Equestrian Estates at Legacy Farm Subdivision (the “Subdivision”). It is my understanding that a meeting was held on August 7, 2018, whereby the Petition was presented, however, it appears that further documentation was required for full consideration of Petition 18-24. As such, my client seeks confirmation whether a new meeting has been requested before the ZPAC committee on the Petition.

Please be advised that my client, as well as many of the homeowners in the Subdivision have indicated an objection to the Petition. As you may be aware, this is not the first time the owner of Lot 17 has attempted to change the dynamic of the Subdivision over the objection of the homeowners. The homeowners are upset due to the fact that the prior Petition, as well as the current submission, change the nature of the Subdivision they originally bought into. The homeowners were attracted to the idea of living in a quiet neighborhood, amongst a forest, which permitted the homeowners to have horses should they choose. None of the homeowners contemplated living next to a business enterprise operating within the Subdivision. My client
objects, amongst other things, to an increase in the number of horses to be boarded at the property as it will increase the traffic through the Subdivision, as there is only one access point to Lot 17. The increased volume of traffic will increase the burden and cost imposed upon the Association and the homeowners for maintenance of the roads and the trails in the Subdivision. Moreover, the current owner continues to fail to dispose of the waste produced by the current amount of horses. An increase in the boarded horses will further compound the existing problem.

Previously, the owners had objected to the prior ordinance as it opened up the equestrian facility to the public in order to have a for-profit institution attempt to operate an equestrian facility. The ordinance deprived the owners of certain rights in the original covenants that the facility and trails were to be used exclusively by them, which was a selling point for the Subdivision. The proposed amendment increases the volume by which the public will be entering the Subdivision, which in turn increases costs as well as liability due to the risks associated with more vehicles and traffic through the Subdivision. These are all risks which unfairly would be borne by the owners and the Association. The Association attempted to resolve its issues with the prior owner, however, the prior owner failed to negotiate in good faith. As before, many owners and the Association feel that the new owner seeks to circumvent it and impair their rights without just cause or compensation. As such, please be advised that the Equestrian Estates at Legacy Farm Homeowner’s Association and various homeowners object to this Petition and requests the objections be presented at any meeting related to the presentation of the Petition. Thank you for your attention to this matter. I look forward to hearing from you.

Very Truly Yours,

MICHAEL T. HUGUELET, P.C.

AGENDA
Mr. Asselmeier requested that the agenda be amended by moving Public Comment to before Petitions and moving Petition 19-08 to ahead of Petition 19-07.  Mr. Klaas made a motion, seconded by Ms. Andrews, to approve the agenda as amended.  With a voice vote of all ayes the motion carried unanimously.

MINUTES
Ms. Andrews made a motion, seconded by Ms. Briganti, to approve the February 5, 2019, meeting minutes. With a voice vote of all ayes the motion carried unanimously.

PUBLIC COMMENT
Dan Huddleston, President of the Homeowners’ Association of Equestrian Estates at Legacy Farm, expressed his opposition to the proposed increase of the number of horses allowed at 17 Ashe Road. When the development was created, the boarding of horses at the subject property was for residents of the subdivision only. Boarding was opened to non-residents in 2012. He stated that the barn operating as business negatively impacted the property values in the subdivision. The increase in business will result in increased traffic and greater maintenance costs to the roads. He expressed concerns regarding the collection of manure; it is not happening frequently.

Mark Bossong agreed with Mr. Huddleston. Mr. Bossong said that they no longer board their horse at the subject property.

There are six (6) homeowners in the subdivision. The previous owner made it unpleasant for residents to board horses at the barn.

The owner of the barn is a member of the Homeowners’ Association.

No notices of shows have been provided to the Homeowners’ Association. The Homeowners’ Association has not request additional financial assistance for road maintenance. The barn owner pays her fees to the Homeowners’ Association.

Mr. Huddleston would like the insurance paid by barn owner to be increased. He also noted that Ms. Flisk does not own any horses boarded at the property.

Chris Fowler, attorney for the Homeowners’ Association, discussed the cost increases on the Homeowners’ Association.

PETITIONS
Petition 18-24 Dorothy Flisk on Behalf of Skyfall Equestrian, LLC – Major Amendment to a Special Use Permit by Increasing the Number of Horses Allowed Boarded at 17 Ashe Road from 24 to 36 in Little Rock and Bristol Townships
Mr. Asselmeier summarized the request. The property is approximately eight point five (8.5) acres. The existing stable has twenty-six (26) horse stalls. The property has a total of sixteen (16) paddock areas and an “arena” area.

The Petitioner would like to demolish the accessory structures and construct an area for hay and straw and an additional twelve (12) stalls. The new barn will be constructed where the current brown barn is located, using the same footprint. The new barn will be ten feet to twelve feet (10'-12') in height. The new barn will be a prefab construction type. The existing frame shed shall be located to the rear of the paddock area. The Petitioner would also like to construct a lounging arena north of the existing “arena” area.

The Petitioner has a waitlist and would also like to expand because of the waitlist. If approved, the Petitioner would like to expand operations in the summer of 2019.

The Petitioner provided an EcoCat from 2005. Since no new building footprints are planned, an update EcoCat was not required.

The Petitioner applied for an NRI in February 2019. Ms. Andrews reported that her office is preparing a letter on the subject.

Revised information was sent to Little Rock Township Revised on February 21, 2019.

Revised information was sent to Bristol Township on February 21, 2019.

The City of Plano had no objections to the proposal.

Revised information was sent to the Bristol-Kendall Fire Protection District on February 21, 2019.

The Little Rock Fox Fire Protection District had no objections to the original proposal.

The Petitioner currently has manure picked up four (4) days per week and has a mushroom farmer collect manure for composting once per week. The manure area is sealed and graded with four (4) concrete blocks across the back and is four (4) rows high and three (3) rows deep. The Petitioner plans to install an opaque fence around the manure area.

Discussion occurred regarding the manure management plan. Mr. Rybski requested additional monitoring of manure. With straw, every stall has to be cleared every day.

Dan Kramer, attorney for the Petitioner, provided a history of the development. Mr. Kramer noted that the Petitioner attempted to meet with the Homeowners’ Association. The Petitioner has no objections to the conditions proposed by County Staff.

Mr. Rybski discussed the manure pickup issues. Mr. Rybski noted that the area should be cleaned at least every seven to eight (7-8) days. Mr. Kramer noted that, in the summer, manure pickups will occur every two to three (2-3) days. Mr. Rybski requested that the manure management plan state the two to three (2-3) day pickup during the warmer months. Discussion occurred regarding the Public Health Nuisance Ordinance. Mr. Kramer will provide a more detailed manure management plan to Mr. Rybski by Noon on March 8, 2019. If an updated plan is not provided, the proposal will not advance to the Regional Planning Commission.

Mr. Guritz made a motion, seconded by Mr. Klaas, to forward the major amendment to the special use permit, provided that the manure management plan is provided to the Kendall County Health Department by Noon on March 8, 2019, and subject to the following conditions to the Kendall County Regional Planning Commission:

1. All of the conditions contained in Ordinance 2012-22, except condition number 1 shall remain in effect.

2. Condition number 1 contained in Ordinance 2012-22 is hereby amended to read, “A maximum of thirty-six (36) horses are allowed to be housed in the stable.”

3. The site shall be developed substantially in accordance with the attached site plan.

4. The owner(s) of the property shall secure applicable building permits prior to the construction of any structures on the property.
5. The owners(s) of the facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.

6. Failure to comply with one or more of the above conditions or restrictions contained in this ordinance and Ordinance 2012-22 could result in the amendment or revocation of the special use permit.

7. If one or more of the conditions contained in this ordinance and Ordinance 2012-22 is declared invalid by a court of competent jurisdiction, the remaining conditions of both ordinances shall remain valid.

Ayes (4): Andrews, Asselmeier, Briganti, and Rybski
Nays (0): None
Present (2): Guritz and Klaas
Absent (4): Chismark, Holdiman, Langston, and Prochaska

The motion passed. The proposal will go to the Kendall County Regional Planning Commission on March 27, 2019, if the manure management plan is submitted as scheduled.

Petition 19-08 Daniel, Bruce and Norma VanDeventer and Deborah Hull on Behalf of the Wilbur C. VanDeventer Trust (Current Owner) and Diane and Craig Zimmerman (Prospective Buyer) – Map Amendment Rezoning the Property at the Northeast Side of the T-Intersection Created by Galena Road and Kennedy Road (PIN 02-11-300-007) from A-1 to R-1 in Bristol Township

Mr. Asselmeier summarized the request. Diane and Craig Zimmerman would like to purchase the subject property and construct a single-family home on the property and operate a home-based carpentry business as allowed by the Kendall County Zoning Ordinance. The property lacks a housing allocation. Therefore, a map amendment is required.

The property is approximately fifteen (15) acres in size. Trails are planned along Galena Road and Blackberry Creek, but a rezoning request cannot be conditioned. A sizeable portion of the property is in the floodplain. The adjacent zoning districts around the property are A-1, R-1, and R-3 in the County and business zoning in Yorkville. The future land use map calls for the property to be residential.

EcoCAT Report submitted and consultation was terminated.

The application for NRI was submitted on February 19, 2019. Ms. Andrews reported that they will finish the report the week of March 11th.

Petition information was sent to Bristol Township on February 25, 2019.

Petition information was sent to the Village of Montgomery on February 25, 2019. Mr. Asselmeier noted that the United City of Yorkville was also notified because they own property within the notification area.

Petition information was sent to the Bristol-Kendall Fire Protection District on February 25, 2019.

Any new homes or accessory structures would be required to meet applicable building codes.

The property fronts Galena Road. A variance to the County highway regulations would be required and the County might require additional right-of-way when they do road improvements in the area.

No new odors are foreseen.

Any new lighting would be for residential use only and must be in compliance with the regulations related to home occupations contained in the Zoning Ordinance.

No fencing or buffer is presently planned for the property.

Any new homes constructed in the floodplain would have to secure a stormwater permit.

Electricity is nearby. New well and septic information would have to be evaluated as part of the building permit process.

Mr. Klaas requested a more detailed site plan showing the access point with Galena Road. Mr. Zimmerman will provide the site plan as part of the application for variance to the County’s highway regulations.
Mr. Rybski made a motion, seconded by Mr. Klaas, to recommend approval of the map amendment as requested.

Petition 19-07 Kendall County Planning, Building and Zoning Committee – Text Amendment to Section 11.05A of the Kendall County Zoning Ordinance Pertaining to the Parking and Storage of Unoccupied Recreational Vehicles, Trailers, and Mobile Homes
Mr. Asselmeier summarized the request.

At the January Planning, Building and Zoning Committee meeting, the Committee requested Staff to prepare a proposed text regarding Section 11.05A of the Kendall County Zoning Ordinance pertaining to the parking of recreation vehicles, trailers and mobile homes.

The proposal is divided into three (3) parts:

Part One: Amends Section 11.05A.1.b by allowing the parking of recreational vehicles, trailers and mobile homes in the front and corner yard setbacks in the R-4, R-5, R-6, and R-7 Zoning Districts provided that no sidewalk, trail, or visibility of motorists is blocked. The remainder of Section 11.05A.1.b is renumbered to reflect the amendment.

Part Two: The requirement that certain recreational vehicles be registered is removed because the proposal renders the registrations moot. Five (5) recreational vehicles were registered with the County.

Part Three: Section 11.05.A.2 is amended by removing the seventy-two (72) hour parking provision. The remainder of Section 11.05.A.2 is renumbered to reflect the amendment.

At their meeting on February 11, 2019, the Planning, Building and Zoning Committee voted to initiate a text amendment to the Kendall County Zoning Ordinance reflecting this proposal.

Discussion occurred regarding blocking sidewalks and potential increase in the number of unoccupied recreational vehicles in certain parts of the County.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.

Petition 19-09 Kendall County Regional Planning Commission – Text Amendment to Section 7.01.C of the Kendall County Zoning Ordinance by Adding Kendall County Sheriff Shooting Range in Oswego Township (Ordinance Would Expire December 31, 2024) to the List of Permitted Uses in the A-1 District, Related Citation Corrections, and Update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to Reflect this Addition
Mr. Asselmeier summarized the request.

At their meeting on February 27, 2019, the Kendall County Regional Planning Commission voted to initiate a text amendment to the Kendall County Zoning Ordinance amending Section 7.01.C by adding Kendall County Sheriff’s Office shooting range to the list of permitted uses in the A-1 Agricultural District in Oswego Township only with an expiration date of December 31, 2024, related citation corrections, and update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to reflect this addition.

Presently, Kendall County Sheriff’s Office shooting ranges are special uses in the A-1, B-2, B-3, B-4, B-6, M-1, M-2, and M-3 Zoning Districts. The County Board may impose restrictions on Kendall County Sheriff’s Office shooting ranges. If
this proposal is approved, Kendall County Sheriff's Office shooting ranges would remain special uses on A-1 zoned properties in all of the townships except Oswego Township.

Similarly, outdoor target practice and shooting ranges are special uses with conditions in the A-1 and M-3 Zoning Districts.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.

Dear Mr. Rybski,

Thank you again for the opportunity to provide the information about the manure management. When I first bought the property and since October of last year we had to dump the daily waste in a pile and then transfer to the garbage which were 8 yards and I had 3 of them that were picked up 4 days a week, which was costing me approximately $50,000 a year on waste removal which was not a cost I originally had accounted when purchasing the business. Where the garbage containers were I have had built a concrete pad which was grated and sealed with 3 rows of concrete, in late November I am adding a 4th row next two weeks to ensure nothing escapes the enclose. Additionally, I am going to this spring get a fence to make the enclosure look well not like manure and more appealing. This winter I had to figure out the difficult way what to do if the driver for the mushroom farmer was unable to come, so now I have two backups when the mushroom farmer has no room for more waste; most likely during two months of winter January & February. The manure is picked up every 7-8 days depending on the driver’s schedule; The driver Griffin Trucking Larry picks up the manure, and delivers to River Valley Ranch- Eric Rose owner whom has been in business since 1975 in Wisconsin. The backups which I used over the winter are Mark Boyle with MTB green technologies in Somonauk, IL., he has a company that transfers the manure waste into energy. Also my straw farmer Reece has taken it as well to spread on his fields. In regards to how often trucks will be entering the premises it will actually be significantly less than it was with the garbage. The manure is monitored daily; Manure shall be picked up on the more frequent during hot weather to limit odors and insect attraction. Additionally, pickups shall be scheduled more frequently if the pad is fills completely before overflowing. Please do not hesitate with any other questions. I thank you for your time and assistance, and hope this note finds you well.

Best,

Petition 19-08 Daniel, Bruce and Norma VanDeventer and Deborah Hull on Behalf of the Wilbur C. VanDeventer Trust (Current Owner) and Diane and Craig Zimmerman (Prospective Buyer) – Map Amendment Rezoning the Property at the Northeast Side of the T-Intersection Created by Galena Road and Kennedy Road (PIN 02-11-300-007) from A-1 to R-1 in Bristol Township

Mr. Asselmeier summarized the request. Diane and Craig Zimmerman would like to purchase the subject property and construct a single-family home on the property and operate a home-based carpentry business as allowed by the Kendall County Zoning Ordinance. The property lacks a housing allocation. Therefore, a map amendment is required.

The property is approximately fifteen (15) acres in size. Trails are planned along Galena Road and Blackberry Creek, but a rezoning request cannot be conditioned. A sizeable portion of the property is in the floodplain. The adjacent zoning districts around the property are A-1, R-1, and R-3 in the County and business zoning in Yorkville. The future land use map calls for the property to be residential.

EcoCAT Report submitted and consultation was terminated.

The application for NRI was submitted on February 19, 2019. Ms. Andrews reported that they will finish the report the week of March 11th.

Petition information was sent to Bristol Township on February 25, 2019.

Petition information was sent to the Village of Montgomery on February 25, 2019. Mr. Asselmeier noted that the United City of Yorkville was also notified because they own property within the notification area.

Petition information was sent to the Bristol-Kendall Fire Protection District on February 25, 2019.

Any new homes or accessory structures would be required to meet applicable building codes.

The property fronts Galena Road. A variance to the County highway regulations would be required and the County might require additional right-of-way when they do road improvements in the area.

No new odors are foreseen.

Any new lighting would be for residential use only and must be in compliance with the regulations related to home occupations contained in the Zoning Ordinance.

No fencing or buffer is presently planned for the property.

Any new homes constructed in the floodplain would have to secure a stormwater permit.

Electricity is nearby. New well and septic information would have to be evaluated as part of the building permit process.

Mr. Klaas requested a more detailed site plan showing the access point with Galena Road. Mr. Zimmerman will provide the site plan as part of the application for variance to the County’s highway regulations.
Mr. Rybski made a motion, seconded by Mr. Klaas, to recommend approval of the map amendment as requested.

Petition 19-07 Kendall County Planning, Building and Zoning Committee – Text Amendment to Section 11.05A of the Kendall County Zoning Ordinance Pertaining to the Parking and Storage of Unoccupied Recreational Vehicles, Trailers, and Mobile Homes

Mr. Asselmeier summarized the request.

At the January Planning, Building and Zoning Committee meeting, the Committee requested Staff to prepare a proposed text regarding Section 11.05A of the Kendall County Zoning Ordinance pertaining to the parking of recreation vehicles, trailers and mobile homes.

The proposal is divided into three (3) parts:

Part One: Amends Section 11.05A.1.b by allowing the parking of recreational vehicles, trailers and mobile homes in the front and corner yard setbacks in the R-4, R-5, R-6, and R-7 Zoning Districts provided that no sidewalk, trail, or visibility of motorists is blocked. The remainder of Section 11.05.A.1.b is renumbered to reflect the amendment.

Part Two: The requirement that certain recreational vehicles be registered is removed because the proposal renders the registrations moot. Five (5) recreational vehicles were registered with the County.

Part Three: Section 11.05.A.2 is amended by removing the seventy-two (72) hour parking provision. The remainder of Section 11.05.A.2 is renumbered to reflect the amendment.

At their meeting on February 11, 2019, the Planning, Building and Zoning Committee voted to initiate a text amendment to the Kendall County Zoning Ordinance reflecting this proposal.

Discussion occurred regarding blocking sidewalks and potential increase in the number of unoccupied recreational vehicles in certain parts of the County.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.

Petition 19-09 Kendall County Regional Planning Commission – Text Amendment to Section 7.01.C of the Kendall County Zoning Ordinance by Adding Kendall County Sheriff Shooting Range in Oswego Township (Ordinance Would Expire December 31, 2024) to the List of Permitted Uses in the A-1 District, Related Citation Corrections, and Update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to Reflect this Addition

Mr. Asselmeier summarized the request.

At their meeting on February 27, 2019, the Kendall County Regional Planning Commission voted to initiate a text amendment to the Kendall County Zoning Ordinance amending Section 7.01.C by adding Kendall County Sheriff’s Office shooting range to the list of permitted uses in the A-1 Agricultural District in Oswego Township only with an expiration date of December 31, 2024, related citation corrections, and update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to reflect this addition.

Presently, Kendall County Sheriff’s Office shooting ranges are special uses in the A-1, B-2, B-3, B-4, B-6, M-1, M-2, and M-3 Zoning Districts. The County Board may impose restrictions on Kendall County Sheriff’s Office shooting ranges. If
this proposal is approved, Kendall County Sheriff's Office shooting ranges would remain special uses on A-1 zoned properties in all of the townships except Oswego Township.

Similarly, outdoor target practice and shooting ranges are special uses with conditions in the A-1 and M-3 Zoning Districts.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.

REVIEW OF PETITIONS THAT WENT TO COUNTY BOARD
Mr. Asselmeier reported that Petitions 19-04 and 19-05 were approved by the County Board.

OLD BUSINESS/NEW BUSINESS
Mr. Asselmeier reported that a petition for special use permit for a banquet facility on Crimmin Road will likely be submitted on or before the March application deadline.

Mr. Asselmeier reported that the Planning, Building and Zoning Committee is pursuing revocations of special use permits at 43 West Street in Bristol and 14525 Route 71. Neither of the uses appear active.

ACTION SUMMARY
BRISTOL TOWNSHIP
Petition information was sent to Bristol Township on February 25, 2019.

VILLAGE OF MONTGOMERY
Petition information was sent to the Village of Montgomery on February 25, 2019.

UNITIED CITY OF YORKVILLE
Petition information was sent to the United City of Yorkville at the end of February. The subject property is across the street from Yorkville, but is in Montgomery’s planning jurisdiction. Yorkville will be reviewing the proposal during April 2019.

BRISTOL-KENDALL FIRE PROTECTION DISTRICT
Petition information was sent to the Bristol-Kendall Fire Protection District on February 25, 2019.

ZPAC
ZPAC reviewed this petition at their meeting on March 5, 2019. The Kendall County Highway Department requested a site plan showing the location of the proposed driveway for the house. It was noted that a variance would be required to the Kendall County Highway Regulations, if the Petitioner desired more than a right-in, right-out point of ingress/egress. ZPAC unanimously recommended approval of the request. The minutes of this meeting are included as Attachment 10.

GENERAL INFORMATION
The Petitioner desires the map amendment in order to construct one (1) single-family home on the property.

If approved, the Zimmermans would like to run a carpentry business out of the property in accordance with Kendall County’s home occupation regulations.

BUILDING CODES
Any new homes or accessory structures would be required to meet applicable building codes.

ACCESS
The property fronts Galena Road. Staff has no concerns regarding the ability of Galena Road to support the proposed map amendment. A variance to the Kendall County Highway Access Regulation Ordinance will be required, if the Petitioner desired more than a right-in, right-out point of ingress/egress. At their meeting on March 19, 2019, the County Board approved an ordinance granting access onto Galena Road at the subject property. A copy of the ordinance is included as Attachment 11.

ODORS
No new odors are foreseen.

LIGHTING
Any new lighting would be for residential use only and must be in compliance with the regulations related to home occupations contained in the Zoning Ordinance.

SCREENING
No fencing or buffer is presently planned for the property.

STORMWATER
Any new homes constructed in the floodplain would have to secure a stormwater permit.

UTILITIES
Electricity is nearby. New well and septic information would have to be evaluated as part of the building
permit process.

**FINDINGS OF FACT**

Existing uses of property within the general area of the property in question. The surrounding properties are a mix of agricultural, single-family residential, and forest preserve uses.

The zoning classification of property within the general area of the property in question. The surrounding properties in the unincorporated area are zoned A-1, R-1, and R-3. Both the Village of Montgomery and the United City of Yorkville have residentially zoned properties within one half (1/2) mile of the subject property.

The suitability of the property in question for the uses permitted under the existing zoning classification. The property is presently zoned A-1 and can be used for farming. A single-family home cannot be constructed on the property because a residential housing allocation does not exist and because the property is less than forty (40) acres in size.

The trend of development, if any, in the general area of the property in question, including changes, if any, which may have taken place since the day the property in question was in its present zoning classification. The Zoning Board of Appeals shall not recommend the adoption of a proposed amendment unless it finds that the adoption of such an amendment is in the public interest and is not solely for the interest of the applicant. The Zoning Board of Appeals may recommend the adoption of an amendment changing the zoning classification of the property in question to any higher classification than that requested by the applicant. For the purpose of this paragraph the R-1 District shall be considered the highest classification and the M-2 District shall be considered the lowest classification. The trend of development in the area supports residential growth. A residential subdivision inside the Village of Montgomery is located within one half (1/2) mile of the subject property. No uses that would negatively impact residential development are located near the subject property.

Consistency with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. The proposed amendment is consistent with the Future Land Use Map contained in the Land Resource Management Plan which calls for the subject property to be Rural Residential and Suburban Residential. Per the definition of Rural Residential, uses permitted within the R-1 Zoning District are types of Rural Residential uses.

**RECOMMENDATION**

Staff recommends approval of the proposed map amendment.

MINUTES
Ms. Andrews made a motion, seconded by Ms. Briganti, to approve the February 5, 2019, meeting minutes. With a voice vote of all ayes the motion carried unanimously.

PUBLIC COMMENT
Dan Huddleston, President of the Homeowners’ Association of Equestrian Estates at Legacy Farm, expressed his opposition to the proposed increase of the number of horses allowed at 17 Ashe Road. When the development was created, the boarding of horses at the subject property was for residents of the subdivision only. Boarding was opened to non-residents in 2012. He stated that the barn operating as business negatively impacted the property values in the subdivision. The increase in business will result in increased traffic and greater maintenance costs to the roads. He expressed concerns regarding the collection of manure; it is not happening frequently.

Mark Bossong agreed with Mr. Huddleston. Mr. Bossong said that they no longer board their horse at the subject property.

There are six (6) homeowners in the subdivision. The previous owner made it unpleasant for residents to board horses at the barn.

The owner of the barn is a member of the Homeowners’ Association.

No notices of shows have been provided to the Homeowners’ Association. The Homeowners’ Association has not request additional financial assistance for road maintenance. The barn owner pays her fees to the Homeowners’ Association.

Mr. Huddleston would like the insurance paid by barn owner to be increased. He also noted that Ms. Flisk does not own any horses boarded at the property.

Chris Fowler, attorney for the Homeowners’ Association, discussed the cost increases on the Homeowners’ Association.

PETITIONS
Petition 18-24 Dorothy Flisk on Behalf of Skyfall Equestrian, LLC – Major Amendment to a Special Use Permit by Increasing the Number of Horses Allowed Boarded at 17 Ashe Road from 24 to 36 in Little Rock and Bristol Townships
Mr. Asselmeier summarized the request. The property is approximately eight point five (8.5) acres. The existing stable has twenty-six (26) horse stalls. The property has a total of sixteen (16) paddock areas and an “arena” area.

The Petitioner would like to demolish the accessory structures and construct an area for hay and straw and an additional twelve (12) stalls. The new barn will be constructed where the current brown barn is located, using the same footprint. The new barn will be ten feet to twelve feet (10'-12') in height. The new barn will be a prefab construction type. The existing frame shed shall be located to the rear of the paddock area. The Petitioner would also like to construct a lounging arena north of the existing “arena” area.

The Petitioner has a waitlist and would like to expand because of the waitlist. If approved, the Petitioner would like to expand operations in the summer of 2019.

The Petitioner provided an EcoCat from 2005. Since no new building footprints are planned, an update EcoCat was not required.

The Petitioner applied for an NRI in February 2019. Ms. Andrews reported that her office is preparing a letter on the subject.

Revised information was sent to Little Rock Township Revised on February 21, 2019.

Revised information was sent to Bristol Township on February 21, 2019.

The City of Plano had no objections to the proposal.

Revised information was sent to the Bristol-Kendall Fire Protection District on February 21, 2019.

The Little Rock Fox Fire Protection District had no objections to the original proposal.

The Petitioner currently has manure picked up four (4) days per week and has a mushroom farmer collect manure for composting once per week. The manure area is sealed and graded with four (4) concrete blocks across the back and is four (4) rows high and three (3) rows deep. The Petitioner plans to install an opaque fence around the manure area.

Discussion occurred regarding the manure management plan. Mr. Rybski requested additional monitoring of manure. With straw, every stall has to be cleared every day.

Dan Kramer, attorney for the Petitioner, provided a history of the development. Mr. Kramer noted that the Petitioner attempted to meet with the Homeowners’ Association. The Petitioner has no objections to the conditions proposed by County Staff.

Mr. Rybski discussed the manure pickup issues. Mr. Rybski noted that the area should be cleaned at least every seven to eight (7-8) days. Mr. Kramer noted that, in the summer, manure pickups will occur every two to three (2-3) days. Mr. Rybski requested that the manure management plan state the two to three (2-3) day pickup during the warmer months. Discussion occurred regarding the Public Health Nuisance Ordinance. Mr. Kramer will provide a more detailed manure management plan to Mr. Rybski by Noon on March 8, 2019. If an updated plan is not provided, the proposal will not advance to the Regional Planning Commission.

Mr. Guritz made a motion, seconded by Mr. Klaas, to forward the major amendment to the special use permit, provided that the manure management plan is provided to the Kendall County Health Department by Noon on March 8, 2019, and subject to the following conditions to the Kendall County Regional Planning Commission:

1. All of the conditions contained in Ordinance 2012-22, except condition number 1 shall remain in effect.

2. Condition number 1 contained in Ordinance 2012-22 is hereby amended to read, “A maximum of thirty-six (36) horses are allowed to be housed in the stable.”

3. The site shall be developed substantially in accordance with the attached site plan.

4. The owner(s) of the property shall secure applicable building permits prior to the construction of any structures on the property.
5. The owners(s) of the facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.

6. Failure to comply with one or more of the above conditions or restrictions contained in this ordinance and Ordinance 2012-22 could result in the amendment or revocation of the special use permit.

7. If one or more of the conditions contained in this ordinance and Ordinance 2012-22 is declared invalid by a court of competent jurisdiction, the remaining conditions of both ordinances shall remain valid.

Ayes (4): Andrews, Asselmeier, Briganti, and Rybski
Nays (0): None
Present (2): Guritz and Klaas
Absent (4): Chismark, Holdiman, Langston, and Prochaska

The motion passed. The proposal will go to the Kendall County Regional Planning Commission on March 27, 2019, if the manure management plan is submitted as scheduled.

**Petition 19-08 Daniel, Bruce and Norma VanDeventer and Deborah Hull on Behalf of the Wilbur C. VanDeventer Trust (Current Owner) and Diane and Craig Zimmerman (Prospective Buyer) – Map Amendment Rezoning the Property at the Northeast Side of the T-Intersection Created by Galena Road and Kennedy Road (PIN 02-11-300-007) from A-1 to R-1 in Bristol Township**

Mr. Asselmeier summarized the request. Diane and Craig Zimmerman would like to purchase the subject property and construct a single-family home on the property and operate a home-based carpentry business as allowed by the Kendall County Zoning Ordinance. The property lacks a housing allocation. Therefore, a map amendment is required.

The property is approximately fifteen (15) acres in size. Trails are planned along Galena Road and Blackberry Creek, but a rezoning request cannot be conditioned. A sizeable portion of the property is in the floodplain. The adjacent zoning districts around the property are A-1, R-1, and R-3 in the County and business zoning in Yorkville. The future land use map calls for the property to be residential.

EcoCAT Report submitted and consultation was terminated.

The application for NRI was submitted on February 19, 2019. Ms. Andrews reported that they will finish the report the week of March 11th.

Petition information was sent to Bristol Township on February 25, 2019.

Petition information was sent to the Village of Montgomery on February 25, 2019. Mr. Asselmeier noted that the United City of Yorkville was also notified because they own property within the notification area.

Petition information was sent to the Bristol-Kendall Fire Protection District on February 25, 2019.

Any new homes or accessory structures would be required to meet applicable building codes.

The property fronts Galena Road. A variance to the County highway regulations would be required and the County might require additional right-of-way when they do road improvements in the area.

No new odors are foreseen.

Any new lighting would be for residential use only and must be in compliance with the regulations related to home occupations contained in the Zoning Ordinance.

No fencing or buffer is presently planned for the property.

Any new homes constructed in the floodplain would have to secure a stormwater permit.

Electricity is nearby. New well and septic information would have to be evaluated as part of the building permit process.

Mr. Klaas requested a more detailed site plan showing the access point with Galena Road. Mr. Zimmerman will provide the site plan as part of the application for variance to the County’s highway regulations.
Mr. Rybski made a motion, seconded by Mr. Klaas, to recommend approval of the map amendment as requested.

**Petition 19-07 Kendall County Planning, Building and Zoning Committee – Text Amendment to Section 11.05A of the Kendall County Zoning Ordinance Pertaining to the Parking and Storage of Unoccupied Recreational Vehicles, Trailers, and Mobile Homes**

Mr. Asselmeier summarized the request.

At the January Planning, Building and Zoning Committee meeting, the Committee requested Staff to prepare a proposed text regarding Section 11.05A of the Kendall County Zoning Ordinance pertaining to the parking of recreation vehicles, trailers and mobile homes.

The proposal is divided into three (3) parts:

**Part One:** Amends Section 11.05A.1.b by allowing the parking of recreational vehicles, trailers and mobile homes in the front and corner yard setbacks in the R-4, R-5, R-6, and R-7 Zoning Districts provided that no sidewalk, trail, or visibility of motorists is blocked. The remainder of Section 11.05A.1.b is renumbered to reflect the amendment.

**Part Two:** The requirement that certain recreational vehicles be registered is removed because the proposal renders the registrations moot. Five (5) recreational vehicles were registered with the County.

**Part Three:** Section 11.05A.2 is amended by removing the seventy-two (72) hour parking provision. The remainder of Section 11.05A.2 is renumbered to reflect the amendment.

At their meeting on February 11, 2019, the Planning, Building and Zoning Committee voted to initiate a text amendment to the Kendall County Zoning Ordinance reflecting this proposal.

Discussion occurred regarding blocking sidewalks and potential increase in the number of unoccupied recreational vehicles in certain parts of the County.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.

Ayes (6): Andrews, Asselmeier, Briganti, Guritz, Klaas, and Rybski  
Nays (0): None  
Present (0): None  
Absent (4): Chismark, Holdiman, Langston, and Prochaska

Mr. Asselmeier summarized the request.

At their meeting on February 27, 2019, the Kendall County Regional Planning Commission voted to initiate a text amendment to the Kendall County Zoning Ordinance amending Section 7.01.C by adding Kendall County Sheriff’s Office shooting range to the list of permitted uses in the A-1 Agricultural District in Oswego Township only with an expiration date of December 31, 2024, related citation corrections, and update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to reflect this addition.

Presently, Kendall County Sheriff’s Office shooting ranges are special uses in the A-1, B-2, B-3, B-4, B-6, M-1, M-2, and M-3 Zoning Districts. The County Board may impose restrictions on Kendall County Sheriff’s Office shooting ranges. If
this proposal is approved, Kendall County Sheriff's Office shooting ranges would remain special uses on A-1 zoned properties in all of the townships except Oswego Township.

Similarly, outdoor target practice and shooting ranges are special uses with conditions in the A-1 and M-3 Zoning Districts.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.

Mr. Kramer noted that, in the summer, manure pickups will occur every two to three (2-3) days. Mr. Rybski requested that the manure management plan state the two to three (2-3) day pickup during the warmer months. Discussion occurred regarding the Public Health Nuisance Ordinance. Mr. Kramer will provide a more detailed manure management plan to Mr. Rybski by Noon on March 8, 2019. If an updated plan is not provided, the proposal will not advance to the Regional Planning Commission.

Mr. Guritz made a motion, seconded by Mr. Klaas, to forward the major amendment to the special use permit, provided that the manure management plan is provided to the Kendall County Health Department by Noon on March 8, 2019, and subject to the following conditions to the Kendall County Regional Planning Commission:

1. All of the conditions contained in Ordinance 2012-22, except condition number 1 shall remain in effect.

2. Condition number 1 contained in Ordinance 2012-22 is hereby amended to read, “A maximum of thirty-six (36) horses are allowed to be housed in the stable.”

3. The site shall be developed substantially in accordance with the attached site plan.

4. The owner(s) of the property shall secure applicable building permits prior to the construction of any structures on the property.
5. The owners(s) of the facility allowed by this special use permit shall follow all applicable Federal, State, and Local laws related to the operation of this type of business.

6. Failure to comply with one or more of the above conditions or restrictions contained in this ordinance and Ordinance 2012-22 could result in the amendment or revocation of the special use permit.

7. If one or more of the conditions contained in this ordinance and Ordinance 2012-22 is declared invalid by a court of competent jurisdiction, the remaining conditions of both ordinances shall remain valid.

Petition 19-08 Daniel, Bruce and Norma VanDeventer and Deborah Hull on Behalf of the Wilbur C. VanDeventer Trust (Current Owner) and Diane and Craig Zimmerman (Prospective Buyer) – Map Amendment Rezoning the Property at the Northeast Side of the T-Intersection Created by Galena Road and Kennedy Road (PIN 02-11-300-007) from A-1 to R-1 in Bristol Township

Mr. Asselmeier summarized the request. Diane and Craig Zimmerman would like to purchase the subject property and construct a single-family home on the property and operate a home-based carpentry business as allowed by the Kendall County Zoning Ordinance. The property lacks a housing allocation. Therefore, a map amendment is required.

The property is approximately fifteen (15) acres in size. Trails are planned along Galena Road and Blackberry Creek, but a rezoning request cannot be conditioned. A sizeable portion of the property is in the floodplain. The adjacent zoning districts around the property are A-1, R-1, and R-3 in the County and business zoning in Yorkville. The future land use map calls for the property to be residential.

EcoCAT Report submitted and consultation was terminated.

The application for NRI was submitted on February 19, 2019. Ms. Andrews reported that they will finish the report the week of March 11th.

Petition information was sent to Bristol Township on February 25, 2019.

Petition information was sent to the Village of Montgomery on February 25, 2019. Mr. Asselmeier noted that the United City of Yorkville was also notified because they own property within the notification area.

Petition information was sent to the Bristol-Kendall Fire Protection District on February 25, 2019.

Any new homes or accessory structures would be required to meet applicable building codes.

The property fronts Galena Road. A variance to the County highway regulations would be required and the County might require additional right-of-way when they do road improvements in the area.

No new odors are foreseen.

Any new lighting would be for residential use only and must be in compliance with the regulations related to home occupations contained in the Zoning Ordinance.

No fencing or buffer is presently planned for the property.

Any new homes constructed in the floodplain would have to secure a stormwater permit.

Electricity is nearby. New well and septic information would have to be evaluated as part of the building permit process.

Mr. Klaas requested a more detailed site plan showing the access point with Galena Road. Mr. Zimmerman will provide the site plan as part of the application for variance to the County’s highway regulations.
Mr. Rybski made a motion, seconded by Mr. Klaas, to recommend approval of the map amendment as requested.

Petition 19-07 Kendall County Planning, Building and Zoning Committee – Text Amendment to Section 11.05A of the Kendall County Zoning Ordinance Pertaining to the Parking and Storage of Unoccupied Recreational Vehicles, Trailers, and Mobile Homes  
Mr. Asselmeier summarized the request.

At the January Planning, Building and Zoning Committee meeting, the Committee requested Staff to prepare a proposed text regarding Section 11.05A of the Kendall County Zoning Ordinance pertaining to the parking of recreation vehicles, trailers and mobile homes.

The proposal is divided into three (3) parts:

Part One: Amends Section 11.05A.1.b by allowing the parking of recreational vehicles, trailers and mobile homes in the front and corner yard setbacks in the R-4, R-5, R-6, and R-7 Zoning Districts provided that no sidewalk, trail, or visibility of motorists is blocked. The remainder of Section 11.05.A.1.b is renumbered to reflect the amendment.

Part Two: The requirement that certain recreational vehicles be registered is removed because the proposal renders the registrations moot. Five (5) recreational vehicles were registered with the County.

Part Three: Section 11.05.A.2 is amended by removing the seventy-two (72) hour parking provision. The remainder of Section 11.05.A.2 is renumbered to reflect the amendment.

At their meeting on February 11, 2019, the Planning, Building and Zoning Committee voted to initiate a text amendment to the Kendall County Zoning Ordinance reflecting this proposal.

Discussion occurred regarding blocking sidewalks and potential increase in the number of unoccupied recreational vehicles in certain parts of the County.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.

Petition 19-09 Kendall County Regional Planning Commission – Text Amendment to Section 7.01.C of the Kendall County Zoning Ordinance by Adding Kendall County Sheriff Shooting Range in Oswego Township (Ordinance Would Expire December 31, 2024) to the List of Permitted Uses in the A-1 District, Related Citation Corrections, and Update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to Reflect this Addition  
Mr. Asselmeier summarized the request.

At their meeting on February 27, 2019, the Kendall County Regional Planning Commission voted to initiate a text amendment to the Kendall County Zoning Ordinance amending Section 7.01.C by adding Kendall County Sheriff’s Office shooting range to the list of permitted uses in the A-1 Agricultural District in Oswego Township only with an expiration date of December 31, 2024, related citation corrections, and update to Appendix 9-Table of Uses in the Kendall County Zoning Ordinance to reflect this addition.

Presently, Kendall County Sheriff’s Office shooting ranges are special uses in the A-1, B-2, B-3, B-4, B-6, M-1, M-2, and M-3 Zoning Districts. The County Board may impose restrictions on Kendall County Sheriff’s Office shooting ranges. If
this proposal is approved, Kendall County Sheriff's Office shooting ranges would remain special uses on A-1 zoned properties in all of the townships except Oswego Township.

Similarly, outdoor target practice and shooting ranges are special uses with conditions in the A-1 and M-3 Zoning Districts.

Mr. Klaas made a motion, seconded by Mr. Guritz, to recommend approval of the text amendment as requested.
