Section 1: Pursuant to the authority granted by the County Service Occupation Tax Act, as amended, a tax hereby is imposed upon all persons engaged in the business of making sales of service in the County of Kendall outside the corporate limits of any city or village at the rate of one-half of one per cent of the cost price of all tangible personal property transferred by said service men either in the form of tangible personal property or in the form of real estate as an incident to a sale of service on and after the 1st day of January, 1966; provided, however, that all persons engaged in the business of making sale of service in a municipality shall not be subject to the tax herein imposed; and provided further that such tax is not imposed upon the privilege of engaging in any business which under the Constitution of the United States may not be made the subject of taxation by or under authority of the State of Illinois.
