WHEREAS, the Licensor is the owner of certain lands situated in the County of Kendall, Townships of Little Rock and Bristol and State of Illinois described as:

WHEREAS, Licensee desires to use the above-described real estate for farming purposes, and Licensor desires to have the real estate farmed;

WHEREAS, both Licensee and Licensor hereby agree that there are ___7___ tillable acres of suitable land for use by the Licensee; these tillable acres hereinafter referred to as the “Subject Property;”

WHEREAS, the Licensor hereby grants to the Licensee a farm License in exchange for the following goods, services, and considerations, submitted as a use fee for a term of 3 growing seasons, beginning on April 1, 2019, and ending on October 31, 2021 subject to the conditions and limitations hereinafter mentioned.

NOW, THEREFORE, in consideration of the grants, covenants, and conditions of this Agreement, IT IS HEREBY AGREED AS FOLLOWS:

1. The proceeding introductory language is made a part hereof and incorporated herein.

2. Licensee shall pay Licensor $____ per tillable acre per year for the License years, payable no later than August 1st of each License year. Failure to pay by the aforementioned date may be grounds for termination of the License at the sole discretion of Licensor. This License may be extended on an annual basis by agreement of the parties.

3. This Agreement grants only a contractual license to use the Subject Property under the terms and conditions stated herein. Further, the rights granted by Kendall County herein shall vest only in Licensee and no such rights shall vest in any of Licensee’s employees, agents, subcontractors or partners, if any. Nothing in this Agreement shall be construed to convey to Licensee any legal or equitable interest or estate in the Subject Property.

4. The Licensor agrees that the Licensee may, without further license on the part of the Licensor, use the Subject Property for the specific purpose of planting and harvesting the cover crop specified herein. Cover crop shall be a grass/alfalfa mix.

In the event the Subject Property should be assessed and taxed pursuant to the process outlined in the Illinois Property Tax Code (35 ILCS 200/1-1, et seq.), it shall be the obligation of the Licensee to pay such taxes as are incurred during the term of this License. At the termination of this Agreement, Licensee shall pay tax incurred during the term of this License, though not yet due and owing. Where taxes have yet to be determined, Licensee shall pay the estimated taxes based on 100% of the previous year’s taxes. Any such taxes shall be prorated as needed.

7. The Licensee has inspected the subject property prior to signing this Agreement and accepts the conditions of the Subject Property “as is.”

9. Pesticide Use

A. Licensee shall, and shall cause all other persons working on the Subject Property, to follow all label instructions of any pesticides used on the Subject Property. Upon signing this Agreement, Licensee shall supply Licensor with a copy of a valid State of Illinois pesticide applicator’s license for each person who will be applying pesticide on the Subject Property during the term of this Agreement. If any such licenses expire during the term of this Agreement, Licensee shall be responsible for obtaining a renewal or new license to replace such an expired license and shall promptly provide Licensor with a copy thereof.

B. No pesticides shall be stored on the Subject Property unless they are in original, labeled containers, and then only during the period during which such pesticide is applied, which shall not exceed ten (10) days.

C. Licensee is responsible, at the Licensee’s sole expense, to repair any damage done to native vegetation due to pesticide drift and to repair rutting caused by farm equipment in non-tilled areas owned by the Licensor.

D. Licensee’s duty to indemnify as found in Section 14 below shall extend to any claims that may arise out of Licensee’s application of pesticides on the Subject Property.

10. 11. The Licensee agrees to take care of the Subject Property, not to alter or change the physical landscape of the Subject Property, and to farm in a careful and prudent manner.

12. Licensor reserves the right to enter upon said land to inspect, make improvements thereon, and for any and all lawful purposes arising from the ownership of the land.
13. The Licensee agrees that this License is purely a personal license to use the Subject Property for farming purposes. To the extent permitted by law, the Licensor may terminate this Agreement at any time and for any reason by giving thirty (30) days notice in writing to that effect to the Licensee. In the event of any termination, Licensor shall pay the Licensee for planted but unharvested crops on the Subject Property on the basis of average county yield and unit price, based on available County data. Fertilizer and pesticide costs for planted but unharvested crops on the Subject Property shall be reimbursed, provided that the Licensee provides fertilizer and pesticide receipts for these costs. Other than amount for planted but unharvested crops, fertilizer and pesticide costs, as provided in this section, Licensee hereby waives its rights to request or seek any other amount from Licensor in the event the License granted herein is terminated.

14. Insurance & Liability

Licensee shall procure and maintain for the duration of this Agreement insurance against claims for injuries to persons or damages to property which may arise from or in connection with the Licensee’s operation and use of the Subject Property. The cost of such insurance shall be borne by the Licensee. Minimum scope and limit of insurance coverage shall be at least as broad as:

i. Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than $2,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

ii. Workers’ Compensation insurance as required by the State of Illinois, with Statutory Limits, and Employer’s Liability Insurance with limits of no less than $1,000,000 per accident for bodily injury or disease. (This applies to a Licensee with employees).

Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to Licensor. The insurance required under this Agreement does not represent that coverage and limits will necessarily be adequate to protect Licensee, nor be deemed as a limitation on Licensee’s liability to Licensor in this Agreement.

C. Other Insurance Provisions:
The insurance policies are to contain, or be endorsed to contain, the following provisions:
i. Additional Insured Status. Licensor, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Licensee including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Licensee’s insurance (at least as broad as ISO Form CG 20 10).

ii. Primary Coverage. For any claims related to this contract, the Licensee’s insurance coverage shall be primary insurance coverage at least as broad as ISO CG 20 01 04 13 as respects the Licensor, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the Licensor, its officers, officials, employees, or volunteers shall be excess of the Licensee’s insurance and shall not contribute with it.

iii. Notice of Cancellation. Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the Licensor.

iv. Waiver of Subrogation. Licensee hereby grants to Licensor a waiver of any right to subrogation which any insurer of said Licensee may acquire against the Licensor by virtue of the payment of any loss under such insurance. Licensee agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the Licensor has received a waiver of subrogation endorsement from the insurer.

v. Acceptability of Insurers. Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best’s rating of no less than A: VII, unless otherwise acceptable to the Licensor.

vi. Self-Insured Retentions. Self-insured retentions must be declared to and approved by the Licensor. At the option of the Licensor, either: the Licensee shall obtain coverage to reduce or eliminate such self-insured retentions as respects the Licensor, its officers, officials, employees, and volunteers; or the Licensee shall provide a financial guarantee satisfactory to the Licensor guaranteeing payment of losses and related investigations, claim administration, and defense expenses. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or Licensor.

D. Licensee shall furnish the Licensor with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to Licensor before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the Licensee’s obligation to provide them. The Licensor reserves the right to require complete, certified copies of all required insurance policies, including endorsements, required by these specifications, at any time.
E. Special Risks or Circumstances. Licensor reserves the right to modify these requirements at any time, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

F. Licensee shall indemnify, hold harmless and defend with counsel of Licensor’s own choosing, Licensor, its past, present and future elected officials, department heads, employees, insurers, and agents (hereinafter collectively referred to as “Releasees”) from and against all liability, claims, suits, causes of action, demands, proceedings, set-offs, liens, attachments, debts, expenses, judgments, or other liabilities including costs, reasonable fees and expense of defense, arising from any loss, damage, injury, death, or loss or damage to property, of whatsoever kind or nature as well as for any breach of any covenant in this Agreement and any breach by Licensee of any representations or warranties made within the contract documents (collectively, the “Claims”), to the extent such Claims result from the performance of this contract by Licensee or those Claims are due to any act or omission, neglect, willful acts, errors, omissions or misconduct of Licensee in its performance under this Agreement.

Nothing contained herein shall be construed as prohibiting Releasees from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. Pursuant to 55 ILCS 5/3-9005, no attorney may be assigned to represent the Releasees pursuant to this Section of the Contract unless the attorney has been approved in writing by the Kendall County State’s Attorney. Releasees’ participation in its defense shall not remove Licensee’s duty to indemnify, defend, and hold Releasees harmless, as set forth above. Releasees do not waive their defenses or immunities under the Local Government and Governmental Employees Tort Immunity Act (745 ILCS 10/1 et seq.) by reason of this indemnification provision. Indemnification shall survive the termination of this Agreement.

15. Licensee’s obligations under this Agreement may not be assigned or transferred to any other person, firm, or corporation without Licensor’s consent. Any attempt to assign or so transfer without consent shall be void and without legal effect and shall constitute grounds for termination.

16. It is understood and agreed that Licensee is an independent contractor and is not an employee of, partner of, agent of, or in a joint venture with Licensor. Licensee understands and agrees that Licensee is solely responsible for paying all wages, benefits and any other compensation due and owing to Licensee’s officers, employees, and agents for the performance of services set forth in the Agreement. Licensee further understands and agrees that Licensee is solely responsible for making all required payroll deductions and other tax and wage withholdings pursuant to state and federal law for Licensee’s officers, employees and/or agents who perform services as set forth in the Agreement. Licensee also acknowledges its obligation to obtain appropriate insurance coverage for the benefit of Licensee, Licensee’s officers, employees and agents and agrees that Licensor is not responsible for providing any insurance coverage for the benefit of Licensee, Licensee’s officers, employees and agents. Licensee hereby agrees to defend with counsel of Licensor’s own choosing, indemnify and waive any right to recover alleged damages, penalties, interest, fees (including attorneys’ fees), and/or costs from Licensor, its board members, officials, employees, insurers, and agents for any alleged injuries that
Licensee, its officers, employees and/or agents may sustain while performing services under the Agreement.

17. Licensee shall, and without any charge to Kendall County, keep the subject property free of any and all liens against the Subject Property in favor of any person whatsoever for or by reason of any equipment, material, supplies or other item furnished, labor performed or other thing done in connection with Licensee's use or occupancy of the subject property (a "Lien"). If the subject property becomes encumbered with any Lien, Licensor may, at Licensor's option, terminate this Agreement or direct Licensee to remove any such lien from the subject property. Licensee shall remove such Lien promptly and, in any event, not later than five (5) days after being directed to do so in writing by Licensor. APPROVAL OF MINUTES – Motion made by Member Gilmour, second by Member Prochaska to approve the March 4, 2019 minutes. **With four members voting aye, the minutes were approved by a 4-0 vote.**

DEPARTMENT HEAD AND ELECTED OFFICIAL REPORTS

Administration Department – Ms. Johnson reviewed the February Worker’s Compensation and Open Claims Report. February produced 4 new claims. Member Flowers asked about a reopened claim. Ms. Johnson indicated that the Forest Preserve reopened claim was a re-injury. Ms. Page indicated that the Sheriff’s reopened claim was because the employee retained an attorney.

Member Prochaska had a question about the Forest Preserve and deductibles. He said there was discussion in the past when we moved to the $250,000 deductible that the Forest Preserve could not afford it. The consensus at the time was that the County would pay anything over $125,000 which was the original deductible amount. Member Gilmour did not recall this discussion. Ms. Johnson would research previous minutes.

Member Gilmour asked about insurance for the dental equipment at the Health Department, specifically liability insurance. Ms. Johnson indicated that she would inquire about this with Alliant Mesirow the County’s insurance broker.
Member Flowers asked about improvements for Worker’s Compensation. Ms. Johnson indicated that the broker has met with administrative staff and will be meeting with other Departments to review programs for implementation. The plan is then to return to the Committee with a status update. Ms. Flowers asked about a $500,000 liability claim from 2014. Ms. Johnson said she would let the Committee know the details of the case, because it is older and she is new she was not clear on the details.

PUBLIC COMMENT - None

COMMITTEE BUSINESS

➢ Discussion and Approval of Amendment to Kencom Agreement for Technology Services – Mr. Kinsey explained that Kencom in conjunction with Grundy County received a grant for a new phone system. This amendment to the existing Agreement would be to provide additional IT support for the new system. Two IT employees currently support Kencom 50% of each their salary packages would be $93,455.15. In the interest of using a rounded number $90,000 was inserted. This would almost double the base amount of the current agreement. The 3% annual increase would still remain in the agreement. This would also allow the two IT employees to receive additional certification and training on the phone system. Mr. Kinsey also indicated the additional funds received would be used for a paid IT internship and to give the two employees a small increase. Member Gilmour indicated that she would like to see the actual amount calculated used in the agreement and that the details undergo legal review. Motion made by Member Vickers second by Member Prochaska to approve the agreement pending legal review. **With four members voting aye, the Amendment to Kencom Agreement was approved by a 4-0 vote pending legal review.**

➢ Discussion of County Board Rules of Order- Ms. Johnson indicated that the proposed Rules of Order was sent for legal review. Changes were made based on recommendations from the State’s Attorney’s Office. Member Prochaska explained that the language was taken from another County. He asked that the word ‘actually’ be removed on page 18 regarding the public comment section. Member Vickers thought ‘actually’ clarifies things. After discussion it was decided to leave ‘actually’ in. Member Prochaska also brought up the idea of allowing people to yield their time to others. Member Gilmour stated that it should not be addressed and should be at the Chair’s discretion. Member Vickers said she has seen it done various ways with other taxing bodies. Sometimes the time is limited to only the person speaking, other times when arranged beforehand individuals are allowed to yield the floor. The consensus was to leave it at the discretion of the Chair. Member Prochaska also wanted to add that the one-hour period should be per comment period. There was consensus to add ‘per comment period’ after ‘shall not exceed an hour’ on page 18 section E. Finally, Member Gilmour had some changes to page 19 under Special Committee Reports, Add Juvenile Justice Committee. Remove Public Building Commission and add Other State Associations/Organizations to UCCI Committee. **There was consensus to forward the County Board Rules of Order to the County Board**
Discussion and approval of Employment Application – Ms. Johnson explained that the document was forwarded to the State’s Attorney’s office with the questions the committee had about leaving some items in the application. The State’s Attorney’s office is suggesting the questions referring to driver’s license information and criminal record remain off of the application. Other changes the Committee asked for like changes to references and asking about where they heard about the job posting will remain on the application. Member Flowers asked about providing more space for candidate job history. Ms. Johnson explained that candidates were encouraged to attach their resume and cover letter. Motion made by Member Gilmour second by Member Prochaska. **With four members voting aye, the updated Employment Application was approved 4-0 and will be forwarded to the County Board for approval.**

Discussion of Monthly Meeting Dates and Times – Chair Flowers indicated that she would like to move one of the meeting times to during the day, specifically 8am so someone from the State’s Attorney’s Office could attend. Many items have to be revisited several times at multiple meetings because they have to undergo legal review. Member Vickers said she could make an 8am meeting work. Member Prochaska was interested in Member Gryder’s availability. Member Gilmour was amendable to the change. Member Gilmour asked which of the two meetings would be moved. The insurance contractor typically comes to the first meeting of the month. Chair Flowers suggested in light of the outside contractors’ schedules that the first meeting of the month on Monday remain at 5:30pm and the second meeting of the month on Wednesday be moved to 8:00am, however the committee will review this next month to check with staff and Member Gryder’s schedule. **Consensus was made to change the time of the meeting held on the third Wednesday from 5:30pm to 8:00am pending staff and full committee input at the April 1 meeting.**

**EXECUTIVE SESSION** – Not needed

**ITEMS FOR COMMITTEE OF THE WHOLE** – None

**ACTION ITEMS FOR COUNTY BOARD**

- Approval of County Board Rules of Order
- Approval of Kendall County Employment Application

**ADJOURNMENT** – Member Prochaska made a motion to adjourn the meeting, second by Member Vickers. **With four members voting aye, the meeting was adjourned at 6:21 p.m.**

IX. RULES OF THE BOARD

A. Any question so put unless a Statute provides otherwise, shall be considered adopted if such question receives a majority favorable vote of all those who vote on the issue. Any person excused by the County Board Chairman from voting will be considered, for the purpose of that vote, to not have voted either affirmatively or negatively and
the abstention shall be treated as if a vacancy had occurred in office of such person.

On Zoning matters, any motion to reclassify property must receive a majority of voting members’ votes, not a majority of the County Board which unfairly causes abstaining members’ votes to count as a “no” vote. In the event an official objection has been filed with the County Clerk as prescribed by State Statutes, the reclassification shall not be passed except by a favorable vote of 3/4 of all members of the County Board (8 votes).

Map and text amendments shall require a simple majority of the elected County Board members. For purposes of cases where a formal protest has been filed, the rules should state that a favorable vote of 3/4 of the members holding office is required.

B. No motion shall be debated or put unless seconded. When seconded, it shall be stated by the Chairman before being debated.

C. A motion to adjourn shall always be in order and shall be decided without debate.

D. No member shall absent himself before the formal closing of the day’s session, unless excused by the County Board Chairman.

E. After a motion is stated by the County Board Chairman or read by the Clerk, it shall be considered to be in possession of the Board, but may be withdrawn by the mover on consent of the second at any time previous to a decision or amendment thereon.

F. The Clerk shall call the names of the members of the Board when calling the roll, or polling a vote, in a rotating alphabetical order of members.

G. The County Board Chairman shall have the right to call for a vote by voice vote, or by leave to adopt a previous roll call vote, in all cases, unless there is an objection by one member, in which case a roll call vote shall be taken. The minutes shall reflect the results of each roll call.

H. All monetary expenditures require a roll call vote. (Amended 11/18/2008)

I. No alteration or amendment shall be made in any rules of the County Board without the consent of two-thirds of the members thereof. The rule may be suspended in any particular case by vote of two-thirds of the members present.

J. All questions not covered by these Rules of Order shall be decided by Roberts Rules of Order, Revised.

K. The County Board Chairman shall vote on all motions, ordinances, amendments thereto, or other matters coming before the Board.

Committee: Law Justice and Legislation
Meeting Date: 02-11-2019
Amount: $7,871.42
Budget: County Board Dues and Memberships 101-2-032-6203

Issue: Kendall County is a member of ISACo. A letter from ISACo with the total amount for the 2019 dues was sent to LJL because the amount is higher than the budget for Dues and memberships.

Background and Discussion:
ISACo Dues Structure
1. Base membership - $300. + $.006 per resident
2. Cook and Collar Counties Caucus - $25 per 1,000 residents
3. Large County Caucus - $35 per 1,000 Residents

Base ISACo Membership $ 988.42
Cook and Collar Caucus $ 2,868.40
Large County Caucus $ 4,015.76
Total $ 7,872.58

In 2018, Kendall County did not pay the ~$4,000 for the large counties caucus.

Committee Action:
Motion by Member Hendrix, second by Member Prochaska to forward to the County Board for approval to pay the ISACo Membership dues out of the contingency line item of the budget. All Members voted aye.

Staff Recommendation:
Staff recommends approval. Illinois needs a strong County Organization with a presence in Springfield. ISACo provides legislative information and lobbies on behalf of all counties.

Dear Chairman Gryder,

Thank you for Kendall County’s membership in the Illinois State Association of Counties (ISACo) during 2018. This letter is intended to request your continued membership and support in 2019.

As a newly-formed organization, I’m pleased to report that ISACo has made substantial progress over the last few months to lay the foundation for the dynamic and influential organization we are becoming. Since the end of October 2018, ISACo has:

- retained the services of an executive director and administrative assistant
- opened and furnished an office in Springfield just blocks from the Statehouse
- launched a website (www.isacoll.org)
- provided legislative representation for counties during the 2018 fall Veto Session
- convened two meetings of the Board of Directors and elected officers for 2019-2020
- adopted formal legislative statements to guide our advocacy efforts
- published a report identifying new laws enacted in 2018 of interest to counties
- received Board approval for the creation of a Legislative Committee
- adopted a protocol for reviewing and determining positions on legislation of interest to counties

We are excited about the progress made in a short period of time and are ready to build on this success in 2019 with aggressive legislative advocacy, greater membership input on issues that matter and educational opportunities for county officials and their staffs. Your continued membership and investment in our success and growth is necessary to make all of this possible.

Mr. Kramer also reviewed the proposed payment of $193,540.58 for the Lakewood Springs Real Estate Tax Settlement that if approved by the County Board would be applied as follows:

| Taxes       | $-82,210.92 |
Penalty: $39,816.20

Balance: $60,711.46 (to be paid toward Forfeiture Interest)

This settlement would include the County agreeing to wave $428,603.50 of the forfeiture interest.

NEW BUSINESS - None

PUBLIC COMMENT – Amaal Tokars, Kendall County Health Department Executive Director, asked for the status and timeline for completion of the proposed Dental Clinic construction project. Dr. Tokars stated that the original work order for the Dental Clinic project was submitted two years ago. Facilities Management Committee Chair Matt Kellogg, reiterated to Dr. Tokars the construction project process and instructions that were given to her at the January 10, 2019 Facilities meeting. Member Kellogg stated that simply submitting a work order to Facilities Management did not fulfill the lease requirement between the Health Department and the County. Member Kellogg again emphasized that the lease agreement clearly stated that any requests for structural modifications to the County-owned facility must be submitted in writing to the County Board.

Discussion on the process for submission of structural changes to the facility, and the approved KCFM project charts that were sent to all Department Heads and Elected Officials on December 4, 2017 by Mr. Smiley.

Member Kellogg said that Dr. Tokars has yet to send a written letter to the County Board, and therefore, there is no project plan, timeline or additional information available on the project until the Health Department complies with the Lease Agreement requirement.
