Member Gilmour seconded the motion. Chairman Shaw asked for a roll call vote on the motion. All members present voting aye. Motion carried.

ORDINANCE NUMBER 2015 - 15
GRANTING A B-3 SPECIAL USE AT
81 BOULDER HILL PASS, MONTGOMERY
TO OPERATE A PLACE OF WORSHIP

WHEREAS, Rhonda Miller of Strong Tower of Refuge Ministries has filed a petition for a Special Use for a Place of Worship for a property located at 81 Boulder Hill Pass in the Boulder Hill Marketplace Shopping Center, (PIN # 03-05-401-003), in Oswego Township. The Place of Worship will occupy approximately 4,800 square feet in the end unit nearest to Boulder Hill Pass; and

WHEREAS, said property is currently zoned B-3 Highway Business; and

WHEREAS, said petition is to obtain a B-3 Special Use Permit to operate a Place of Worship for the Strong Tower of Refuge Ministries. This ministry is geared towards outreach, where they will be having services several days a week and providing workshops to help those in the community with various needs. Services will include Bible study, worship services, and other events; and

WHEREAS, said property is legally described as:

That portion of Section 5, Township 37 North, Range 8 East of the Third Principal Meridian, described as follows:

Commencing at the most Westerly corner of Boulder Hill, Kendall County, Illinois, Unit 1, said point being the point of intersection of the center line of Illinois State Highway No. 25 with the Southwesterly line of Boulder Hill Pass extended Northwesterly; thence S. 49’ 13” 28’’ E. along said Southwesterly line 197.50 feet to a point of curvature; thence continuing along said Southwesterly line, being along a curve to the right, having a radius of 3171.60 feet, an arc distance of 52.50 feet to the point of beginning; thence continuing along said curve being along said Southwesterly line, an arc distance of 509.69 feet to a point of compound curvature thence continuing along said Southwesterly line, being along a curve to the right, having a radius of 731.25 feet, an arc distance of 182.71 feet to a point lying 200.72 feet Northwesterly of the Northeast corner of Boulder Hill, Kendall County, Illinois, Unit 9, (as measured along the last described curb); thence S. 64° 31’ 02”
W. 553.54 feet to a point lying 25 feet Northerly of the Northerly line of Hillstone Road (as measured at right angles thereto); thence S. 07° 23’ 49” E. to said Northerly line; thence S. 82° 36’ 11” W. along said Northerly line 75.00 feet to the Northwest corner of said Unit 9; thence N. 84° 57’ 25” W. 119.46 feet to the Easterly line of the Burlington Northern Railroad right-of-way; thence Northerly along said Easterly line being along a curve to the left, having a radius of 1050.48 feet, an arc distance of 453.80 feet; thence N. 42° 36’ 23” E. 201.40 feet to a point lying 250 feet Southeasterly of the center line of Illinois State Highway No 25 (as measured at right angles thereto);

thence N. 40° 36’ 32” E. 249.56 feet to the point of beginning and containing 7.818 acres in Oswego Township, Kendall County, Illinois.

WHEREAS, all procedures required by the Kendall County Zoning Ordinance were followed including notice for public hearing, preparation of the findings of fact in accordance with Section 13.8.J of the Zoning Ordinance, including a recommendation for approval by the Special Use Hearing Officer on July 27, 2015; and

WHEREAS, the findings of fact were approved by the Special Use Hearing Officer as follows:
That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. We believe the presence of Strong Tower of Refuge Ministries would help improve the public health, safety, comfort and general welfare of the Boulder Hill area.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. Drawing more visitors to the shopping center will likely enhance traffic to other businesses like the nearby restaurant. The large existing parking lot should be able to handle increased use generated by Strong Tower Ministries operation. An occupied shopping center is typically better maintained, and generally enhances property values in the area.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. This is an existing shopping/professional center therefore all these considerations are already in place.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Hearing Officer. The proposed use will comply with all County regulations.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. This special use permit will be consistent with the uses in the strip center.

WHEREAS, the Kendall County Regional Planning Commission reviewed the request on July 22, 2015 and also recommended approval by a 6-0 vote; and

WHEREAS, the Kendall County Board has considered the findings and recommendation of the Hearing Officer and finds that said petition is in conformance with the provisions and intent of the Kendall County Zoning Ordinance; and

NOW, THEREFORE, BE IT ORDAINED, that the Kendall County Board hereby grants approval of a special use zoning permit to operate a place of worship in accordance to the submitted Description included as “Exhibit A” and incorporated herein subject to the following conditions:

I. This special use is granted for Strong Tower of Refuge Ministries only and shall run with the tenant. Any new Place of Worship will be required to seek a new special use approval.

Failure to comply with the terms of this ordinance may be cited as a basis for amending or revoking this special use permit.

IN WITNESS OF, this ordinance has been enacted on August 18, 2015.

Petition 15-12: Dan Koukol

Member Gryder made a motion to approve petition 15-12 by Dan Koukol for a Major Amendment to a special use to allow outdoor display in front yard with 10 foot setback from the right of way. Member Wehrli seconded the motion. Chairman Shaw asked for a roll call vote on the motion. All members present voting aye except Koukol who abstained. Motion carried.

ORDINANCE NUMBER 2015 - 16
GRANTING A MAJOR AMMENDMENT TO AN A-1 SPECIAL USE AT
3485 ROUTE 126, OSWEGO
TO REDUCE THE REQUIRED SETBACK FOR SALES DISPLAY OF FARM AND LAWN EQUIPMENT

WHEREAS, Daniel Philip Koukol has filed a petition for a Major Amendment to an existing Special Use for a property located at 3485 Route 126 in Oswego, (PIN # 06-16-100-002 (south 18.6 acres) - partial, and 06-09-300-002 (north 80 acres) - partial), in Oswego Township; and
Whereas, Ordinance 97-06 granted an A-1 Special Use for a farm equipment sales and service business to Phillip, Betty & Dan Koukol; and

Whereas, the farm equipment business is commonly known as DK Trailer and Tractor; and

Whereas, said petition is to modify condition 3 in Ordinance 97-06 to reduce the setback from the Route 126 right-of-way for current sales display from 40 feet to 10 feet; and

Whereas, said property is legally described as:

That part of the Southwest Corner of Section 9 and that part of the Northwest Quarter of Section 16, Township 36 North, Range 8 East of the Third Principal Meridian described as follows: Beginning at the Northeast Corner of said Northwest Quarter; thence South 01° 40’ 39” East, along the East Line of said Northwest Quarter, 466.05 feet to the centerline of Illinois State Route No. 126; thence South 80° 28’31” West along said centerline, 320.0 feet; thence North 01° 40’ 39” West, parallel with said East Line, 708.83 feet; thence Easterly to a point on the East line South west 1⁄4 Section 9, point lying 199.09 feet North of the Point of Beginning, thence South 01° 36’40” East, along said East Line, 199.09 feet to the point of beginning in Na-Au-Say Township, Kendall County, Illinois and containing 5.00 acres.

Whereas, all procedures required by the Kendall County Zoning Ordinance were followed including notice for public hearing, preparation of the findings of fact in accordance with Section 13.8.J of the Zoning Ordinance, including a recommendation for approval by the Special Use Hearing Officer on July 27, 2015; and

Whereas, the findings of fact were approved by the Special Use Hearing Officer as follows:

That the establishment, maintenance, or operation of the special use will not be detrimental to or endanger the public health, safety, morals, comfort, or general welfare. A fence currently exists along the property line. Allowing the outdoor sales display to be within 10’ of the right-of-way would be consistent with other permitted businesses in the County, and

would still provide for appropriate visibility along the drive-way.

That the special use will not be substantially injurious to the use and enjoyment of other property in the immediate vicinity for the purposes already permitted, nor substantially diminish and impair property values within the neighborhood. The Zoning classification of property within the general area of the property in question shall be considered in determining consistency with this standard. The proposed use shall make adequate provisions for appropriate buffers, landscaping, fencing, lighting, building materials, open space and other improvements necessary to insure that the proposed use does not adversely impact adjacent uses and is compatible with the surrounding area and/or the County as a whole. Per the applicant, the setback for outdoor display was imposed original to provide separation from a planned home on the south side of Route 126. However, plans for that have since been dropped. A reduced setback should have no impact on adjacent agricultural uses or the adjacent ServPro of Kendall County restoration business.

That adequate utilities, access roads and points of ingress and egress, drainage, and/or other necessary facilities have been or are being provided. A gravel pad is already in place to accommodate the proposed outdoor display. All other facilities are already in place.

That the special use shall in all other respects conform to the applicable regulations of the district in which it is located, except as such regulations may in each instance be modified by the County Board pursuant to the recommendation of the Hearing Officer. All other provisions of Ordinance 97-06 approving this Special Use shall remain in effect, as well as all other provisions of the Agricultural District unless modified in Ord. 97-06 or in this amendment to that ordinance.

That the special use is consistent with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. Since the Special Use is already in place, this criterion is not relevant to the amendment.

Whereas, the Kendall County Regional Planning Commission reviewed the request on July 22, 2015 and also recommended approval by a 6-0 vote; and

Whereas, the Kendall County Board has considered the findings and recommendation of the Hearing Officer and finds that said petition is in conformance with the provisions and intent of the Kendall County Zoning Ordinance; and
NOW, THEREFORE, BE IT ORDAINED, that the Kendall County Board hereby grants approval of a Major Amendment to Special Use Ordinance 97-06 (included as “Exhibit A” to reduce the minimum setback for current sales display (farm and landscape equipment, trailers, etc.) from forty feet (40’) contained in the original Special Use Permit to ten feet (10’), subject to the following conditions:

1. This Major Amendment to Special Use 97-06 is granted for DK Trailer and Tractor only and shall run with the tenant. Any new business will be required to seek a new special use approval per the provisions of Ordinance 97-06, which states that the Special Use Permit shall not be transferred beyond the current owner.

2. The minimum 10 foot setback shall be measured from the right-of-way of Route 126. Should additional right-of-way be needed in the future, the location of the outdoor displays shall be adjusted to maintain a minimum 10 foot setback from the new right-of-way.

3. All conditions contained in the original Special Use Ordinance 97-06 still apply except for the reduction to a 10’ setback for current sales display.

Failure to comply with the terms of this ordinance may be cited as a basis for amending or revoking this special use permit.

IN WITNESS OF, this ordinance has been enacted on August 18, 2015.
