There was consensus by the committee to take the funding for Part 1 of the Healy, Bender & Associates, Inc. Proposal from the $25,000 budgeted in the Capital Improvement fund for the County Office Building (Fund 40), if the item is passed by the County Board.

Member Davidson also reported that Facilities Management hopes to have the RFP for the Public Safety Center air conditioners posted in early August. They hope to purchase the air conditioners this Fiscal year, and install them in the winter months.

Legislation Updates: Member Prochaska presented three memos from the United Counties Council of Illinois interpreting the changing of budget legislation from the recently passed budget and revenue bills. Member Prochaska reported that the biggest changes that impact the County:

1. Local Government Distributive Fund is being cut by approximately ten-percent, and disbursed in fourteen payments for FY2018 at the reduced percentage
2. A two-percent administration fee charged to our County Transportation Sales Tax (used for Highway Projects) and County Public Safety Sales Tax (used for Bonds, Capital Projects, and Operations)
3. The possibility to implement a Tier-3 IMRF benefit
4. SB 42 Downstate Transportation Act (Kendall Area Transit funding) reduced by ten percent. Ms. Caldwell reported that the County is simply a pass-through for those funds.

Member Prochaska will continue to update the committee as needed.

**Items of Business**

- Refunding of the County’s General Obligation (Alternate Revenue Source) Bonds, Series 2007B and 2009 – Anthony Miceli of Speer Financial provided updates, and reported that the County now has opportunity to refinance the General Obligation Refunding Bonds, series 2009 and 2007B bonds.

  Discussion on the savings for each series over a nine-year period, estimated Present Value Savings, the percentage of PV Savings, and the average coupon rates for the 2009 series of 4.12, and on the 2007B series of 5.12, and the estimated total PSST Debt Service for each year.

  The committee asked Mr. Miceli to provide examples of 5-year and 10-year extension of debt service numbers for discussion at the July 27, 2017 committee meeting.

- FY18 Budget – Latreese Caldwell provided a Budget Deficit history for the committee with the Deficit as was Budgeted, the Deficit as was Audited, and the Deficit Cash Basis amounts shown for the past six years. Ms. Caldwell stated that the report, based on the last three fiscal years, indicates that the County has begun to run a structural deficit in its budget, which will require substantial changes to pull out from this deficit.

**Operations Report** – Ms. Pawson updated the committee on the potential of acquiring used radios from the Sheriff’s Office for use. One radio would remain at the base office, and the warden or staff out in the field would have a radio, that would allow personnel to communicate with the main office when they arrive and depart calls. Ms. Pawson stated that there is a additional panic button on the radio that would channel to KenCom if utilized. Ms. Pawson hopes that there will be no cost for the used Sheriff’s Office radios, but will keep the committee updated.

Scott Koeppel stated that any emergency issues could be added to the COW meeting agenda, or to the County Board agenda. Mr. Koeppel also stated that more information and reports could be added to the Animal Control webpage on a monthly basis.
