EXHIBIT A

KENDALL COUNTY BOARD FINANCIAL POLICY
General Fund - Fund Balance Reserve Policy

Purpose

The Kendall County Board desires to maintain a prudent level of financial resources to fund current and future operations and capital needs as well as annual cash flow requirements. This policy is intended to establish the appropriate level of unrestricted Fund Balance Reserve for the General Fund and the method to calculate the Fund Balance Reserve. This policy is also intended to document the procedure the County Board will follow in order to maintain the approved level of unrestricted Fund Balance Reserve.

Appropriate Level of Unrestricted Fund Balance Reserve for General Fund

The Kendall County Board has established that the appropriate level of unrestricted Fund Balance Reserve for the General Fund (Fund Number 10) shall be sufficient to cover between six (6) months and seven (7) months of a fiscal year’s annual appropriated expenditures including expenses for operations and transfers-out of the General Fund to debt service funds, capital funds, and reserve funds.

Procedure to Maintain Appropriate Level of Unrestricted Fund Balance Reserve for General Fund

During the annual budget appropriation process between June and November, the projected ending unrestricted Fund Balance Reserve for the General Fund for the next fiscal year will be calculated using revenue and expenditure projections for the next fiscal year. If the projected unrestricted Fund Balance Reserve is not sufficient to cover six (6) months or 50% of the projected fiscal year budget appropriated expenditures including expenses for operations and transfers-out of General Fund to debt service funds, capital funds, and reserve funds, the Kendall County Board will reduce expenditures and appropriations and/or request revenue transfers-in from other funds to increase the projected unrestricted Fund Balance Reserve for the General Fund to six (6) months or 50% of appropriated expenditures.

Annually in November, a year-end report will be presented for the unrestricted Fund Balance Reserve for the General Fund. At the last County Board meeting in November, unrestricted Fund Balance Reserve exceeding seven (7) months or 58.33% of appropriated expenditures for the current fiscal year will be transferred to a capital fund designated by the County Board by a majority vote.
