Member Cullick made the motion. Member Gryder seconded. Chair Hendrix asked for a rollcall. Lynn Cullick – aye, Scott Gryder – aye, Audra Hendrix – aye, Elizabeth Flowers – aye. Approved 4-0.

Discussion of Boulder Hill and Boulder Hill Market
Mr. Beltran stated at the Committee’s request he went to Boulder Hill Market to speak to the business owners and investigate the area. He stated that while dated, the exterior was well maintained and the parking lot was redone in the last couple of years. In one section, there was
two churches, a dog groomer, a Dollar General, and a pool maintenance and life guard training business. On the other side of the parking lot was a restaurant, an orthodontist office, an attorney’s office, and a roofing business. He spoke to a business owner, and had information to reach out to the owner of the strip mall. In addition, there were several vacant businesses including the bank. Mr. Beltran stated he felt the layout was hindered by orientating the back to the neighborhood; however, he guessed that was because when designed the thought was traffic would come from Route 25 rather than Boulder Hill. Finally, he stated that the biggest issues was the sign was missing some letters.

The Committee discussed ways to rehabilitate the area. The Committee main focus was to orient the area towards more of a community place rather than a standard retail market as it would not be able to compete with the selections on Douglas and Route 30 as well as Orchard Road. By partnering with the owner and the local groups in the area (senior living, Oswegoland Park District, etc.) the area could be transformed into a meeting space.

The Committee directed Mr. Beltran to reach out to the owner as well as have some demographic information and traffic counts by the next meeting as well as put together steps to create a plan for the area that would include local stakeholders.

Discussion of Tax Abatement forms and scoring
The Committee decided to send this item to the next Economic Development Committee meeting. Member Gryder made the motion, member Cullick seconded. Approved 4-0.

Approval of Economic Development Strategic Plan
Mr. Beltran stated that he had been advised that the Public Access Counselor has been viewing consensus at public meeting with skepticism as an attempt to circumvent OMA rules. As such, Mr. Beltran thought it best to bring back the Economic Development Strategic Plan for approval to the Committee.

Member Gryder made the motion to approve the item and send it to the March 21, 2018 County Board meeting. Member Cullick seconded. Chair Hendrix called for a roll call. Lynn Cullick – aye, Scott Gryder – aye, Audra Hendrix – aye, Elizabeth Flowers – aye. Approved 4-0.
