Revolving Loan Fund Recapture Strategy Review and Recommendation
Chair Hendrix stated that when reinstating the old Revolving Fund Recapture Strategy last year, the motion only approved the Strategy through June 30, 2018. As the administrative code has not been repealed, a new strategy needs to be put in place or renewed.

Member Kellogg made the motion to Reinstate the current Recaptured Strategy until June 2019. Member Prochaska seconded. **Approved 4-0.**

**Approval of Chicago Regional Growth Corporation Membership Dues - $5,000**
Mr. Beltran stated that when the Chicago Regional Growth Corporation was founded, the public members were asked for a contribution comparative to their size. Kendall’s amount was $5,000. This was an unbudgeted amount for this year, and would go over the budgeted amount in the Dues and Membership line item.

The Committee agreed that the CRGC was a worthwhile investment but were concerned with the budget implications. However, as the Economic Development Fund is not a General Fund fund, and it has the balance in the reserves, to approve it. However, as it is over budget, the Finance Committee should be consulted on where to pay it from.

Member Kellogg made the motion to approve the membership and to send the item to Finance Committee for recommendation on where to pay the invoice from. Member Prochaska seconded. **Approved 4-0.**

**Discussion of budgeting funds in FY2019 of approximately $4,000 for sending two members of the Economic Development Committee to the NaCo 2019 Conference held July 12-15, 2019**
The Committee discussed the possibility of sending members to the NaCo Conference in 2019. However, with the current budget concerns, they felt that it best that the decision be made during the upcoming budget process rather than taking it individually.

**Boulder Hill and Boulder Hill Market**
Mr. Beltran stated he had found some more up-to-date economic information on the area nad placed it in the packet.

**Economic Development Memberships**
Mr. Beltran stated the membership with the local economic development and chamber organizations the County is involved in. The Committee discussed the possibility of leaving some the organizations due to the new CRGC membership. No decisions were made as the budget process was upcoming.
