Ballot Styles for the
Consolidated Election of April 9, 2013

This document is a “pdf” file containing examples of the 217 ballot styles that the County of Kendall will be using in the upcoming election. These examples are being posted for public viewing and are not intended to be used for other purposes.

A list of Kendall County Precincts appears under the “Bookmarks” tab on the left side of this screen. Click on your precinct selection and it will be shown in the viewing screen. Depending on the residence address and the district boundaries within the precinct, there may be a single ballot style or multiple ballot styles. Also note that some ballots are 1 page in length and some are 2.

When there are multiple ballot styles you will be able to determine which one is yours by comparing the districts listed on your Voter Registration card.

Remember that for the Consolidated Election you will be voting on local contests.
