Staff Report – Interviews are scheduled for applicants to fill the one open telecommunicator position. KenCom has two employees currently on FMLA. Both are working intermittently. KenCom staffed the command van with a dispatcher for Prariefest June 16th – 18th. Staff attended a Chest Pain Accreditation meeting at Rush-Copley on May 24th to answer questions related to EMD for Rush-Copley’s accreditation site review. Information as follows: Ashley Conrad and Bristol Kendall Fire District were awarded Rush Copley’s Cardiac Run of the Quarter for an incident that occurred on March 25th, 2017. Future back-up center rotation dates are contained in the packet. Wireless 9-1-1 statistics for the month of May 2017 represented 75% of calls received.

Bergeron stated County IT has been working on installing Net Motion. The beginning of next week will be installing in two Kendall County squad cars and Kendall County IT will work out any bugs at that

Witek called for New Business:
Assignment of the Village of Montgomery’s Tyler/New World Contract to KenCom – No Action

Tyler Technologies New World contract for an amount not to exceed $3,000,000 – Witek reviewed what currently exists today from New World and what KenCom is proposing from Tyler/New World. Witek stated bringing all the agencies together with the Tyler/New World products will have significant cost savings for all and the contract with Tyler/New World needs to be signed by June 30th, 2017 in order to receive the cost savings. Witek stated there are many documents that need to be signed in order for all of this to happen and unsure if this could happen by June 30th and would like to sign with Tyler/New World with the products we know we want to purchase to ensure the savings. Hitzemann made a motion to enter into an agreement with Tyler Technologies New World for an amount not to exceed $3,000,000 with or without the assignment from Kendall County or the Village of Montgomery to include the four items suggested by the Kendall County State’s Attorney as it relates to License Fee, Third Party Software, Third Party Hardware, and the ten-year Maintenance Agreement, seconded by Martin.
