FREEDOM OF INFORMATION ACT POSTING

The purpose of the Freedom of Information Act (“FOIA”) is to ensure that all persons are entitled to full and complete information regarding the affairs of government, and the official acts and policies of those who represent them as public officials (5 ILCS 140/1).

The Illinois Freedom of Information Act (“FOIA”) only applies to the legislative and executive branches of government and does not apply to the judicial branch. See 5 ILCS 140/2(a). The Kendall County Public Defender is appointed by a majority vote of the Circuit Judges of the Twenty-Third Judicial Circuit. See 55 ILCS 5/3-4004. Thus, it is our position that the Kendall County Public Defender’s Office is part of the judicial branch of government, and the records maintained by the Kendall County Public Defender’s Office are not subject to the requirements of a FOIA request. See Newman et al. v. Brown et al., 394 Ill.App.3d 602 (1st Dist. 2009) (Circuit Court clerk is a member of the judicial branch and is, therefore, not a “public body” subject to the FOIA); Copley Press, Inc. v. Administrative Office of the Courts et al., 271 Ill.App.3d 548 (2nd Dist. 1995), appeal denied, 163 Ill.2d 551 (Ill.1995) (Pretrial services agency is an arm of the judicial branch and, therefore, is not subject to the FOIA); and 1999 Ill. Atty Gen. Op. 005 (Illinois Courts Commission is an arm of the judicial branch and, therefore, is not subject to the FOIA).

In the alternative, if the Illinois Attorney General’s Office and/or the circuit court finds that the Kendall County Public Defender’s Office is subject to the FOIA and in the interest of governmental transparency, the following information is made available to the general public.
