Priority Project Updates

2016 Series Refunding Bonds
The call for underwriters has been published and posted to the website, with Speer Financial extending invitations to several underwriting firms to submit proposals. The deadline for submission is March 18, 2016. Speer Financial will present their report and recommendation at the first Commission meeting in April.

Forest Preserve Restoration Projects
Bryon Walters with Illinois Natural Areas Improvements has made significant progress clearing the slope areas at Maramech in preparation for the work day scheduled for Thursday, March 10, 2016. District staff and volunteers will be on site working alongside contractors to guide work day efforts which will include burning of cleared brush piles. Photos from the day will be posted to the District’s social media sites.

Bedrock Earthscapes, LLC has begun work to restore Schessler’s Fen as part of The Conservation Foundation’s donation of an ecological restoration project.

LWCF/OSLAD Grant Reimbursement
The amended market study has been submitted and accepted by the Illinois Department of Natural Resources. The District is waiting to receive final approval to submit the final billing statement.
Summer Camp Registrations
Summer camp registration is underway, with the District is receiving more registrations each week. Two banners are under design to further promote summer camp opportunities at Hoover Forest Preserve and Ellis Equestrian Center. A second marketing e-Blast will highlight summer camp opportunities scheduled for distribution later this month.

Ellis House Bridal Expo
Tina Villarreal, Events Coordinator reported that the Bridal Expo event at Ellis was successful. The District received payments from vendors for booth spaces, and registrations from caterers renewing their participation in the District’s Approved Caterers’ Program for 2016. District staff is researching marketing opportunities through online platforms that have generated bookings at Ellis for 2016.

Ellis House Repairs
Marty Vick, Farm Manager at Ellis has received proposals for window replacements and exterior house painting and sealing which will be presented to the Committee of the Whole, with initial estimates presented to the Finance Committee for review and staff direction.

An estimator from IPMG completed an inspection of storm damage to the roof, confirming that portions of the roof were damaged from high winds in December. IPMG has requested copies of all incurred expenses-to-date for repairs. District staff is recommending full replacement of the Ellis House roof in 2016.

Controlled Burn Training
A total of 13 District staff members and volunteers attended the two day Chicago Wilderness Controlled Burn Training on February 18 and 19 at the Morton Arboretum. All District participants passed the final exam, with Jay Teckenbrock achieving the second highest test score in the class.

Superintendent Kim Olson has renewed the District’s burn permit, with training burns planned for this spring, dependent on weather and staff availability.

Position Openings
April Morris was promoted from a Part-Time Naturalist to the open Environmental Education Coordinator position.

The District is receiving applications for current job openings including Summer Camp Instructor(s), Part-Time Naturalist, and Ellis House and Equestrian Center Seasonal positions posted last week.

The District is also continuing efforts to promote summer internship opportunities for Ellis House and Equestrian Center.

Meadowhawk Lodge Repairs
Wight and Company completed a final inspection and evaluation of damage to the portico. A release waiver received from the insurance company has been forwarded for review by the State’s Attorney’s Office. Updates will be provided during the Committee of the Whole meeting.
Stephanie’s Garden – Nature Play Space at Hoover Forest Preserve
The Stephanie’s Garden stakeholder’s group met to discuss Commission policy
directions and first-phase plans for the build out of the Nature Play Space at Hoover
Forest Preserve. The group is interested in moving forward with the construction of
an outdoor mud kitchen installed on a concrete pad with drainage to a lowland swale
that will meet ADA accessibility requirements. As part of this first phase, water
service will be roughed in for a future water play element. Upland Design is
providing a schematic of the service line extension plumbing, and an Illinois
Department of Public Health Permit will be submitted pending Commission approval
of the project.

KC-TAP Intergovernmental Agreement
Kendall County will be considering a request for an increase of the District’s KC-TAP
grant award for the Route 34 trail from $3,000 to $6,000 representing 50% of the
District’s estimated cost share for completion of the required trail segments.

WSPY – Anne Vickery
The District has been invited to interview with WSPY to provide updates on District
projects and programs. The interview is scheduled for Friday, April 8, 2016, and will
include radio and local television segments.

Richard Young Forest Preserve Bridge Replacement
District staff members are working to determine the best approach and costs for the
replacement of a single-span pedestrian crossing bridge across Lyon Creek at
Richard Young Forest Preserve. Creek bank erosion accelerated by high storm
water volume events has deformed the existing bridge constructed 17 years ago.
Approaches to armoring of the creek banks to reduce erosion will be considered as
part of the bridge replacement project.

Respectfully submitted,

RE: Education Department Monthly Report
Date: March 9, 2016

The Education Department has been busy preparing for spring programming. We have our Maple Syrup program coming up on March 19th. After the hike, participants will enjoy a pancake breakfast served with maple syrup.

April and May are filled with many school programs. We will be teaching over 2,600 students in the remaining months of the school year. These programs range from fossils and wetlands to ecology and bugs.

Camp registration is open and we have been receiving lots of registrations in the mail. We are sending out an adblast that promotes our summer camps as well as other programs in the next week. We will be hiring part time seasonal camp instructors in the following month.

Our social media push has really been working and we are having more families sign up for programs. We have had to cancel a lot less of our public programs this winter and spring. We hope to gain even more returning participants in the next couple of months.
FEB. - PATRICK HIGGINS AND RON SMRZ

- Patrick and Ron open all preserves each weekday by 8am.
- The snow is hopefully behind us! New Season...new duties!
- The equipment woes still continue, but have slowed down. Breakdowns and repairs have continued to occur and require a great deal of EVERYONE’s time! Hopefully the repair cycle is complete and we are caught up with that!
- We all are still learning the Hoover infrastructure and maintenance. This continues to be a main priority for all of us, and we are working our way through the many complex systems we have at Hoover.
- Ron renewed his State herbicide license.
- Patrick and Ron continue to carry the majority of the duties and load, still helping at Hoover as well as the rest of the preserves. Jay continues in his training, but until he knows the ropes fully, the burden will fall almost entirely on Ron and Patrick. They are assisting with his training also as they are the highly trained Professionals and experts on all equipment. It takes at least a full year of ALL four Seasons to be somewhat trained! Experience and Time is the best teacher.
- Ron and Patrick repaired Shelter 4 door damage.
- Ron and Patrick repaired the gate at SSG, saving the FP a welding bill.
- Ron and Patrick have been cleaning the ditches and roadsides of debris after the snow melted.
- Ron and Patrick repaired a bridge damaged by a fallen ash tree at Harris.
- Ron and Patrick spread Prairie Seed collected from last Season.
- Ron and Patrick have been helping Jay get the Hoover shop stocked and organized.
- Ron, Patrick, Jay and myself went to Kubota to learn how to service the Kubota RTV.
- Ron, Patrick, Jay and myself all observed and participated in the instructions of flushing the tankless water heaters, quite time consuming! This is done every 3 months or so, depending on use and water quality.
- Ash Tree removal is an ongoing endeavor, and will continue for years to come, taxing regular field staff duties throughout the entire year, and for years to come.
- Mike Stone closes on Monday nights.
- Cliff Oleson opens on Sundays and Holidays.

FEB. - KIM OLSON

- I continue to assist in office duties such as payroll, vouchers, reservations, mail, etc.
- I accompanied the volunteers and new staff to Burn Training at the Morton Arboretum.
- Dave, Jay and I attended the Illinois Association of Conservation Districts seminar for 2 days. VERY nice to brainstorm with our “kindred spirits” and learn from each other!
- I continue in the training of Jay Teckenbrock to learn his post at Hoover. This will be a lengthy endeavor as said above; it takes a full year of all four Seasons to fully be trained. We are really feeling the pinch of less staff, I continue to re-structuring and juggle scheduling of all the various duties to adapt to sparse staff as needed to accommodate the demands of Hoover responsibilities required. Hoover demands a 24/7/365 schedule for the bunkhouses and Meadowhawk Lodge functions.
- I still have been quite busy making the arrangements/researching and assisting in all repairs, appts., ordering parts as needed for all the break downs that have been occurring!
- I have been doing the Lagoon H2O testing when required.
- I make the schedule and fill in where needed for all staff as needed to keep things running safe.
- I go wherever needed, whenever and for whatever is needed to keep things running safe and clean.
- We all are still adapting to the many changes and downsizing, this will take all 4 Seasons to get it organized and synchronized!

**HOOVER:**

- Mike Stone assists part time during the week. Chris Bazos and Jeannie Leland assist on weekends with overnight guests, “check ins and outs”, camper needs, grounds maintenance and cleaning after guests depart the bunkhouses, along with miscellaneous duties that arise to keep things running.
- Jared Anderson closes and opens at Hoover. He also cleans at Hoover ½ a day on Monday.

**ROUTINE DUTIES-FULL AND PART TIME STAFF**

- The full time staff is responsible for ALL maintenance required to successfully run the Kendall County Forest Preserve District properties. This includes but is not limited to the following:
  - Opening/closing, electrical, plumbing, carpentry, equipment operation, mechanical / equipment repairs, painting, herbicide application, prescribed burns, logging records of all restoration/herbicide efforts, tree removal, demolition/building of structures, snow removal, testing of water supplies, cleaning of all buildings, Forest/Prairie restoration, road, parking lots and trail maintenance, education, various ordering and picking up of all supplies, and mowing.

RE: Stephanie’s Garden – Hoover Nature Play Space Updates

Date: March 9, 2016

On February 22, the District hosted a meeting of the Stephanie’s Garden stakeholder’s group that has been working to coordinate the design and installation of play elements at Hoover Forest Preserve.

During the meeting, guidelines for planning and executing phased development of the Nature Play Space were discussed. Outcomes included:

1. Commission pre-approval will be requested for each phase of work planned.
2. The Forest Foundation will be consulted for approval to accept monetary donations and acknowledge donations of construction materials. Donations will continue to be tracked in a separate fund held by the Foundation.
3. Upland Design will be consulted to assist with defining the scope of work for each phase, and identifying ADA requirements, with the stakeholder’s group raising funds to complete construction drawings when needed/required.
4. Once the defined scope of work for each construction phase is approved by Commission, District staff will work to secure required permits for each phase of work.

The stakeholder’s group is requesting Commission approval to implement first-phase design and construction of the Nature Play Space area.

Specifically, this first phase will include the following elements:

1. Completion of an outdoor “mud kitchen.”
   a. Volunteers will design and build the mud kitchen meeting ADA counter height and under-counter space code requirements.
   b. Upland Design will provide a sample specification to extend a service line from the Hoover water main to the mud-kitchen area, which will include spooling off a second line for a future water-play element.
   c. The mud kitchen will be built over a concrete pad with floor and sink drainage that will be ‘daylighted’ into the lower elevation swale area.
   d. Mud kitchen materials will be designed to withstand weather and heavy use.
e. Valve materials will control water flow to insure that water is supplied on-demand with automatic shut-offs, with winter shut-offs that will drain the service line below the frost line.

2. Completion of ADA access pathways to the mud kitchen
3. Enhancement of the swale drainage area with native plant materials

Representatives from the stakeholder’s group will be present at the Committee of the Whole meeting to respond to questions from Commission.

NOW, THEREFORE, in consideration of the mutual promises, terms, and conditions set forth herein, the parties agree as follows:

1.00 LICENSE GRANTED

1.01 Purpose: Except as otherwise provided in Section 4.05, LICENSEE, as the DISTRICT's exclusive licensee, is hereby authorized to operate a therapeutic riding program as defined in Section 1.02 for furthering the purposes and objectives of the DISTRICT. This Agreement grants only a contractual license to use the Subject Property under the terms and conditions state herein. Further, the rights granted by DISTRICT herein shall vest only in LICENSEE and no such rights shall vest in any of LICENSEE'S employees, agents, subcontractors or

Relocation is defined as the date that the LICENSEE'S horses are relocated to Ellis House and Equestrian Center. The LICENSEE'S first fee payment shall be prorated based on the actual date of relocation for the first month.

Beginning at the start of the next fiscal year (December 1, 2016 to November 30, 2017) the LICENSEE shall pay the DISTRICT a monthly license fee of one thousand six hundred dollars ($1,600.00) on the first day of each month, for the remainder of the License term.

1.04 Use of Parking Areas, Entry Drives and Trails: Licensee shall have the right to utilize the main parking area adjacent to Ellis House, including access to ADA parking stalls, and the overflow gravel lot for staff, volunteer and program participant parking. Additionally, LICENSEE shall have the right to use the limestone surfaced trails for horse riding and conditioning of horses.

1.05 Condition of the Licensed Premises: The LICENSEE has inspected the LICENSED PREMISES and structures prior to signing this Agreement and accepts the conditions of these "as is" and in the condition they exist as of the date of the Agreement, and further agrees to make no demands on the DISTRICT for any improvements, modifications or alterations.

DISTRICT agrees to work with the LICENSEE to install an ADA compliant surface for providing access to the LICENSEE’S ADA access ramp to be located within the Indoor Arena, and to work with the LICENSEE to retrofit and enclose a tack and equipment storage area within the main stable. LICENSEE shall pay the DISTRICT for the direct supply costs for constructing said improvements, subject to LICENSEE’S preapproval of project expenses.
1.06 **Term:** This Agreement shall be for the term of thirty two (32) months commencing from the date of execution of his agreement and ending upon November 30, 2018. LICENSEE may, subject to written approval of the DISTRICT, renew this agreement for an additional three-year term, provided that LICENSEE serves written notice thereof on the DISTRICT’S Executive Director at least 90 days prior to the expiration of the original term. This Agreement and terms, including annual License fees, will be reviewed on an annual basis, with any proposed amendments subject to approval in writing by the DISTRICT’S Board of Commissioners and the LICENSEE’S Board of Trustees.

2.00 **LICENSEE RIGHTS**

2.01 **Coordination and Scheduling:** LICENSEE shall have the exclusive responsibility for scheduling all LICENSEE activities on the LICENSED PREMISES. If LICENSEE wishes to conduct a program that extends beyond the established carrying capacity, LICENSEE shall obtain a Special Use Permit from the DISTRICT.

2.02 **Horse Care:** The DISTRICT shall be required to stall-feed daily supplements and grain to LICENSEE horses six days per week, each and every week, Tuesday through Saturday, and Sunday evenings. The LICENSEE shall extend horse care and feeding of all DISTRICT and LICENSEE horses on Sunday mornings and Mondays of each week, each and every week, with this schedule subject to modification in coordination with Ellis House and Equestrian Center horse care staff members.

The DISTRICT shall provide stall boarding with daily pasture and/or feed lot turnout for pasture grass and/or grass hay feeding subject to weather and ground conditions and at the discretion of the DISTRICT and LICENSEE. The DISTRICT shall provide grass hay for feeding from its hayfield harvest stores. The LICENSEE shall pay for all required grain and supplements for its four horses, and the DISTRICT shall pay for all required grain and supplements for its four horses.

The DISTRICT is responsible for insuring that water is available at all times to the LICENSEE’S horses. The DISTRICT will check to insure water supplies are adequate twice daily Tuesdays through Sundays, and on Mondays with advanced notice where the DISTRICT is covering horse care responsibilities for the LICENSEE.

LICENSEE horses will be stalled during overnight hours, with the DISTRICT providing sufficient stall shavings at the DISTRICT’S cost subject to the LICENSEE’S care instructions. The DISTRICT shall clean the LICENSEE’S assigned stalls once daily Tuesday through Sunday of each week, replacing stall shavings as needed per instructions from the LICENSEE.

The LICENSEE and the DISTRICT shall cooperatively arrange and schedule for routine veterinary and farrier care services, as it is understood that the LICENSEE and DISTRICT will recognize cost efficiencies from reducing scheduled visits. The DISTRICT and the LICENSEE shall each pay veterinary
and farrier costs incurred for the horses owned by each entity separately, and professional service providers shall be directed to bill each entity separately. Any visits beyond routine appointments will be scheduled and paid in full separately by each entity for its owned horses.

2.03 **Horse Use in Programs:** The LICENSEE and the DISTRICT agree to extend shared use of horses to support each entity’s program services. Shared use shall be determined based on suitability for use and exchange within programs, with the understanding that the capacity of both programs will benefit from the exchange. The LICENSEE may limit access and use of LICENSEE horses should LICENSEE horse behavior or health issues warrant limiting of program exchanges. The DISTRICT may limit access and use of DISTRICT horses should DISTRICT horse behavior or health issues warrant limiting of program exchanges. LICENSEE may elect to extend training to DISTRICT horses in order to improve behavior and program suitability.

2.04 **Monthly Schedule:** LICENSEE and the DISTRICT will cooperate with coordination of a shared schedule of activities and programs to be held on the LICENSED PREMISES in order to enable the DISTRICT and LICENSEE to schedule and coordinate all program activities and events, as well as perform necessary maintenance, construction, and ensure site security of DISTRICT facilities. Each month’s schedule shall be posted to both the stable schedule organizer and DISTRICT’S master calendar updated in real time as reservations are scheduled. Any changes to the schedule which will impact the DISTRICT staff and programs, or the LICENSEE’S staff and programs shall be immediately conveyed in writing to the DISTRICT’S Equestrian Program Coordinator and Farm Manager, and the LICENSEE’S program coordinator.

2.05 **Use Limits:** LICENSEE may accept program reservations for use of the LICENSED PREMISES up to 6-months prior to the program delivery date on a rolling calendar basis. LICENSEE shall avoid scheduling programming during afternoon hours where weddings or other large events are scheduled. LICENSEE peak program activity is Sunday and Monday of each week, with a limited number of additional sessions scheduled on Tuesdays, Wednesdays, and Thursdays.

During the winter months where Indoor Arena use is shared, and during the summer months where Outdoor Arena use is shared (or the Indoor Arena in case of inclement weather), the DISTRICT and LICENSEE will split the arena in use into two equal areas, and the DISTRICT will limit scheduling to no more than two lesson students for participation at any one time.

LICENSEE will limit accepting reservations year-round on those dates where the DISTRICT has scheduled a birthday party or summer camp program where it is understood that the DISTRICT may have need for use of up to two of the LICENSEE’S horses to support its summer camp program subject to the provisions outlined in Section 2.03.
LICENSEE shall have the usage of the facility for all of their current riding clients, including those that are not involved in the therapeutic riding program. However, any new clients/riders that are seeking lessons or riding in the future, and who are not in the therapeutic riding program, shall be referred to the DISTRICT for such services.

2.06 Licensee Staff and Volunteer Access: LICENSEE shall have access to LICENSED PREMISES at all times during the LICENSEE'S programs. The LICENSEE is fully responsible for, and assumes full liability for its paid employees, staff, volunteers and patrons during all scheduled use of the LICENSED PREMISES during its therapeutic riding sessions, programmed use of facilities, and support of horse care operations and maintenance.

2.08 Improvements: LICENSEE may, at its expense, make or construct or cause to be constructed, alterations, repairs or other improvements to the LICENSED PREMISES, provided written approval is first obtained from the DISTRICT'S Board of Commissioners. Absent a written agreement to the contrary, LICENSEE shall not be entitled to reimbursement of the value of any improvements made to the LICENSED PREMISES.

2.09 Caterers: When a caterer is to be utilized by LICENSEE, LICENSEE shall be responsible for selecting a caterer from the Ellis House Approved Caterer's List and/or selecting a caterer that both qualifies for, and submits an application for enrollment in the District's Approved Caterers' program.

2.10 Licensee Staff: LICENSEE shall employ sufficient paid staff and unpaid volunteers to operate and manage the LICENSEE'S program, and shall discipline any employee or volunteer whose conduct or activity shall, in the reasonable exercise of discretion, be deemed as detrimental to the interest of the public utilizing the LICENSED PREMISES. The DISTRICT shall also have the authority to remove any employee or volunteer from the LICENSED PREMISES in their sole discretion whenever the Executive Director determines such action to be in the DISTRICT'S best interest. The DISTRICT will make a reasonable attempt to contact the LICENSEE upon taking such action. Also see Section 2.06.

2.11 Sales: LICENSEE may sell items appropriate to its programs and events in accordance with the guidelines of the DISTRICT, and may charge admission or service fees for its programs and functions held on the LICENSED PREMISES. Unless specifically authorized by the DISTRICT, no other group or individual utilizing the LICENSED PREMISES shall be allowed to sell any goods or items other than food or non-alcoholic beverages, nor may they charge the public any entrance, admission or service fees without the written approval of the DISTRICT.

2.12 Prices: LICENSEE shall at all times maintain fair and reasonable prices and make available to the DISTRICT and public a complete list of the prices for all goods and services, or combinations thereof, supplied to the public on or from the LICENSED PREMISES. LICENSEE shall establish its prices on
the basis of the following considerations; (1) that the License is intended to serve the needs of the public at fair and reasonable cost; (2) comparability with prices charged in the Kendall County area for similar goods or services; and (3) the reasonableness of the prices charged in view of the cost of providing the goods and services in compliance with the obligations assumed by the LICENSEE under this agreement.

2.13  [Section Deleted]

2.14  Fixtures: LICENSEE shall not install any fixtures on the LICENSED PREMISES without the written approval of the DISTRICT'S Executive Director. As used in this Agreement, “fixture” means any item or article which is permanently attached to the LICENSED PREMISES, or which is attached in such a manner that its removal would result in substantial damage to the LICENSED PREMISES. All fixtures installed by LICENSEE shall become the property of the DISTRICT. LICENSEE shall not be entitled to reimbursement for the value of any fixture installed on the LICENSED PREMISES.

2.15  Signs: LICENSEE may erect a sign it determines necessary for the operation of LICENSED PREMISES, but only if prior written approval therefor is obtained from the DISTRICT’S Executive Director. LICENSEE shall pay the costs related to the installation and maintenance of any sign. In addition, LICENSEE may display temporary signs for the sole purpose of identifying the location of and direction to the event, provided that the signs shall not be larger than 24” X 30” and shall be removed immediately upon the conclusion of the event. No temporary sign shall contain any political or commercial advertisement or endorsement.

2.16  Security Devices: LICENSEE may, at its expense, install any legal security system or equipment designed for the purpose of protecting LICENSEE’S property (fixtures/personal property) from theft, burglary, vandalism, smoke or fire, provided written approval for installation is first obtained from the DISTRICT’S Executive Director. Expenses for maintaining or repairing any such system or equipment, or any false alarm charges related thereto, shall be paid by the LICENSEE. LICENSEE shall not be responsible for any expense of any legal security system or equipment installed by the DISTRICT or designed for the purpose of protecting the DISTRICT’S property from smoke, fire, or theft.

3.00  LICENSEE RESPONSIBILITIES

3.01  Compliance with Laws: LICENSEE shall comply with all applicable municipal, County and DISTRICT ordinances, state and federal laws and regulations, and all DISTRICT rules and regulations now in force or hereafter promulgated. LICENSEE shall obtain from the appropriate regulatory authority all necessary permits or licenses prior to beginning the construction of any improvements permitted under Section 2.08.

3.02  Trade Fixtures and Personal Property: LICENSEE shall provide such trade fixtures, equipment, riding implements, and other items as are required to properly operate LICENSEE programs. Within 14 days following the expiration of
this Agreement, LICENSEE shall remove all trade fixtures, equipment, implements and other items from the LICENSED PREMISES, excluding such fixtures or improvements for which removal would damage or adversely impact DISTRICT grounds and buildings.

If LICENSEE fails to remove its fixtures, equipment, and other implements within said 14-day period, all right, title, and interest in and to such fixtures, equipment, and other implements shall vest in the DISTRICT. In addition, the DISTRICT may charge the LICENSEE for the cost of removing any fixtures, equipment, or other implements from the LICENSED PREMISES.

In the event the DISTRICT terminates this Agreement as a result of default by LICENSEE, the DISTRICT may retain such fixtures, equipment, or other implements on the LICENSED PREMISES as is necessary, in the DISTRICT’S discretion, to mitigate any damages caused by the LICENSEE, and such fixture, equipment or implements shall become the property of the DISTRICT. If the DISTRICT elects not to retain any fixtures, equipment or implements, LICENSEE shall remove same from the LICENSED PREMISES within 30 days after the DISTRICT serves written notice of said election. If LICENSEE fails to remove its trade fixtures, equipment, and implements within the 30-day period, all right, title, and interest in and to such fixtures, equipment, and implements shall vest in the DISTRICT. In addition, the DISTRICT may charge LICENSEE for the cost of removing any fixtures, equipment, implements or other items from the LICENSED PREMISES.

3.03 Temporary Structures: LICENSEE may place temporary structures on the grounds of the LICENSED PREMISES. As used herein, temporary structures include, but are not limited to, tents, portable stages, tables, booths, bleachers, inflatables, electrical power sources, water services and communication equipment. All temporary structures shall be located in such a manner as to have the least impact on the ground and shall be removed within a reasonable time following the conclusion of a particular function. Any temporary structure that requires staking or digging shall require a proper underground utility survey. The DISTRICT reserves the right to restrict location of temporary structures if damage has occurred or where the DISTRICT determines in its sole discretion that the temporary structure is not appropriate for a location based on environmental, natural resource, or safety considerations.

The DISTRICT and LICENSEE will support joint opportunities to raise funds needed for operations and capital improvements, with fundraising plans subject to approval by both the DISTRICT’S Board of Commissioners and LICENSEE’S Board of Trustees.

TRANSPORTATION ALTERNATIVES PROGRAM ("KC-TAP") FUNDING TO THE
KENDALL COUNTY FOREST PRESERVE DISTRICT TO CONSTRUCT MULTI-USE
TRAILS ALONG THE NORTH SIDE OF ROUTE 34 BETWEEN OSWEGO, ILLINOIS
AND YORKVILLE, ILLINOIS (2016)

THIS INTERGOVERNMENTAL AGREEMENT ("the Agreement") is by and
between the County of Kendall, a unit of local government of the State of Illinois ("Kendall
County") and the Kendall County Forest Preserve District ("Grantee").

WITNESSETH:

WHEREAS, the Constitution of the State of Illinois of 1970, Article VII, Section 10,
provides that units of local government may contract or otherwise associate among themselves to
obtain or share services and to exercise, combine, or transfer any power or function in any
manner not prohibited by law or by ordinance and may use their credit, revenues, and other
resources to pay costs related to intergovernmental activities; and

WHEREAS, the Grantee and Kendall County (the "parties") are units of local
government within the meaning of Article VII, Section 1 of the Illinois Constitution of 1970 who
are authorized to enter into intergovernmental agreements pursuant to the Intergovernmental
Cooperation Act, 5 ILCS 220/1 et seq.; and

WHEREAS, the Intergovernmental Cooperation Act, 5 ILCS 220/1 et seq., provides that
any county may participate in an intergovernmental agreement under this Act notwithstanding
the absence of specific authority under the State law to perform the service involved, provided
that the unit of local government contracting with Kendall County has authority to perform the
service; and

WHEREAS, pursuant to both the Downstate Forest Preserve District Act under 70 ILCS
805/5 and 70 ILCS 805/6 and the Illinois Highway Code under 605 ILCS 5/9-101 and 605 ILCS
409, the State, its municipalities, Forest Preserve Districts and the counties may form cooperative agreements with each other for the construction, maintenance and improvement of streets, highways and any portions thereof; and

WHEREAS, the Illinois Highway Code (605 ILCS 5/1 et seq.), Downstate Forest Preserve District Act (70 ILCS 805/0.001 et seq.), and the Illinois Bikeway Act (605 ILCS 30/1 et seq.) each encourage the funding and the creation of bicycle paths, multi-use trails and sidewalks along roadways within the State of Illinois; and

WHEREAS, on July 17, 2012, the Kendall County Board passed Resolution Number 12-33 entitled “Resolution for the Creation of the Kendall County Transportation Alternatives Program (“KC-TAP”),” which authorizes Kendall County to provide financial assistance to qualified applicants for the grantee’s construction of multi-use trails and sidewalks in Kendall County, Illinois; and

WHEREAS, Grantee submitted an application pursuant to the KC-TAP for the 2016 fiscal year. Grantee’s application sought financial assistance to construct multi-use trails along the north side of Route 34 at approximately .22 and .72 miles west of Orchard Road between Oswego, Illinois and Yorkville, Illinois. Grantee’s construction project is identified in the attached Exhibit A and shall be referred to herein as “the Project”; and

WHEREAS, the Kendall County Board approved Grantee’s KC-TAP application for financial assistance on February 16, 2016; and

WHEREAS, following the date of Grantee’s KC-TAP application and approval, IDOT informed the Grantee that their portion of the project cost had increased from approximately six thousand dollars ($6,000.00) to eleven thousand eight hundred ninety three dollars and ninety
two cents ($11,893.92) as is shown in the attached Exhibit B, and the Grantee has now requested to increase the Grant to match the new project costs; and

WHEREAS, the parties wish to enter into this agreement for the benefit of local pedestrians and bicyclists and to provide a safe and efficient pathway for the residents of the Kendall County Forest Preserve District and Kendall County; and

WHEREAS, pursuant to the terms of this agreement, Kendall County will grant money to Grantee to partially fund the building of multi-use trails and/or sidewalks as described in the Grantee's application for funds, which is attached to this agreement as Exhibit A and incorporated by reference; and

WHEREAS, it is understood that in no case shall Kendall County provide more than 50% of the funding for any approved project and a local government agency cannot obtain more than $50,000 in KC-TAP Funds per fiscal year; and

WHEREAS, it is the understanding of the parties that at all times, including after completion of the project, Grantee alone will own, construct, maintain, repair and/or replace the subject improvements, and that Kendall County will have no duties to construct, maintain, repair and/or replace the subject improvements at any time in the future.

NOW, THEREFORE, in consideration of the premises and the mutual covenants hereafter set forth, the parties agree as follows:

1. The foregoing preambles are hereby incorporated into this Agreement as if fully restated in this paragraph 1;

2. Kendall County’s Obligations:
a. Kendall County agrees to grant an amount not to exceed six thousand dollars ($6,000.00) in Fiscal Year 2016 (December 1, 2015 to November 30, 2016) to Grantee for the purpose of partially funding construction of the Project;

b. The final amount of this Grant, which shall not exceed six thousand dollars ($6,000.00), will be determined at the time the Grantee submits its final request for reimbursement for the Project;

c. The final Grant amount shall not exceed 50% of the funding for said Project. Should the submitted reimbursement request constitute an amount above 50% of the Project’s costs, then Kendall County shall, in its sole discretion, choose to reimburse an amount below six thousand dollars ($6,000.00) and equal to 50% of the Project’s costs;

d. Kendall County shall disburse the Grant funds under this agreement within sixty (60) days of the submission of Grantee’s final request for reimbursement and the necessary supporting documentation supporting the request;

e. Kendall County shall have no ownership interest in the Project and/or the subject improvements under this agreement, nor shall it have any obligations beyond the granting and disbursement of KC-TAP grant funds as described herein.

3. Grantee’s Obligations:

a. Grantee understands and agrees that only qualified units of local government within Kendall County who have statutory authority to provide lands or facilities for multi-use trails or sidewalk purposes are eligible for assistance under the KC-TAP program and eligible projects must be located within the geographical boundaries of Kendall County, as well as located along a State or County
Highway and Grantee herein assures Kendall County that it and its Project qualifies for funding pursuant to this understanding and pursuant to all other terms of the KC-TAP as set forth in Kendall County Resolution Number 12-33 and Grantee’s application;

b. Grantee shall use the funds set forth in this Agreement to construct the Project at the locations and pursuant to the specifications as set forth in the attached Exhibit A and in conformance with all plans and designs previously supplied by Grantee as part of the KC-TAP application process. Grantee understands and agrees that the funds provided by Kendall County pursuant to this Agreement shall not be used for any other purpose including, but not limited to, future maintenance of the multi-use trails or sidewalks (e.g., sealing, patching or crack filling). In the event that Grantee uses the funds for an improper purpose, Grantee shall immediately reimburse Kendall County the full amount of funds provided to Grantee under this Agreement;

c. At all times, the Project, and all of its resulting improvements, shall be the exclusive property of Grantee, who shall exercise complete control, responsibility and ownership of said property. At no time shall Kendall County be deemed to have adopted said Project or its resulting improvements or the responsibility for the ownership, construction, maintenance, care, and demolition of the improvements that are subject to the Project and this Agreement;

d. Grantee and its consultants, employees, contractors, subcontractors and agents agree to comply with the following state and federal laws and Grantee shall ensure that all of their contracts include provisions incorporating the following:
i. The Illinois Prevailing Wage Act, 820 ILCS 130/1 et seq. Grantee agrees to (a) fully comply with all applicable requirements of the Prevailing Wage Act and (b) notify all contractors and subcontractors that the work performed pursuant to this Agreement shall be subject to the Illinois Prevailing Wage Act. In the event that Grantee fails to comply with the notice requirements set forth in the Illinois Prevailing Wage Act, Grantee shall be solely responsible for any and all penalties, fines and liabilities incurred for Grantee’s, contractors’ and/or subcontractors’ violations of the Prevailing Wage Act.

ii. The Employment of Illinois Workers on Public Works Act, 30 ILCS 570/0.01 et seq. (“Employment Act”).

iii. The Substance Abuse Prevention on Public Works Act, 820 ILCS 265/1 et seq. and the Illinois Drug Free Workplace Act, 30 ILCS 580/1 et seq.

iv. The Illinois Public Construction Bond Act, 30 ILCS 550/1 et seq.

v. The Illinois Human Rights Act, Title VI of the Civil Rights Act of 1964, as amended, the Americans with Disabilities Act, the Age Discrimination in Employment Act, Section 504 of the Federal Rehabilitation Act, and all applicable rules and regulations.

e. Grantee shall ensure that Grantee and each contractor and/or subcontractor performing work on the Project shall obtain and continue in force during the term of the Project, all insurance necessary and appropriate and that each contractor and/or subcontractor contracted with to perform work on the Project shall name Kendall County as an Additional Insured on a Primary and Non-Contributory
basis with respect to the general liability, business auto liability and excess liability insurance, as well as a waiver of subrogation with respect to the general liability and workers' compensation in favor of Kendall County. Further, Grantee shall require each contractor and/or subcontractor to provide indemnification and hold harmless guarantees to Kendall County during the construction of this Project;

f. Grantee shall comply with all competitive bidding and selection requirements necessary for construction and completion of the Project pursuant to applicable state and federal laws. Grantee shall obtain certifications from all contractors and subcontractors who perform work on the Project, which certify the contractors and subcontractors are not barred from performing the work as a result of a violation of either 720 ILCS 5/33E-3 or 5/33E-4 (bid rigging or bid rotating) or as a result of a violation of 820 ILCS 130/1 et seq. (the Illinois Prevailing Wage Act);

g. It is agreed by the Grantee that the maintenance, both physical and financial of the Project and its resulting improvements will be the responsibility of Grantee, and Grantee alone. Further, Grantee shall be responsible for any future repair or replacement deemed necessary for the Project and its resulting improvements (notwithstanding any agreements with third-parties in this regard). Nothing in this Agreement shall be construed as to create a duty or responsibility on behalf of Kendall County to finance, maintain, repair, replace, or otherwise control the subject improvements;
h. During, and following completion of the Project, Grantee shall defend, with counsel of Kendall County’s own choosing, indemnify and hold harmless Kendall County, including Kendall County’s past, present and future board members, elected officials, insurers, employees, and agents from and against any and all claims, liabilities, obligations, losses, penalties, fines, damages, and expenses and costs relating thereto, including but not limited to attorneys’ fees and other legal expenses, which Kendall County, its past, present and future board members, elected officials, insurers, employees, and/or agents may hereafter sustain, incur or be required to pay relating to, or arising in any manner out of the use, ownership, construction, maintenance, repair, replacement and/or condition of the subject facilities built during this Project, or claims, liabilities, obligations, losses, penalties, fines, damages, and expenses and costs relating to and arising in any manner out of Grantee and Grantee’s Contractors and Subcontractors construction of this Project or Grantee’s alleged failure to perform its obligations pursuant to this Agreement. Any attorney representing Kendall County shall be approved by the Kendall County State’s Attorney and shall be appointed a Special Assistant State’s Attorney, as provided in 55 ILCS 5/3-9005. Kendall County’s participation in its defense shall not remove Grantee’s duty to indemnify, defend and hold Kendall County harmless, as set forth above;

i. Grantee understands and agrees that construction of the Project must begin within 24 months of signature of this Agreement by the Kendall County Board. If the subject project does not begin construction within 24 months, Grantee will be in default of this Agreement and at that time the Agreement, as well as any
obligations of Kendall County, shall immediately cease and be considered null and void with no further obligation upon Kendall County to provide the Grant funding as described above;

j. Grantee understands that Construction of the Project must be completed and a request for reimbursement must be submitted to Kendall County within 60 months after the signature of this Agreement. If Grantee is unable to complete the Project and seek reimbursement within that time, Grantee will be in default of this Agreement and at that time the Agreement, as well as any obligations by Kendall County, shall immediately cease and be considered null and void with no further obligation upon Kendall County to provide the Grant funding as described above;

k. If Grantee is unable to begin construction of the Project within 24 months after the parties’ execution of this Agreement, or is unable to complete the Project and request reimbursement within 60 months after the parties’ execution of this agreement, Grantee may submit a request in writing to Kendall County requesting an extension of time to commence or complete the construction, as the case may be. Grantee must file its request for an extension of time with Kendall County on or prior to expiration of the 24 month period in the case of it beginning construction or on or prior to expiration of the 60 month period in the case of completing construction and seeking reimbursement. Requests for extensions shall not be valid if made after the expiration of the above deadlines. Kendall County retains sole discretion whether to approve Grantee’s request for an extension of time;
1. Grantee understands and agrees that prior to Kendall County disbursing the above listed KC-TAP funds as described herein, Grantee must submit final project costs, along with a written request for reimbursement to the Kendall County Engineer or his designee, who shall then determine the appropriateness of the costs and expenses claimed and determine if all obligations have been met prior to approving the disbursement of Grant funds. If requested by Kendall County, the Grantee must also submit any and all further documentation to verify completion of the Project, the costs incurred by Grantee and Grantee’s compliance with the terms of this Agreement;

m. Grantee understands and agrees that it shall submit its request for reimbursement to Kendall County within the same fiscal year that the Project is completed. Failure to timely request reimbursement as outlined in this Agreement will result in Grantee being in default of this Agreement and at that time the Agreement, as well as any obligations by Kendall County, shall immediately cease and be considered null and void with no further obligation upon Kendall County to provide the Grant funding as described above;

n. Grantee understands and agrees that reimbursement requests cannot exceed the amount originally awarded by the Kendall County Board and described in Section 2(a);

o. Grantee understands and agrees that under no circumstances shall cost overruns be considered nor shall KC-TAP Funds under this Agreement be advanced to the Grantee prior to project completion and submission of a request for reimbursement.
4. It is mutually agreed by Kendall County and Grantee that at no time shall Kendall County be inferred to, or obligated to, have a duty to provide insurance for the subject improvements or otherwise indemnify and hold harmless Grantee in connection with the use, enjoyment, ownership, maintenance, construction, repair or replacement of the Project improvements and any property where the Project has been completed;

5. This Agreement and the rights of the parties hereunder may not be assigned (except by operation of law), and the terms and conditions of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties hereto. Nothing in this Agreement, express or implied, is intended to confer upon any party, other than the parties and their respective successors and assigns, any rights, remedies, obligations or liabilities under or by reason of such agreements;

6. Any notice required or permitted to be given pursuant to this Agreement shall be duly given if sent by fax, certified mail, or courier service and received. As such, all notices required or permitted hereunder shall be in writing and may be given by either (a) depositing the same in the United States mail, addressed to the party to be notified, postage prepaid and certified with the return receipt requested, (b) delivering the same in person, or (c) telecopying the same with electronic confirmation of receipt.

11. This Agreement shall be in full force and effect upon signature by both parties and will terminate upon either (a) payout by Kendall County of Grant funds as described herein, or (b) default by Grantee, whichever occurs first. MITIGATION BANKING

Presentation for:

Hey and Associates, Inc.

Engineering, Ecology and Landscape Architecture

Presented by:

Vince Mosca
Senior Ecologist
WHAT IS BANKING?

An entity creates, restores, or enhances a parcel of land to an improved condition.

Meet certain performance standards.

Another party has a project that impacts jurisdictional wetlands.

Bank sells a "credit acre" for market value.
TYPES OF BANKS

- Public Bank – All users can purchase, built on public land
- Entrepreneurial Bank – Private capital on private land, at least initially; all users
- Private Bank – Created for just one or a few users, such as IDOT
Corps District Based

Wetland Mitigation Banks in Illinois Permitted by the Rock Island District

- Baker Woods Mitigation Bank would be eligible to sell to any purchaser within the Rock Island Corps
- Different Army Corps Districts must account for mitigation for permitted impacts
GOOD SITES

- Drained hydric soil
- Flat but lower than your neighbors for positive drainage
- Drain tile/ditch network that can be modified to “rehydrate” site without damaging neighbors
PROCESS

Pre-application meeting with Interagency Review Team (IRT)
With good reception, submit a Prospectus document for review and approval
Public Notice and Concept Approval
Develop Banking Instrument with all nuts and bolts of the program
- Need roughly 25 credit acres to get bank approved

Credit ratios (negotiated):
- Created: 100%
- Restored: 100%
- Enhanced: 25%
- Buffer: 10%
- 30% credit release with approval of instrument
- 30% after proving hydrology (year 2 or so)
- 40% after meeting performance standards
Hey conducted a wetland delineation for Baker Woods in 2009, including a jurisdictional determination and boundary concurrence from the Army Corps of Engineers.
