Ceremony Only – $500
Wedding Reception:
Facility Usage – $2,800

Includes: wedding ceremony (no charge), total use of facility and grounds beginning two hours prior to wedding ceremony up to 11:00 PM, use of bridal suite prior to ceremony, wedding planning/coordinating beginning from date of reservation up to and during the wedding day, Northfork staff and security (including valet parking, clean up, assistance, etc.) for the entire event, bonfire (weather permitting), bean bag games, etc.

Vendors – Northfork has a few caterer’s and specific vendors that we work with that will provide great service and product at a discount price; however, you are welcome to recommend others as long as they are licensed.

Food – prices range from as low as $13.00 per plate up to as high as $40.00 depending on such things as sit down service vs buffet style, or plastic ware vs real china, etc.

Alcohol – No one has matched Northfork’s alcohol vendor. As an example, the cost for unlimited top shelf hard liquor, draft beer, pop and up to five bartenders for a 200 guest wedding is $2,500.

Tent – Top Notch Rental automatically provides a 10% discount on any tent, chairs, tables, or accessories if you have your wedding at Northfork. Cost depends on the size and the number of chairs/tables needed. Beginning in 2016, Northfork will be able to provide an even greater discount on these items (ask for specific details).
Washroom Facilities – If you’re only having the wedding ceremony at Northfork, there is no cost for this item since guests will be able to utilize the bathrooms in the Northfork Main Residence. This also includes the dress rehearsal the day/evening prior to the wedding event. Event Restroom Rentals works with Northfork to provide luxurious trailer units for as low as $1,000 for 300 guests or less. Portable Deluxe Flushable Restrooms are also available for $230 for a smaller wedding.

Hotels – We have a number of hotels in the area that we’re working with to provide discount packages for our wedding couples out of town guests. Most notably, AmericInn Lodge & Suites in Oswego (630-554-9090), and Holiday Inn Express in Oswego (630-844-4700).

Photography – If you don’t have a current photographer, we have a few excellent wedding photographers that we feel confident in recommending based on our experience of working with them in this field.

Flowers – If you are in need of a florist, we too have a couple outstanding people that we have worked with that will provide you with a great selection at a very reasonable cost.

Other Services – We have our own hair and cosmetic stylist on site who can work with the bride and her bridesmaids the day of the wedding to make sure that they look perfect before they walk out to the ceremony. Babysitting is available upon request. The main residence has a large play room area that is perfect for this situation. Feel free to inquire about this option. The Honeymoon is always on the mine of many couples, and we have a travel agent who is experienced, personable, and very inexpensive.

TERMS & CONDITIONS:

The GRAINCO FS, Inc. Budget Billing Plan (BBP) and Prepay Plan (PP) contract plans are administered under the following terms & conditions:

1. Contract gallons will be delivered between September 1st, 2015 and May 31st, 2016. Propane delivered between June 1st, 2015, and August 30th, 2015 (Summer Fill) is not part of your contract, and must be paid according to your normal non-contract account terms.

2. These programs are only offered to active accounts with approved credit and no past-due balance. Contracts will become effective upon receipt of the signed return slip.

3. The Budget Billing Plan allows you to budget expected heating costs by making 11 equal monthly payments. Missed payments will be subject to a finance charge of 1.8% monthly (21.6% annual percentage rate). A final payment may be due in June if there is any balance remaining after your May payment. A current contract cannot be cancelled, and will remain in effect until all contract terms have been met.

4. If two payments are missed, we reserve the right to cancel this agreement. Unpaid balances will be due immediately and are subject to a finance charge of 1.8% monthly (21.6% annual percentage rate). If canceled, deliveries for the remainder of the contract term will be billed at the current market price, but not less than the contracted price, and will be due according to your normal non-contract account terms.

5. In order to receive the guaranteed price protection, patron’s entire account balance must be within the payment terms as established by the GRAINCO FS, Inc. Board of Directors.

6. The number of gallons used to calculate your usage is an estimate based on your purchase history. The Budget Billing Plan monthly payment is: fixed price per gallon x estimated gallons + estimated tax = Total cost divided by 11 months = monthly payment. The PrePay Plan payment is: fixed price per gallon x estimated gallons + estimated tax = Total cost. Weather conditions and changes in your heating habits or needs, will cause your usage to increase or decrease. We cannot guarantee that our estimate will reflect your actual usage. Any gallons delivered over and above your contracted gallons must be paid according to your normal non-contract account terms. Gallons above and beyond the contracted amount will be billed in the Regular account at the current market price.

7. All Guaranteed Price programs for the 2015-16 heating season expire on May 31st, 2016 or when the contracted gallons have been delivered, whichever comes first. Additional gallons will be billed at the current market price at the time of delivery, and payment is due according to your normal non-contract account terms.

8. At the beginning of the contract season, patrons do have the right to adjust their contracted gallons with reasonable limitations. GRAINCO FS, Inc. is only giving an estimation of gallons. If you choose to alter your contract gallons your payment amount will be adjusted accordingly, and a new contract will be issued.

9. The Budget Billing Plan and the PrePay Plan programs are product pricing programs only; they are not delivery guarantee programs. GRAINCO FS, Inc. reserves the right to allocate product in the case of shortages or pipeline allocations, and we cannot guarantee the availability of product when outside forces such as natural disasters, shortages or other circumstances beyond our control affect product availability.

10. A statement of your account(s) will be sent each month. If you have chosen the Budget Billing Plan, your statement will show your monthly payment amount as your payment due. We are not using the payment booklets this year. Additionally, you may provide us with your email address if you would like your individual LP invoices emailed to you.

11. These programs are offered as a convenience program for the benefit of our patrons. Prepayments and credit balances do not earn interest.
