David Guritz  
Director  
Kendall County Forest Preserve District  
110 West Madison Street  
Yorkville IL 60560

Dear Mr. Guritz:

The Illinois Valley Public Transportation Plan study team, in coordination with the  
Illinois Department of Transportation, is seeking a location for a Public Meeting in  
Yorkville to present information about a transportation study being conducted in the  
area.

The meeting will be presented in an open house format, which means the public may  
attend anytime between 4:30 p.m. and 6:30 p.m. Attendees will have the opportunity  
to view a brief audio-visual presentation, review exhibits, provide comments, and  
meet with study team representatives on a one-on-one basis.

As a part of the study team, Images, Inc. is under contract with the State of Illinois, as  
a consultant for the Illinois Department of Transportation, and is leading the search  
for a meeting location. We are interested in utilizing the Kendall County Historic  
Courthouse on March 24th, 2015.

We would need the space between 2:30 p.m. and 7:30 p.m. for set up and take down  
and we are expecting between 20 and 30 attendees, including local public officials.  
The meeting will require a space for about 20 exhibit boards on easels, a screen for a  
PowerPoint presentation (and projector if available), 30 chairs for the public to view  
the presentation, and 2-3 small tables to provide the public with a comment area. We  
are requesting the fee be waived for the Illinois Valley Public Transportation Plan  
Public Meeting since it is in coordination with the State of Illinois. We will also  
provide a tax-exemption form and insurance certificate.

Please let us know if the Kendall County Forest Preserve would be interested in  
hosting our Public Meeting.

If you are interested in learning more about the Illinois Valley Public Transportation  
Plan, please visit www.ilvalleytransitplan.org.
