

Girl Scout Badge Programs

Offered Through Kendall Count Forest Preserve District

All badge programs will be held in the forest preserves and are designed to get your scout as close to fulfilling the badge requirements as we can get them! Most scout programs start at \$6 per scout, with a \$40 minimum. Two or more badge programs can be bundled into one day and troops can take advantage of discounts on bunkhouse and group campsite rates for the night before or following your troop's program date.
