Others Present: Lynette Bergeron, KenCom Director; Jennifer Stein, KenCom Assistant Director; Bonnie Walters, KenCom Administrative Assistant; Scott Koeppel, Kendall County IT.

Informational: Nelson stated Scott Koeppel from Kendall County IT is there to discuss the new LEADS connection. Koeppel explained how KenCom currently gets their LEADS connection through a T1 access and the state has made a requirement that all users of LEADS move from T1 to fiber by July 2017. The quote Koeppel received is almost double what KenCom is currently paying for LEADS and this will affect all LEADS users. Discussion ensued. Bergeron mentioned she received the information for the increase after KenCom’s FY2017 budget was approved, so the LEADS line item in the Operations Budget will go over this year. After discussion staff is going to reach out to the state and find out how long they are going to support the old system and what the final cutoff date is.

Larry Nelson called the meeting to order at 9:13 a.m. and requested a roll call of the membership. A roll call was taken with five of the six members present creating the necessary quorum for voting purposes.

Other Business: Bergeron stated the way the connectivity is structured the MDT’s, ISTATUS users, and VPN users currently have three methods (WatchGuard, Cisco and Cisco AnyConnect) of getting into KenCom. Bergeron stated since County IT has taken over, they have been looking at the security structure of KenCom. Koeppel has recommended a solution to use NetMotion to meet the security needs of KenCom. Bergeron mentioned she had reached out to CAD vendors and they recommended NetMotion for security as well. Koeppel explained to the board what NetMotion is and what it can do for KenCom. There are two distinct advantages to NetMotion, the first being it is resilient and you do not need to keep logging in, the second is each employee will have their own log in for tracking. Bergeron reviewed the pricing for NetMotion for 150 licenses. Nelson mentioned KenCom would keep the list of all users and passwords. Koeppel is going to set up a meeting with representatives from NetMotion to give a presentation to both the Executive and Operations Board at the February 15th Operations Board Meeting at 2:30 p.m. After discussion there was a consensus from the board to recommend NetMotion to the Executive Board as an action item to purchase for KenCom.

Nelson called for a motion to approve the agenda. Gilmour made a motion to approve the agenda, seconded by Hausler. All members present voting aye. Motion carried.

Nelson called for Public Comments – None
Nelson called for Correspondence – Bergeron stated she received a letter that is enclosed in the packet from the City of Plano for a job well done by KenCom dispatch during an armed robbery that had occurred in Plano.

Staff Report – Bergeron gave a report on Personnel as follows: KenCom’s two new employees are both in phase two of KenCom’s training program. KenCom has two employees on FMLA. Both are working intermittently. A third employee was on FMLA for approximately two weeks at the end of December. Training as follows: Supervisor Pamela Hurtig is attending the APCO Communications Center Supervisor on-line training course which began on December 14th. Admin and Supervisors will begin the DVD training series presented by Gordon Graham on Risk Management at the first staff meeting of 2017, currently scheduled for January 20th. Monthly training for January will include PSTC DVD training on Locations and APCO PST Liability Issues. Information as follows: A New World CAD discovery meeting is scheduled for the fire agencies at 9 a.m. on January 24th at KenCom. The New World CAD demo is scheduled for 9 a.m. on January 25th at Oswego Fire Station 1. Lynette and Jen met with Hexagon on Thursday, January 12th, 2017 for preliminary discussion on Intergraph CAD. We will be scheduling a CAD demo in the near future. Lynette and Jen will be attending an Intergraph CAD demo presented to Northwest Central Dispatch on February 8th at the Embassy Suites in Schaumberg. Quarterly shift meetings with each shift were conducted Friday, December 16th, 2016. Dispatcher Sarah Berry spoke with a freelance writer who is writing an article for the Beacon News on a home delivery childbirth that occurred in September. Sarah Berry was the call taker for this incident and the birth occurred while she was on the phone. EMD pre-arrival instructions were provided. Dispatcher Melissa Lardi signed a release with Fresh Horses, Inc. for a documentary they are creating that will air on a cable channel sometime in the future. Melissa Lardi’s voice is played in a clip while Oswego PD is being filmed at an incident scene for a subject needing transport for a psych evaluation. KenCom successfully operated out of the back-up center on Wednesday, January 11th from 0600-1400 hours. Issues related to functionality of the back-up center were discovered and will be corrected prior to next month’s exercise. Future back-up rotation dates are included to occur monthly. Lynette Bergeron was invited to sit on an Emergency Management Committee for Yorkville School District 115; however, was unable to attend the January meeting. Wireless 9-1-1 statistics for the month of December 2016 represented 77% of calls received.
