CITIZENS TO BE HEARD

Sharon Johnson 1457 Crimson Ln, Yorkville stated that she volunteered at the Kendall County Animal Control less than a year ago. Ms. Johnson was able to see firsthand the amazing group of people that make up the Kendall County Animal Control; the experience and leadership have proven that a time limit on animals should be eliminated.

Tom Novak 15 Winding Creek Rd, Yorkville stated that he is an advocate for pets/animals at the Kendall County Animal Control. Mr. Novak said that he is strongly against the current 37 day animal euthanasia policy. He feels the decision should be left up to the professional staff that cares for them on a daily basis. As a volunteer he has observed the amount of effort that is expended to care for the health, safety and placement of all the animals. Hundreds of hours of care go into getting the animals into a permanent loving home. It would be cruel to eliminate an animal because the clock has run out on its stay. He does understand that there are exceptions to be made for old age, poor health and temperament.

EXECUTIVE SESSION

Chairman Shaw moved the Executive Session to the end of the meeting.

STATE’S ATTORNEY 2013 REPORT

The Kendall County State’s Attorney’s Office issued its 2013 year-end report, which reports case statistics, revenue and budget details, as well as comparisons to previous years. The majority of the resources from the State’s Attorney’s Office are dedicated to the prosecution of criminal cases. Eight assistant state’s attorneys and the State’s Attorney handled nearly 14,000 new criminal/traffic files last year. A break down of the cases filed and the dispositions of those cases are detailed below:

Authorize State’s Attorney to Present its Per Diem and Mileage Audit Findings to Per Diem Ad Hoc Committee

State’s Attorney, Eric Weis stated that the entire forensic audit investigation is not complete however they are prepared to move forward to bring some recommendations and some of the findings to the committee or the County Board. State’s Attorney Weis stated that he has been put in an awkward position trying to advise the County since he represents the County Board and the County itself. His recommendation is to authorize the Per Diem Committee, which has no members that have been a part of the audit itself, to allow them to hear the findings and make recommendations and ultimately decide which course of action if any to take.

Member Purcell asked what the difference would be if this was presented at the Per Diem Committee meeting versus the Committee of the Whole meeting. State’s Attorney Weis stated that the board members are free to attend any meeting they choose whether they are on the committee or not. He stated that it makes more sense to present it to a committee that has no interested party on the board; it makes it easier to have an open discussion. Board members discussed how the members that are being investigated would have to vote if was presented at a board meeting.

Members set the Per Diem Ad Hoc Committee meeting for January 30, 2014 at 4:00pm.

Member Koukol made a motion to authorize the Kendall County State’s Attorney’s Office to present its per diem and mileage audit findings to the Kendall County Board Per Diem Ad Hoc Committee in lieu of the full County Board. Member Wehrli seconded the motion. Chairman Shaw asked for a roll call vote on the motion. Members voting aye include Cesich, Cullick, Gilmour, Gryder, Koukol, Prochaska, Shaw and Wehrli.
