County of Kendall, Illinois
Resolution 18 – 32

A RESOLUTION CALLING FOR THE GENERAL ASSEMBLY TO OPPOSE INCREASING THE AGE OF “DELINQUENT MINORS”

WHEREAS, Illinois Counties are subject to countless unfunded mandates, numerous budget challenges, and legal constraints,

WHEREAS, the Juvenile Court Act of 1987 (the “Act”) currently defines a “delinquent minor” as “any minor who prior to his or her 18th birthday has violated or attempted to violate, regardless of where the act occurred, any Federal, State, County or municipal law or ordinance”; and

WHEREAS, provides in the Article concerning delinquent minors that on and after January 1, 2019, “delinquent minor” includes a minor who prior to his or her 19th birthday has committed a misdemeanor offense and has violated or attempted to violate, regardless of where the act occurred, a federal law or State law, or county or municipal ordinance; and

WHEREAS, House Bill 4581 of the 100th General Assembly seeks to amend the definition of “delinquent minor” to increase the age from 18 to 19 years on January 1, 2018, and from 19 to 21 years, on January 1, 2021; and

WHEREAS, increasing the age for which an individual can be considered a delinquent minor will substantially increase the burdens on Illinois Counties and their respective Sheriff, Corrections, and Probation operations; and

WHEREAS, passage and approval of House Bill 4581 will only further exacerbate the fiscal challenges faced by Illinois Counties who are already subject to countless other unfunded mandates and increasingly difficult budget challenges, as well as complicated legal constraints related to the Act.

NOW, THEREFORE, BE IT RESOLVED by the Members of the Board of Kendall County, Illinois urges the Governor and the General Assembly to oppose House Bill 4581.

BE IT FURTHER RESOLVED; that the County Board directs the County Administrator to transmit suitable copies of this Resolution to the Governor of the State of Illinois, Speaker and Minority Leader of the Illinois State House of Representatives, to the President and Minority Leader of the Illinois State Senate, to all members of the General Assembly representing any portion of Kendall County, and to the Executive Directors of Metro Counties, United Counties Council of Illinois, and the Illinois Association of County Board Members and Commissioners.

PRESENTED and ADOPTED by the County Board, this 5 day of June 2018.

Co Board 6/19/18
CITIZENS TO BE HEARD

Todd Milliron commented about the Yorkville City Council holding the solar field hostage because the County Board refused to bless the Yorkville TIF#1 and #2. Mr. Milliron understands why the Board did not bless the TIFs; it takes money out of the County taxpayer pockets in the future if the TIF is employed. Mr. Milliron suggested that the City Council be reminded that the tax payers of Yorkville that are also Kendall County tax payers and they will be penalized and required to pay higher kilowatt charges for electricity for the Courthouse, Jail and Health Department.

ADJOURNMENT

Member Hendrix moved to adjourn the County Board Meeting until the next scheduled meeting. Member Prochaska seconded the motion. Chairman Gryder asked for a voice vote on the motion. All members present voting aye. Motion carried.

Approved and submitted this 11th day of July, 2018.

PUBLIC COMMENT
Stevie DuPont, Sleezer Road, provided a history of his work in the energy industry. He explained how the national grid worked. He stated that Illinois has an energy reserve. Energy usage is decreasing nationwide. He does not believe demand exists. He does not believe that many homes would benefit from the solar panels. He stated that the developer has installed solar panels for specific cases and, in some instances, are not near homes. Mr. DuPont stated that greenhouse gas in generated to make the solar panels and the solar panels could contaminate the soil if the solar panels break. He submitted an abstract on a book regarding solar panel safety and other websites. He advocated that training for the Newark Fire Protection District should occur annually and that the Newark Fire Protection District should have a HAZMAT team. He also advocated for a leak proof container below the solar farm. He also discussed people being sensitive to electromagnetic waves.
Patrick Kinnally, attorney for Tom and Mary Bromeland, presented a packet of information. Big Grove Township is largely agricultural and solar farms are not mentioned in the Land Resource Management Plan or Kendall County Zoning Ordinance. He would like to see the County develop a solar panel zoning ordinance with standards for a solar farm. He expressed concerns that subsequent requests for solar farms will follow the regulations approved in the proposed solar panel special use. He argued that the farmland should not be taken out of agricultural protection. No information was provided regarding comparable sale of land in Kendall County. He expressed concerns regarding water draining onto his clients’ property. He also expressed concerns regarding hazardous substances on the property. Mr. Kinnally favored a bond in the amount at least one point five (1.5) times the projected decommissioning costs.

Tom and Mary Bromeland, Newark Road, discussed the wetlands on the property. He brought a flash drive with pictures; Mr. Asselmeier will send pictures to Committee members. They also submitted a petition from neighbors opposed the special use permit.

Nancy Harazin, owner of 16400 Newark Road, provided a history of living in Kendall County. She would like to use the land to generate solar energy. She said that solar energy is a safe, renewable energy source.

Maurice Ormiston, Newark Road, said the he farmed the property several years ago. He believes that solar panels are continuation of other changes in the County like wind turbines; he is in favor of the proposal.

Judy DuPont, Sleezer Road, said that the area receives less than one hundred (100) sunny days per year. Ms. Harazin does not live on her farm.

PETITIONS

Petition 18-15-Nancy Harazin on Behalf of Nancy L. Harazin Trust Number 101-Request for a Special Use Permit for a Public or Private Utility-Other (Solar Panels) at 16400 Newark Road, Approximately 0.2 Miles East of Route 71 on the South Side of Newark Road (PIN: 07-05-400-003) in Big Grove Township; Property is Zoned A-1

Alex Farkas, Borrego Solar, said that they shrunk the system. The system has been moved further west. Trees will also be planted north of the solar array. None of the hazardous materials stated previous are inside the solar panels. The panels contain mono-crystal silicon. He stated this project has received one (1) of the best reports for interconnection costs. The environmental study was previously included in the application packet. They will upgrade the drain tile. Low mow turf will be planted under the panels. They are open to a decommissioning bond.

Margaret Blum, GreenbergFarrow, explained what would happen to the project if they needed to go through wetland permitting. They also provided a picture of the Bromeland residence taken from the corner of the site. She also discussed the project in relations to the wetlands. Member Gilmour asked about the materials inside the solar panels. The key material is mono-crystal silicon which is not hazardous. The panels are manufactured in China.

Mike Massie, attorney for Borrego, discussed the comparisons used for appraisals. There was no negative impact caused by solar panels from the sites examined. He argued that above ground drainage should be improved. The environmental impacts are part of the record.
Jim Coyle, GreenbergFarrow, noted that the proposed turf would provide less runoff than the current crops. Fifteen feet (15’) will be dedicated to the County for erosion control. The wetland buffers is the distance that Borrego is maintaining from the wetlands. Discussion occurred regarding the definition of farmed wetland.

Patrick Kinnally said that he did not hear information about water displacement. He also expressed concerns about the composition of the solar panels. He would like the property to stay as farmland.

Jim Coyle stated that Borrego did submit drainage calculations to Greg Chismark.

Margaret Blum noted that environmental reports were submitted.

The consensus of the Committee was to amend 2.C of the proposed ordinance by setting the measurement of the tree height from the top of the root ball.

Discussion occurred regarding bonding. The consensus of the Committee was to create a bond at Two Hundred Thirty Thousand Dollars ($230,000) for decommissioning of the site. This would be included in 2.F of the proposed ordinance.

The consensus of the Committee was to amend 2.G of the proposed ordinance by stating that the decommissioning plan shall be voted on by the County Board and requires a simple majority to pass. The second sentence regarding maintenance shall be deleted.

The consensus of the Committee was to amend 2.H of the proposed ordinance by stating that the six (6) months for completing decommissioning starts with the approval of the County Board.

The consensus of the Committee was to amend 2.O of the proposed ordinance so that the decommissioning plan may be initiated within ninety (90) days if no timetable was reached. The timetable must be approved by Planning, Building and Zoning Committee.

Member Kellogg asked what would be planted between the trees and road where sheet erosion is occurring. The response was that the right-of-way would be dedicated to address the concerns and grass would be planted. The consensus of the Committee was to amend 2.P of the proposed ordinance to amend the site plan to have a waterway or place a solid tile under the trees to address sheet erosion to the property north of the subject property.

The consensus of the Committee was to amend 2.R of the proposed ordinance to initiating the decommissioning plan to the revocation or amendment to the special use permit.

The Committee expressed a need to verify that the panel materials are not hazardous.

Motion by Member Kellogg, seconded by Member Gryder, to recommend approval of the special use permit ordinance as amended and that the proposal be forwarded to the July Committee of the Whole meeting with additional discussion at the August Committee of the Whole meeting.

**Petition 18-14-Michael and Dayle Saar-Request for a Map Amendment Rezoning Their Property Located on the East Side of Route 71 Approximately 0.06 Miles Southwest of Timbercreek Drive (PIN: 05-07-328-003) in Kendall Township from A-1 to R-1**

Mr. Asselmeier summarized the request.

Michael and Dayle Saar are requesting a map amendment rezoning the majority of the subject property from A-1 to R-1 in order to have the ability to sell the property and market the property as a single-family home site.

The petitioners own one (1) of the houses northeast of the subject parcel. They would like to divide a portion of the northeast corner off of the subject property and merge it with their property in the Timber Creek Subdivision and rezone the northeast corner to R-3 at some point in the future.

Staff recommends approval of the proposed map amendment because the proposal is consistent with the Land Resource Management Plan.

Petition information was sent to Kendall Township on April 20, 2018. Kendall Township did not submit a formal objection to this request.

Petition information was sent to the United City of Yorkville on April 20, 2018. The proposal went to the Yorkville Economic Development Commission on June 5th, the Yorkville Planning Commission on June 13th, and the Yorkville City Council on June 26th. The United City of Yorkville did not submit a formal objection to this request.

ZPAC met on this proposal on May 1, 2018. They unanimously recommended approval of the request.

The Kendall County Regional Planning Commission met on this proposal on May 23, 2018. They unanimously recommended approval of the request.

The Kendall County Zoning Board of Appeals met on this proposal on June 4, 2018. They unanimously recommended approval of the request.

EcoCAT Report submitted and consultation was terminated.

The application for NRI was submitted on April 12, 2018. LESA score was 178 indicating a low level of protection.

Motion by Member Kellogg, seconded by Member Gryder, to recommend approval of the requested map amendment.

Petition 18-22-Robert M. Eby on Behalf of Southwest Community Church and Geraldine A. Mann on Behalf of Geraldine Declaration of Trust-Request for a Revocation of a Special Use Permit for a Place Worship at 4405 Van Dyke Road and the Property Immediately to the East of 4405 Van Dyke Road (PINs: 09-05-400-021 and 09-05-400-020) in Seward Township; Both Properties are Zoned A-1

Mr. Asselmeier summarized the request.

The Southwest Community Church owns the property at 4405 Van Dyke Road. They received a special use permit in 2008 to have a place of worship on the property. Later in 2008, the County Board approved an amendment to the Southwest Community Church special use permit to allow the house on the property to be used as office space. The Southwest Community Church desires to sell the property for residential use and no longer wishes to have a special use permit on the property.

Based on the legal descriptions provided in the ordinances granting the special use permit at 4405 Van Dyke Road and amending the special use at the same address, the property immediately to the east of 4405 Van Dyke Road was inadvertently added to the special use permit. The owner of that property, Geraldine Declaration of Trust, would like the zoning of their property corrected by also having the special use permit revoked on their property.

If the proposed revocation is approved, both properties would be zoned A-1 Agricultural.

Motion by Member Kellogg, seconded by Member Gryder, to recommend approval of the requested special use permit revocation.

NEW BUSINESS

Discussion of Zoning Ordinance Consolidation Project-Project Would Unify the Zoning Ordinance into One Searchable Document, Correct Typographical Errors, and Correct Citation Errors

Mr. Asselmeier summarized the request.

The Kendall County Zoning Ordinance is currently nineteen (19) separate documents. None of these documents are directly connected. As such, unlike many municipalities and counties, the Kendall County Zoning Ordinance is not a searchable document. In addition, several typographical and citation errors exists within the Kendall County Zoning Ordinance.

At the direction of County Administrator Koeppel, Staff asked Teska Associates, Inc. for a price quote to unify the Kendall County Zoning Ordinance into one (1) searchable document and correct typographical errors and citation errors.
As of the date of this memo, adequate funds exist in the Planning, Building and Zoning Department’s budget in the current fiscal year for this project. The project could also be postponed into the next fiscal year, if the Committee deems appropriate.

Motion by Member Kellogg, seconded by Member Gryder, to recommend advance the project in the current fiscal year as proposed.

The motion carried. Mr. Asselmeier will inform Teska Associates, Inc. of the Committee’s decision.

Discussion of NPDES Related Survey to Townships and Residents
Mr. Asselmeier summarized the request.

According to Kendall County’s NPDES Permit, the County is supposed to survey residents and townships annually on stormwater related topics. WBK provided a list of questions.

Staff was wondering if the Committee had any suggested questions they would like included on the survey.

Staff is considering using SurveyMonkey to gather information from residents. The cost of the survey depends on the length of time the survey is available. The cost is Thirty-Seven Dollars ($37) per month. Surveys will be mailed to the townships.

The consensus of the Committee was to move forward with the surveys with no additional questions.

OLD BUSINESS
Update on 45 Cheyenne Court-Committee Could Approve Forwarding Violation to Either State’s Attorney’s Office or Hearing Officer
Greg Stromberg, owner of 45 Cheyenne Court, provided a timeline for completing the project. Based on the timeline, he will have everything complete except the placement of stone by October 30th. The Committee did not express opposition to his proposal.

Update on Removal of the Culvert Crossing of Aux Sable Creek near 13360 McKanna Road; Property is Owned by Mark Antos
Mr. Asselmeier provided a picture of Mark Antos’ bridge. Mr. Antos intends to pour concrete on July 13th.

Request from the Kendall County Regional Planning Commission to Amend Petition 17-28 Pertaining to Outdoor Target Practice and Shooting Zoning Regulations by Creating Separate Regulations for Shotguns, Pistols, and Rifles and Removing the Exemption of State Owned Property and Forest Preserve Owned Property from the Proposal
Mr. Asselmeier summarized the request.
At their meeting on June 27, 2018, the Kendall County Regional Planning Commission requested that the Planning, Building and Zoning Committee consider the following amendments to the proposed outdoor shooting range zoning regulations:

The exemption for the Forest Preserve District and lands owned by the State of Illinois and used for parks should be removed. The public health, safety, and welfare issues that the proposal seeks to address are the same for publicly owned lands and privately owned lands.

The Commission would like the proposal divided into three (3) parts: shotgun, rifle, and pistol. The Commission believes that this division would resolve issues related to minimum lot size and distance to neighboring structures. In talking with PBZ Chairman Davidson, Staff believes that the resulting division would simply cause petitioners to request three (3) special use permits.

Commissioners were concerned regarding the removal of the five (5) acre minimum lot size requirement; ranges would simply have to meet the setbacks of the zoning district. PBZ Chairman Davidson would like the setbacks to be determined on a case-by-case basis.

Commissioners were concerned regarding the removal of the one thousand foot (1,000') buffer between ranges and churches, schools, and neighboring houses. PBZ Chairman Davidson would like the distances to be determined on a case-by-case basis.

Commissioners were concerned about the noise requirement. Unlike other noise regulations, the sixty-five (65) dBA requirement would be constant instead of lowering to fifty-five (55) dBA at 10:00 p.m. PBZ Chairman Davidson would like the noise regulations to be evaluated on a case-by-case basis.

David Lombardo stated that the Commission had valid concerns. He stated that ranges should be regulated by length of range instead of by weapon. A range should also be evaluated based on the proximity of neighbors.

Member Kellogg was not concerned about the five (5) acre requirement because of the berm calculations, setbacks, and noise provisions.

The Forest Preserve is exempt from zoning if it is engaged in activities allowed by the Downstate Forest Preserve Act.

The concern about dividing the proposal into three (3) parts would be handled on a case-by-case basis.

Mark Perle, Old Ridge Road, would like to see commercial businesses to be subject to commercial gun range regulations. He would like to see a maximum number of shooters on private commercial property. Discussion occurred about shooting coming from one property and hitting nearby houses.

The consensus of the Committee was not to make any changes to the proposal.

This matter will go to the Planning Commission on July 25th.

PUBLIC COMMENT
Member Gryder requested an update on the process for updating County ordinances. Mr. Asselmeier reported that the Department is working with the State’s Attorney’s Office to update the Inoperable Vehicle Ordinance, Junk and Debris Ordinance, and Zoning Ordinance in that order. Once these regulations are updated, the intent is to allow the Inspector to have ticket writing ability.

Jim Williams, Boulder Hill, expressed his support for the Inspector to have authority to make citations on sight. Mr. Holdiman will attend a future meeting in Boulder Hill. Discussion occurred regarding the definition of “business” and “home occupation.” He also requested clarification of parking trailers in the street.

INTRODUCTION
Michael and Dayle Saar are requesting a map amendment rezoning the majority of the subject property from A-1 to R-1 in order to have the ability to sell the property and market the property as a single-family home site.

The petitioners own one (1) of the houses northeast of the subject parcel. They would like to divide a portion of the northeast corner off of the subject property and merge it with their property in the Timber Creek Subdivision and rezone the northeast corner to R-3 at some point in the future.

RECOMMENDATION
Staff recommends approval of the proposed map amendment because the proposal is consistent with the Land Resource Management Plan. The proposed ordinance is attached to this memo.

ACTION SUMMARY
KENDALL TOWNSHIP
Petition information was sent to Kendall Township on April 20, 2018. Kendall Township did not submit a formal objection to this request.

UNITED CITY OF YORKVILLE
Petition information was sent to the United City of Yorkville on April 20, 2018. The proposal went to the Yorkville Economic Development Commission on June 5th, the Yorkville Planning Commission on June 13th, and the Yorkville City Council on June 26th. The United City of Yorkville did not submit a formal objection to this request.

ZPAC
ZPAC met on this proposal on May 1, 2018. They unanimously recommended approval of the request.

KCRPC
The Kendall County Regional Planning Commission met on this proposal on May 23, 2018. They unanimously recommended approval of the request.

ZBA
The Kendall County Zoning Board of Appeals met on this proposal on June 4, 2018. They unanimously recommended approval of the request. The record of decision, including minutes of other County related meetings on this topic can be found at https://www.co.kendall.il.us/wp-content/uploads/Petition_18-14.pdf.

PBZ COMMITTEE
The Planning, Building and Zoning Committee met on this proposal on July 9, 2018. They unanimously recommended approval of the request.

FINDINGS OF FACT
Existing uses of property within the general area of the property in question. The area is a mix of agricultural, farmstead, and rural estate residential uses.

The Zoning classification of property within the general area of the property in question. The
properties to the east are zoned R-3. R-1, R-3, and Yorkville residential zoning are within ½ mile of the subject property.

The suitability of the property in question for the uses permitted under the existing zoning classification. The property is too small for most modern agricultural uses. Homes are located on adjoining properties to the east and north and the subject property lacks an agricultural housing allocation which prevents the construction of a home on the property without a map amendment. The property would be suitable for most single-family residential related uses.

The trend of development, if any, in the general area of the property in question, including changes, if any, which may have taken place since the day the property in question was in its present zoning classification. The Zoning Board of Appeals shall not recommend the adoption of a proposed amendment unless it finds that the adoption of such an amendment is in the public interest and is not solely for the interest of the applicant. The Zoning Board of Appeals may recommend the adoption of an amendment changing the zoning classification of the property in question to any higher classification than that requested by the applicant. For the purpose of this paragraph the R-1 District shall be considered the highest classification and the M-2 District shall be considered the lowest classification. The proposed amendment fits the development of the area. This area will likely continue to become more residential if the United City of Yorkville continues to annex properties in the area. The proposed amendment benefits the Petitioner by giving him the opportunity to market and sell the property for a residential purpose instead of a purely agricultural use.

Consistency with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. The proposed amendment is consistent with the Land Resource Management Plan.

PHYSICAL DATA

ENDANGERED SPECIES REPORT
EcoCAT Report submitted and consultation was terminated.

NATURAL RESOURCES INVENTORY
The application for NRI was submitted on April 12, 2018. LESA score was 178 indicating a low level of protection.

GENERAL INFORMATION
The Petitioner desires the map amendment in order to have the ability to market and sell the property for single-family use. The subject property does not have an allocation for the construction of a home and does not possess forty (40) acres. Therefore, a map amendment is required in order to construct a home onsite.
The Petitioner does not believe that the property is large enough for farming.

The Land Resource Management Plan calls for this area to be rural residential in the future. Existing single-family homes are located to the north and east of the subject property. For these reasons, Staff does not believe that the approval of this request would constitute spot zoning.

**BUILDING CODES**
Any new homes or accessory structures would be required to meet applicable building codes.

**ACCESS**
The property fronts Route 71. Staff has no concerns regarding the ability of Route 71 to support a proposed home at this location.

**ODORS**
No new odors are foreseen.

**LIGHTING**
Any new lighting would be for residential use only. Staff does not foresee any concerns regarding lighting.

**SCREENING**
No fencing or buffer is presently planned for the property. Any new fences or plantings would be for a residential use. Any new fences would have to follow applicable regulations.

**STORMWATER**
Any new homes would have to be constructed per Kendall County’s Stormwater Management Ordinance.

**UTILITIES**
Electricity is near the property. A new well and septic system would have to obtain applicable permits.

ORDINANCE NUMBER 2018-_______

MAP AMENDMENT FOR A 4.23 ACRE +/- PARCEL LOCATED APPROXIMATELY 0.06 MILES SOUTHWEST OF TIMERCREEK DRIVE ON THE EAST SIDE OF ILLINOIS ROUTE 71 AND IDENTIFIED BY PARCEL IDENTIFICATION NUMBER 05-07-328-003 IN KENDALL TOWNSHIP
Rezone from A-1 to R-1

WHEREAS, Section 13.07 of the Kendall County Zoning Ordinance permits the Kendall County Board to approve map amendments and provides the procedure through which map amendments are granted; and

WHEREAS, the property which is the subject of this Ordinance has been, at all relevant times, and remains currently located within the A-1 Agricultural Zoning District and consists of approximately 4.23 acres located on the east side of Illinois Route 71 approximately 0.06 miles southwest of Timbercreek Drive (PIN: 05-07-328-003), in Kendall Township. The legal description for the subject property is set forth in Exhibit A attached hereto and incorporated by reference, and this property shall hereinafter be referred to as “the subject property.”; and

WHEREAS, the subject property is currently owned by Michael and Dayle Saar and shall hereinafter be referred to as “Petitioner”; and

WHEREAS, on or about April 12, 2018, Petitioner filed a petition for a Map Amendment rezoning the subject property from A-1 Agricultural District to R-1 One-Family Residential District in order to market the property for sale and to construct a single-family home on the property at some point in the future; and

WHEREAS, following due and proper notice by publication in the Kendall County Record not less than fifteen days prior thereto, the Kendall County Zoning Board of Appeals conducted a public hearing on June 4, 2018, at 7:00 p.m., in the County Office Building at 111 W. Fox Street in Yorkville, at which the Petitioner presented evidence, testimony, and exhibits in support of the requested map amendment and zero members of the public asked questions or testified in favor or testified in opposition to the request; and

WHEREAS, based on the evidence, testimony, and exhibits, the Kendall County Zoning Board of Appeals has made their findings of fact and recommended approval of the Map Amendment as set forth in the Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals, dated June 4, 2018, a true and correct copy of which is attached hereto as Exhibit B; and

WHEREAS, the Kendall County Planning, Building and Zoning Committee of the Kendall County Board has reviewed the testimony presented at the aforementioned public hearing and has considered the Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals, and has forwarded to the Kendall County Board a recommendation of approval of the requested Map Amendment; and

WHEREAS, the Kendall County Board has considered the recommendation of the Planning, Building and Zoning Committee and the Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals, and has determined that said petition is in conformance with the provisions and intent of the Kendall County Zoning Ordinance; and

NOW, THEREFORE, BE IT ORDAINED, BY THE COUNTY BOARD OF KENDALL COUNTY, ILLINOIS, as follows:

1. The Findings of Fact and Recommendation of the Kendall County Zoning Board of Appeals attached
hereto as Exhibit B is hereby accepted and the Findings of Fact set forth therein are hereby adopted as the Findings of Fact and Conclusions of this Kendall County Board.

2. The Kendall County Board hereby grants approval of Petitioner’s petition for a Map Amendment rezoning the subject property from A-1 Agricultural District to R-1 One-Family Residential District as depicted on the drawing attached as Exhibit C hereto and incorporated herein.

3. The Zoning Administrator and other appropriate County Officials are hereby authorized and directed to amend the Official Zoning Map of Kendall County to reflect this Map Amendment.

IN WITNESS OF, this ordinance has been enacted by a majority vote of the Kendall County Board and is effective this 17th day of July, 2018.

Re: Petition 18-22-Repeal of Special Use at 4405 Van Dyke Road and the Property Immediately to the East of 4405 Van Dyke Road

The Southwest Community Church owns the property at 4405 Van Dyke Road. They received a special use permit in 2008 to have a place of worship on the property. Later in 2008, the County Board approved an amendment to the Southwest Community Church special use permit to allow the house on the property to be used as office space. I, Robert M. Eby, am the President and Lead Pastor of the Southwest Community Church of the Assemblies of God ("Church"), owner at 4405 Van Dyke Road, Minooka, IL 60447. In this capacity, I am authorized to make the request in this letter on behalf of the Church.

On April 15, 2008, the property was granted a special use (Ordinance 2008-11). The special use granted in 2008 was granted for the operation of a church. The special use permit was amended on June 3, 2008 (Ordinance 2008-21) by allowing the house to be used as an office.

Pursuant to Section 13.08.F of the Kendall County Zoning Ordinance, I hereby voluntarily request on behalf of the Church that Kendall County revoke the Church’s special use permits on the above-referenced property. By signing below, I acknowledge that no public hearing shall be conducted for revocation of the special use permits. I understand that the requested revocation shall not become effective unless and until approved by a majority vote of the Kendall County Board. By signing below, I hereby waive my right and the Church’s right to a public hearing and formally request the above-referenced special use be removed from the Church’s property.

Re: Parcel Number 09-05-400-020

To Whom it May Concern:

I, Geraldine A. Mann, represent the Geraldine Declaration of Trust, owner of the property on the north side of Van Dyke Road between 4405 and 4295 Van Dyke Road, Minooka, Illinois, and identified by Parcel Number 09-05-400-020.

On June 18, 2018 I received a letter dated June 15, 2018 from Matthew Asselmeier advising me that I owned a property in Kendall County that possessed a special use permit. I followed up with an email on that same day, asking for more details, and received a response identifying the above captioned property as the one possessing a special use permit.

According to the information provided in Mr. Asselmeier’s response, the property was granted a special use (Ordinance 2008-11) on April 15, 2008 for the operation of a church. I also learned that this special use permit was amended on June 3, 2008 (Ordinance 2008-21) by allowing the house to be used as an office.

It would appear that my property was mistakenly included in a request made by Southwest Community Church who purchased 5.72 acres which adjoins my 16+- acres. Furthermore, I have no recollection of giving anyone permission to make such a request on my behalf. Also, it is important to note that I have been paying property taxes on this property since the date the special use (operation of a church) was granted.

In short, I hereby request that a correction be made in the Kendall County Zoning records, showing that the above captioned property should not have been classified under a special use permit.

ORDINANCE NUMBER 2008 - XX

GRANTING A SPECIAL USE for the
OPERATION OF A CHURCH to
SOUTHWEST COMMUNITY CHURCH

WHEREAS. Southwest Community Church, has filed a petition for a Special Use within the A-1 Agricultural Zoning District for the operation of a church pursuant to Section 7.01.D.7 of the Kendall County Zoning Ordinance for a 23 acre property located on the north side of Van Dyke Road between Grove Road and Mc Kanna Road, commonly known as 4405 Van Dyke Road (Pin #09-05-400-016), in Seward Township, as legally described in “Exhibit A”; and

WHEREAS. said petition is to allow the operation of a church and use the existing barn as an administration building for 3-4 full time employees; and

WHEREAS. all procedures required by the Kendall County Zoning Ordinance were followed including notice for public hearing, preparation of the findings of fact, and recommendation for approval by the Special Use Hearing Officer held on March 25, 2008; and

WHEREAS. the Kendall County Board finds that said petition is in conformance with the provisions and intent of the Kendall County Zoning Ordinance; and

WHEREAS. this special use shall be treated as a covenant running with the land and is binding on the successors, heirs, and assigns as to the same special use conducted on the property; and

NOW, THEREFORE, BE IT ORDAINED, that the Kendall County Board hereby grants approval of a special use zoning permit per section § 7.01.D.7 (A-1 Special Uses-Churches) to permit the use indicated in the recitals section of this Ordinance and as indicated on the submitted Site Plan included as Exhibit “B” attached hereto and incorporated herein., subject to the following conditions:
1. The future church campus be submitted for site plan approval through the standard process called out in Section 13 of the Zoning Ordinance to make sure all requirements are met for the future buildings, including landscape plans and elevations.

2. The sign can be submitted as a building permit before site plan approval as long as it is in the same location shown on the plan.

3. Certificate of Occupancy and change in use is required prior to occupying and using the barn as an administration building.

4. Dedication of 20' trail easement prior to Certificate of Occupancy.

Failure to comply with the terms of this ordinance may be cited as a basis for amending or revoking this special use permit.

IN WITNESS OF, this ordinance has been enacted on April 15, 2008.

GRANTING A SPECIAL USE for the OPERATION OF A CHURCH to SOUTHWEST COMMUNITY CHURCH

WHEREAS, Southwest Community Church, has filed a petition for a Special Use within the A-1 Agricultural Zoning District for the operation of a church pursuant to Section 7.01.D.7 of the Kendall County Zoning Ordinance for a 23 acre property located on the north side of Van Dyke Road between Grove Road and McKanna Road, commonly known as 4405 Van Dyke Road (Pin # 09-05-400-020 & 09-05-400-021), in Seward Township, as legally described in "Exhibit A"; and

WHEREAS, said petition was approved on April 15, 2008 by the County Board as ordinance #08-11 for the operation of a church;

WHEREAS, said ordinance stipulated Southwest Community Church would utilize the existing barn for administrative purposes limited to 3-4 full time employees and group meetings;

WHEREAS, the testimony indicated the administration building would be utilized as administrative offices and meeting room space for church groups;

WHEREAS, the church now desires to utilize the existing residence as an administration office for 3-4 full time employees while retaining the ability to utilize the barn as meeting room space for church groups;

WHEREAS, the change is in keeping with the intended use of the property as approved by the Board and does not result in an increase in intensity of said use;
WHEREAS, the Kendall County Board finds that said petition is in conformance with the provisions and intent of the Kendall County Zoning Ordinance; and

WHEREAS, this special use shall be treated as a covenant running with the land and is binding on the successors, heirs, and assigns as to the same special use conducted on the property; and

NOW, THEREFORE, BE IT ORDAINED, that the Kendall County Board hereby amends ordinance #08-11 to provide for the following: approval of a special use zoning permit per section § 7.01.D.7 (A-1 Special Uses-Churches) to permit the use indicated in the recitals section of this Ordinance and as indicated on the submitted Site Plan included as Exhibit “B” attached hereto and incorporated herein, subject to the following conditions:

APPROVAL OF MINUTES – Member Flowers, second by Member Gilmour to approve the June 20, 2018 minutes. **With three members voting aye, the minutes were approved.**

DEPARTMENT HEAD AND ELECTED OFFICIAL REPORTS

*Administration Department* – Mr. Koeppel updated the Committee that the County is complying with the recent Janus Supreme Court decision. In addition, Horton group took over as the broker for Health Insurance on July 1st.

*Technology Department* – Mr. Kinsey stated that on the Cybersecurity audit the County had an overall good showing. There was some areas to address, however.

PUBLIC COMMENT - None

COMMITTEE BUSINESS

- **Approval of 2019 County Holiday Schedule**
  The Committee stated that the Holiday schedule for next year needs to be adopted. The schedule was from the 23rd Judicial Circuit Court. It does not apply to the Forest Preserve.

  Member Gilmour made the motion to move send it to the County Board. Member Flowers seconded. **With three members voting aye, the motion was approved.**
Select three dates for Employee Appreciation Events (September/October)
The Committee discussed possible dates for the Employee Appreciation events. The 2nd Board meeting in September or October was proposed for the event to be held at the County Office Building. Other events will be held on the other campus as well. The Committee directed staff to come up with dates that work well.

Approval for Request to Bid for SAN 2018 Proposal
Mr. Kinsey stated that he wanted approval to put out the bid for the SAN system. It was in the budget for $45,000. No final action is being taken, as the bids will come back to Admin/HR Committee and Board for selection and approval.

Member Gilmour made the motion to approval, and Chair Cullick seconded. With three members voting aye, the motion was approved.

Discussion and Recommendations regarding FOIA requests for GIS Parcel Data Shapefiles
Mr. Koeppel stated that after additional research he found a policy was passed by the Board in September 2014 outlining that data should be placed on the website, but there was some points that were unclear. Mr. Koeppel suggested creating a policy dictating what goes on the website. He was in favor as much layers as possible. Mr. Kinsey added that other counties do put their information up on their website.

Member flowers motioned for this topic to be placed on the next Committee of the Whole agenda. Member Gilmour seconded. With three members voting aye, the motion was approved.

Review and Recommendations for update to Kendall County Non-Capital Furniture/Equipment Disposal Policy
Mr. Koeppel stated that he had found a policy, but was uncertain if it had ever come through Committee or passed by the Board. He stated he would like staff input and to bring it back to the Committee. The Committee agreed that staff should draft a policy and bring it back to Committee for review.

EXECUTIVE SESSION

At 6:22 pm, Member Gilmour made a motion to enter Executive for Security procedures, school building safety and security, and the use of personnel and equipment to respond to an actual, a threatened, or a reasonably potential danger to the safety of employees, students, staff, the public, or public property.

Member flowers seconded. Roll call vote – Gilmour- aye, Flowers – aye, Cullick – Aye. With three members voting aye, the meeting moved into closed session.
At 6:39 pm, the Committee left executive session and resumed the open meeting.

HIGHWAY COMMITTEE MINUTES

DATE: July 10, 2018
LOCATION: Kendall County Highway Department
MEMBERS PRESENT: Matt Kellogg, Judy Gilmour and Lynn Cullick
STAFF PRESENT: Ginger Gates, Fran Klaas and John Burscheid
ALSO PRESENT: PJ Fitzpatrick and Kelly Farley

The committee meeting convened at 4:02 P.M. with roll call of committee members. Gryder and Davidson absent. Quorum established.

Motion Gilmour; second Cullick to approve the agenda as presented. Motion approved unanimously.

Motion Cullick; second Gilmour to approve the Highway Committee meeting minutes from June 12, 2018. Motion approved unanimously.

Bid opening was held on July 10, 2018 for replacement of a box culvert on Ament Road using the Township Bridge Program. Motion Cullick; second Gilmour to recommend approval of a resolution awarding contract to Riber Construction to construct the new box culvert at a total cost of $237,292. There were 4 bidders on the project. Riber’s bid was 0.63% over the engineer’s estimate. Motion to recommend approval of the resolution to the County Board approved unanimously.

Klaas and Kellogg presented proposed changes to the County’s 5-Year Transportation Plan. There were approximately a dozen proposed changes to the current Plan for proposed road and bridge construction projects over the next 5 years. The committee reviewed all of the proposed changes, and members were encouraged to think about any additional changes over the next month or two. Committee was in general agreement with the changes, and Kellogg directed the County Engineer to send the revised draft to committee members. The final version of the 2019-2023 Plan will be coming back to the Highway Committee in September for final approval.

County Engineer reminded the Committee that the County Board sets speed limits on both county and township highways. Little Rock Township has requested a reduction in the speed limit on River Road. Bristol Township has not yet requested the same reduction, but Klaas indicated that he would be speaking to the Highway Commissioner about this issue. Committee was in favor of a reduced speed on this roadway. Klaas also advised the Committee that he would like to look at a reduced speed limit on Little Rock Road, from Meyerbrook Subdivision to Galena Road. This is a narrow, winding rural roadway that may have safety benefits with a reduced speed. Committee was also in favor of looking at this section of roadway. After completing engineering studies, recommendations will be brought back to the Highway Committee for further action at a later date.

Kellogg indicated that August Highway Committee meeting will likely be cancelled because of conflicts.
PJ Fitzpatrick briefly discussed the Collins Road Extension project. Design Report approval is anticipated on August 7, 2018. This will allow the County to start thinking about the next steps for this project. WBK is working with Jackie Forbes at KKCOM for future funding opportunities.

Kellogg reported that the County is making application for a BUILD grant to fund construction of the Eldamain Road project from River Road to Illinois Route 71. Klaas discussed how this grant program provides for up to $25 million for qualifying projects; however, he didn’t believe the County would likely receive such a large amount. There might be opportunities to break the project up into smaller pieces and construct over a longer period of time. Deadline for this round of applications is July 31, 2018.

Motion Cullick; second Gilmour to forward Highway Department bills for the month of July in the amount of $1,718,221.21 to the Finance Committee for approval. Motion approved unanimously.

Motion Cullick; second Gilmour to adjourn the meeting at 4:35 P.M. Motion carried unanimously.

Respectfully submitted,

Francis C. Klaas, P.E.
Kendall County Engineer

➢ Health Department – Jason Andrade briefed the committee on a new program that will begin in the Health Department in the next few weeks – Mental Health First Aid Training. Mr. Andrade and another Mental Health employee will complete training later this summer.

Mr. Andrade shared that one in five adults are diagnosed with a mental health condition, and the suicide rate has increased twenty-three percent in Illinois. Nearly half of people that died by suicide were not diagnosed with a mental health condition.

Mr. Andrade stated that one of the steps toward educating the community is increasing the awareness of those that might need help, First Responders, Veterans, Seniors, those that have experienced loss or grief, those that have experienced trauma or crisis, and those with drug or alcohol addictions.

Individuals that might benefit from this training include community clergy and church leaders, teachers, Veteran workers, First Responders, school counselors, and medical personnel. The Health Department will begin offering training sessions in the early fall.
➢ Kendall County Soil and Water District – Jenny Wold reported that they collected over 1,000 gallons of used oil over the past weekend.

Ms. Wold also reported that they are finalizing interviews for the AG in the Classroom teacher that will replace her in early July.

Megan Andrews provided information on the U.S. Drought Monitor, and also information on Rain Gardens and Native Plants at Home. Ms. Andrews reported that the District developed a rain garden at their sight in the past few years. Ms. Andrews also stressed the importance of utilizing rain barrels in the community, and stated that rain barrels are available throughout the community.
