SUBJECT: Food Service Agreement for the Jail
DATE: June 27, 2017

This memo is to let you know that the agreement for food services with Consolidated Correctional Food Service is at a stage where we need to take action. The initial agreement started on July 7, 2016 ends on July 6, 2017. Per the agreement the parties may agree to renew this agreement for up to two (2) additional consecutive one (1) year terms (agreement attached section 4).

I am recommending that we extend the agreement for one (1) year; Consolidated Correctional Food Service has provided an adequate food product at a fair price. I am also happy with the service that they provide the jail. Consolidated Correctional Food Service has submitted a price quote for the 2017 year of the agreement (price list attached). The meals go up by 2.3% which comes out to three (3) cents per meal.

Respectfully submitted,

Deputy Commander Joseph Gillespie #7

Department Head and Elected Official Reports – Mr. Koeppel reported that the new PBZ truck will be picked up in the next few days, and that one of the PBZ trucks will be given to the Facilities Management department.

Items from Other Committees – Member Prochaska reported that there is potential for the State of Illinois to pass an LGDF decrease, which makes up approximately 11 percent of the County’s revenues, and a four-year property tax freeze. Member Prochaska will keep the committee updated on this issue.

Mr. Koeppel also reported that he received notice that if a state budget is not passed by June 30, 2017, that all funding will cease for IDOT projects. He is meeting with KAT Director Mike Neuenkirchen to discuss KAT Funding should this happen, and talked to County Engineer Fran Klaas, who stated that highway projects will definitely be affected if there are cuts in state funding.

Motion made by Member Cullick to forward to the County Board the Approval of Membership Renewal with Metro Counties in an amount not to exceed $2500, second by Member Prochaska. With a vote of 4-0, the motion passed.

- Treasurer’s Office Stipends – Discussion on the amount of work involved in transitioning the employee benefits from the Administration Office to the Treasurer’s Office, and the Treasurer’s requested stipends for staff assuming additional responsibilities for the remainder of Fiscal Year 2017; as well as the Acting County Administrator’s request for stipends for Administration staff assuming responsibilities including Workers Compensation, Property Inventory, Risk Management, Employee Recognition, OSHA, Background Checks, Employment Postings and Applications, and Gradience time records.

Member Davidson made a motion to forward to the County Board the Approval of an amount not to exceed $10,000 to the Treasurer’s Office for reorganization and assumption of Employee Benefit responsibilities, and an amount not to exceed $15,000 for staff stipends for the remainder of Fiscal Year 2017, second by Member Cullick. With a vote of 4-0, the motion passed.

Member Kellogg made a motion to forward to the County Board the Approval of an amount not to exceed $10,000 to the Administration Office for reorganization and assumption of Workers Compensation, Risk Management, Background Checks, Employment Postings, Employee Handbook maintenance, OSHA, Property Inventory, Employee Recognition, and Gradience responsibilities, and an amount not to exceed $15,000 for staff stipends for the remainder of Fiscal Year 2017, second by Member Prochaska. - Six-month Budget and Revenue Update – item tabled to the second meeting of the month
- FY18 Budget – Discussion on budget parameters, bonds, facilities, repairs, maintenance costs, and equipment replacement.

Other Business – Discussion on part-time employee hours of 600 according to a County Ordinance, and increases the number of hours to 1000 hours. Ms. Caldwell stated that the reason it hasn’t been increased previously is so that the County didn’t incur costs for IMRF. Sheriff Baird said that the County can choose the number of hours, 600 or 1000, and that it can be passed by Ordinance, and that Member Purcell was concerned about the certain number of hours within the review period/quarters, and health care. Sheriff Baird stated that he feels it’s the responsibility of the Elected Officials or Department Heads to monitor and track to ensure compliance. Sheriff Baird said that in his 11 years in Oswego, he never once went over the 1000 hours.

Member Prochaska reported that he and Member Cullick had this discussion with IMRF staff at a recent UCCI meeting in Springfield, and said they were told that employees that were already employed with
the County, and are qualified for IMRF that currently work under 600 hours, is grandfathered. To clarify, Scott Koeppel stated that if the County has people right now that work under 600 hours, and have never paid into IMRF, and if the County changes the Ordinance to 1000 hours, those people can work over 600 hours and that would be fine, but if you have employees that are working over 600 hours now, and already paying into IMRF, you would still need to continue with them as is.

Discussion on drafting an ordinance to change the number of hours to 1000 for part-time employees, and bringing the ordinance to the June 29, 2017 Finance Committee. Member Prochaska said he would like to ensure that the information presented by IMRF at the UCCI meeting was accurate, (Latreese Caldwell to research and report back to the committee).

Member Prochaska also made a motion to postpone this discussion to a time-definite, which would be the Finance Committee meeting on July 27, 2017, second by Member Kellogg. With four members voting aye, the motion carried.

OLD BUSINESS

From Facilities Committee:

- Proposal for Facilities Study by Healy, Bender & Associates, Inc. – Member Davidson reviewed the study with the committee and the recommendations from the Facilities Committee for the County Office Building. Discussion on the four parts of the proposal, and the possibility of pursuing one part at a time, instead of doing all or nothing. Member Davidson said that Phase 1 is a total of $22,500, and that he is recommending proceeding with Phase 1 for the County Office Building at this time, using money already budgeted for security. Member Davidson also said if the Board didn’t desire to proceed this year, that the money budgeted for security this year should be forwarded to next year’s budget for security. ASA Leslie Johnson said that if we have an existing relationship with this architect, that she doesn’t believe that the
County would have to go out to bid for this work, but that she would confirm that prior to the County Board meeting on June 20, 2017.

Member Hendrix said that the object here is to find out where we stand, what’s possible, and how much it would cost before it hits critical mass.

Discussion on a parking study, current storage issues and future needs, and possible transfer of the election materials and equipment to another location, and evaluation of the need for more room, storage space and parking, and the cost of simply demolishing the former funeral home, without proceeding with the other phases.

From Finance Committee:

➢ Approval of WIPFLI LLP Audit Cost not to exceed $58,750 – Member Cullick stated that the Finance Committee felt that with all of the recent turmoil and change that has occurred in the past few months, that it would be best to extend the contract with WIPFLI for one year at last year’s rate, and then go out to bid next year. Mr. Koeppel explained that the County originally had a three-year contract with two additional plus ones that could be added, and he reviewed the exact numbers for the past three years and what is proposed for the one-year extension.

OLD BUSINESS
PrairieFest Recap
Discussion occurred regarding PrairieFest. Commissioners felt that the event went well; they felt that the booth could have had a better location. Mr. Wehrli noted that more people examined the maps at the Kendall County Fair than at PrairieFest. Chairwoman Heiman suggested that a banner should be placed outside the tent to note that the Commission was not trying to sell anything. Ms. Flowers suggested having a gimmick to attract people to the tent. Mr. Wehrli suggested having pictures of historic structures at future events.

Discussion occurred regarding having other historic preservation organizations sharing booth space. The consensus was that the area was too small to have many historic preservation groups under one tent. However, if the historic preservation groups were in the same area on the grounds, the proximity of similar organizations would be beneficial.

Ms. Flowers suggested using GIS to showcase historic locations. Mr. Asselmeier stated that the suggestion was possible by using the 1939 aerials and the centennial farm maps. However, the Commission would need access to electricity.
Discussion occurred regarding attending other, similar community events. Chairwoman Heiman would examine attendance figures at these events, particularly an event in Yorkville, and compare events based on number of attendees.

Chairwoman Heiman suggested writing a letter to the editor thanking everyone that visited the booth.

Stephen Knutson drew Randy Wood’s name as the winner of the watercolor painted by Julie Kline.

**Review and Recommendation on Historic Preservation Ordinance**
This matter was laid over until the next meeting.

**Centennial Farm Mapping Project**
Commissioners reviewed the map of centennial farms and sesquicentennial farms. The identified farms were shown as they exist today. Commissioners requested a slightly darker color for centennial farms. One (1) farm on Collins Road was believed to no longer exist. Mr. Asselmeier will check this information. Mr. Asselmeier will also cross-reference the sesquicentennial farm list with the centennial farm list. It was noted that each township had at least one (1) centennial farm. The information could be used to identify houses for plaques.

**Potential Meeting with other Historic Preservation Organizations**
Commissioners decided to hold a meeting with other historic preservation organizations as their regular meeting on February 21, 2018. Chairwoman Heiman is working on a list of prospective invitees. The meeting will be held at the historic courthouse.

**Selecting Homes for Plaques**
Commissioners will use the farms shown on the centennial farm map as a starting point. Mr. Asselmeier will obtain the common addresses for each farm and see if pictures are on file.

**Millbrook Bridge Update**
No update on the Millbrook Bridge.

**PUBLIC COMMENT**
None

**ADJOURNMENT**
Mr. Wehrli made a motion, seconded by Ms. Flowers, to adjourn. With a voice vote of three ayes, the motion carried. The Historic Preservation Commission adjourned at 7:42 p.m.
