Petition 19-02-Request from Brad Monkemeyer for the Revocation of Special Use Permit for a Private Dog Kennel Granted by Ordinance 1988-01 at 14005 Joliet Road, Big Grove Township (PIN:07-27-200-006)

Background and Discussion:
On January 12, 1988, the Kendall County Board granted a special use permit for a commercial or private dog kennel at 14005 Joliet Road, Newark. Restriction 3 of the special use permit stated that the special use permit shall be subject to review every five (5) years. Restriction 2 of the special use permit stated that the special use permit will discontinue at the request of the owner.

The current property owner, Brad Monkemeyer, purchased the property in 2014.

After unsuccessful attempts of contacting the property owner and placing a public hearing notice sign in the yard of the subject property, on February 27, 2019, the property owner signed a letter requesting the revocation of the special use permit.

The subject property is zoned A-1. If the special use permit is revoked, the property will retain its A-1 zoning classification.

A copy of Ordinance 1988-01 and the proposed revocation ordinance are attached.

as stated herein, this agreement supersedes any other prior written or oral agreements between the parties and may not be further modified except in writing acknowledged by both parties.

Section 19. Nothing contained in this Agreement, nor any act of Kendall County or the City pursuant to this Agreement, shall be deemed or construed by any of the parties hereto or by third persons, to create any relationship of third party beneficiary, principal, agent, limited or general partnership, joint venture, or any association or relationship involving Kendall County and the City. Further, nothing in this agreement should be interpreted to give Kendall County or the City any control over the other’s employees or imply a power to direct the employees of the other government body, which neither entity may exercise.

Section 20. When performing inspections under the terms of this Agreement, Kendall County and City intend that any injuries to their respective employee shall be covered and handled exclusively by their jurisdiction’s own worker’s compensation insurance in place at the time of such injury. It is further agreed that all employee benefits, wage and disability payments, pension and worker’s compensation claims, damage to or destruction of equipment, facilities, clothing and related medical expenses of the City or Kendall County and their respective inspectors, which may result from their activities under this Agreement, shall be the responsibility of the jurisdiction which employs the inspector making such a claim.

Section 21. The Parties will obtain and continue in force, during the term of this Agreement, all insurance as set forth below: (a) Commercial General Liability (CGL): Insurance Services Office Form CG 00 01 (or its equivalent) covering CGL on an “occurrence” basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than $1,000,000 per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG
25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit; (b) Automobile Liability: ISO Form Number CA 00 01 covering any auto (Code 1), or if Contractor has no owned autos, hired, (Code 8) and non-owned autos (Code 9), with limit no less than $1,000,000 per accident for bodily injury and property damage; (c) Workers' Compensation: as required by the State of Illinois, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease. If the Jurisdiction maintains broader coverage and/or higher limits than the minimums shown above, the both Jurisdictions require and shall be entitled to the broader coverage and/or the higher limits maintained by the contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to both Jurisdictions. The insurance policies are to contain, or be endorsed to contain, the following provisions: (a) Additional Insured Status—Both jurisdictions, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the jurisdiction including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the jurisdiction's insurance; (b) Notice of Cancellation—Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the Entity; (c) Verification of Coverage—Each Jurisdiction shall furnish the other with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to other before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the other's obligation to provide them. Each Jurisdiction reserves the
right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Section 22. This Agreement shall be in full force and effect for a period of one (1) year from the date of the last signature below, however it may be renewed upon agreement of the parties in writing.

Section 23. Either party may terminate this Agreement by providing thirty (30) calendar days’ advance written notice to the other party. However, any act of bad faith in the execution of duties under this Agreement shall result in immediate termination of the other party’s duties as laid out herein. For the purpose of this agreement, “bad faith” is an intentional dishonest act by not fulfilling legal or contractual obligations, misleading another, entering into an agreement without the intention or means to fulfill it, or violating basic standards of honesty in dealing with others. Also, the parties agree to provide prompt written notice within fifteen (15) calendar days to the other party if Kendall County Code Official Brian Holdiman’s or City Building Code Official Pete Ratos’ employment ceases for whatever reason. In such event, this Agreement shall immediately terminate upon receipt of said written notice.

Section 24. The parties understand and agree that this Agreement in no way creates a joint employment relationship between the Parties. County Board Chairman Gryder and Kendall County Board,

We look forward to the start of our community dental clinic. We would like to request approval and inquire as to your timeline for your completion of the necessary upgrades in our clinic rooms, in order for the free clinic to begin. Per our lease with Kendall County dated December 1, 2013, Section 9, Maintenance, Repairs, Alterations subsection 9.4 Alterations “Tenant shall not make any structural repairs or alterations of the Premises unless approved in writing by the Landlord prior to any repairs or alterations.”

I am asking the Kendall County Board to approve in writing authorization for the work necessary to complete the Health Department Dental Clinic in the Kendall County facility located at 811 W. John St. Yorkville, IL 60560. We would anticipate the project to be assigned to the Facilities Management Director to manage the construction. As listed below construction figures to be paid for from the Health Department 2019 budget.

Our timeline for these preparations is as soon as possible, as we had submitted the work order for this project approximately two years ago. We have secured many high quality donated items for our clinic and our judicial colleagues are generously holding these in their own space for us. As stated at our September 26, 2018 budget hearing, the Board of Health had planned to discuss covering your clinic room alteration costs as soon as they were received from you. Our clinic rooms are intended to help those in need of our services and we are honored to use them for this critical community work. To put the clinic room enhancements in layperson’s terms, the following items have been budgeted for by the Board of Health:

- Studs and Drywall: Providing wall reinforcement for the installation of our 2-dimensional x-ray unit
- Clinic Plumbing: Providing drainage from chair-side suction lines to a waste line
- Electric Work: Providing three dedicated circuits to serve our 2-dimensional x-ray unit and two chair-side x-ray units
- Equipment Installation: To be performed by a professional dental equipment installer.

The Board of Health is eager to partner with the Kendall County Board in ensuring this free community dental clinic by budgeting for the following forecasted clinic room upgrades:

- Studs and Drywall – $2,450.00
- Clinic Plumbing – $5,800.00
- Electric Work – $3,800.00
- Equipment Installation - $1,000

We request the start date of work, as we advocate for this community need and respond to community members who are looking forward to the fruition of their community efforts.

Sincerely,

[Signature]
HIGHWAY COMMITTEE MINUTES

DATE: March 12, 2019
LOCATION: Kendall County Highway Department
MEMBERS PRESENT: Scott Gryder, Judy Gilmour, Amy Cesich, and Matt Kellogg
STAFF PRESENT: Ginger Gates, John Burscheid and Fran Klaas
ALSO PRESENT: PJ Fitzpatrick and Craig Zimmerman

The committee meeting convened at 3:30 P.M. with roll call of committee members. Prochaska absent. Quorum established.

Motion Cesich; second Kellogg, to approve the agenda as presented. Motion approved unanimously.

Motion Cesich; second Kellogg, to approve the Highway Committee meeting minutes from February 13, 2019. Motion approved unanimously.

Jackie Forbes, Council Director for the Kane-Kendall Council of Mayors (KKCOM), as well as the chief of Planning & Programming for Kane County Department of Transportation, made a presentation on the relationship between Kendall County and KKCOM. Jackie is Kendall’s liaison to the Council. She attends meetings on the County’s behalf and provides guidance and direction for Kendall and the other 37 members of KKCOM. She also discussed committee structures of CMAP and KKCOM, funding changes and opportunities. Finally, she stressed that she and her liaisons were here to help and answer any questions that we may have. Gryder asked how much money is available through the Council. Jackie indicated that they program about $10 million annually with CMAP funds. The committee also discussed funding and timing plans for the intersection improvement at Orchard Road and U.S. Route 30. Kane County is the lead agency on that project.

Motion Kellogg; second Gilmour to recommend approval of an intergovernmental agreement between Kendall County and Fox Road District relating to the asphalt resurfacing of Rogers Road. Klaas indicated this IGA is similar to what the County had done with Whitfield Road last year, due to damage caused by Millington Bridge Detour. The financial split will be 75% County and 25% Road District. Work is expected to be completed this summer. Resurfacing should provide adequate surface for next 10 years. Motion approved unanimously.

Motion Kellogg; second Cesich to recommend approval of a resolution appropriating funds for the payment of the county engineer’s salary for the period 5-20-19 to 5-19-20 in the amount of $125,000. Approval of this resolution will allow the County to use $62,500 of federal funds for payment of ½ the engineer’s salary, and the same amount of local funds. Salary is the same as last year. Motion approved unanimously.

Motion Cesich; second Kellogg, to recommend approval of an engineering agreement with Hampton, Lenzini and Renwick to perform engineering for replacement of bridge joints on the Fox River Drive Bridge over the Fox River for a not-to-exceed price of $10,000; to be taken from the County Bridge Fund. Klaas assured the committee that this work will not be undertaken until
the Millington Bridge is open. Additionally, this work will not require closing of the bridge, but just one-lane closure using stage construction. Motion approved unanimously.

Motion Cesich; second Gilmour to recommend approval of an access variance to allow a full access driveway on the north side of Galena Road approximately 500’ east of the Kennedy Road intersection. The action is related to zoning petition 19-08. The petitioner, Craig Zimmerman, indicated that the parcel is currently zoned agriculture, and he wants to rezone to allow a single family home. He would operate a carpentry home business out the proposed home. There is currently no direct access to this property from Galena Road. Klaas indicated that the very small number of trips from this proposed access should not cause a problem, and he planned to work with the petitioner when the intersection is reconstructed in a couple years to make sure it is located in the right spot. Motion approved unanimously.

Chairman Gryder reported that Amy Cesich, Scott Koeppel, and Fran Klaas were headed to Springfield tomorrow to meet with local representatives to discuss the needed for transportation funding on certain projects in Kendall County, including Eldamain Road, Collins Road Extension and Route 47.

Klaas asked the committee to consider a joint funding petition from Fox Road District to replace a large metal culvert under Rogers Road just east of Oakbrook Road. The culvert is in poor condition, and he did not want to resurface this roadway until the culvert was replaced. The petition indicates a total cost of $50,000; so $25,000 for each agency. If there was no opposition, he requested that this be put on the April 3rd Board Agenda.

Motion Kellogg; second Gilmour, to forward Highway Department bills for the month of March in the amount of $139,735.17 to the Finance Committee for approval. Motion approved unanimously.

Motion Gilmour; second Kellogg to adjourn the meeting at 4:15 P.M. Motion carried unanimously.

Respectfully submitted,

Francis C. Klaas, P.E.
Kendall County Engineer

WHEREAS, it is the understanding of the Parties that upon completion of the asphalt resurfacing of Rogers Road, the Township alone will maintain, repair and otherwise care for the roadways within its jurisdiction and that Kendall County will have no duties to maintain, repair or otherwise care for those roadways at any time in the future; and

WHEREAS, Kendall County and the Township wish to enter into an agreement wherein they will provide for the asphalt resurfacing and divide the costs as is herein described.

NOW, THEREFORE, in consideration of the foregoing preambles, the mutual covenants contained herein and for good and valuable consideration, the sufficiency of which is
agreed to by the Parties hereto, Kendall County and the Township covenant, agree and bind themselves as follows, to wit:

1. The foregoing preambles are hereby incorporated into this Agreement as if fully restated in this paragraph 1.

2. Kendall County and the Township shall perform the asphalt resurfacing described herein. The asphalt resurfacing (the “Resurfacing Project”) will be placed on Rogers Road beginning at Millington Road and extending easterly to its intersection with Whitfield Road, a distance of approximately ten thousand one hundred fifty (10,150) feet (the “Resurfacing Project Area”). Kendall County shall be responsible for the remaining seventy-five percent (75%) of the total project costs, plus any costs that exceed the maximum reimbursements to be paid by the Township listed above.

5. Kendall County agrees that prior to the Township disbursing the funds for its respective share as described herein, Kendall County must submit final project costs, along with a written request for reimbursement to the Township, or to its designee. Following receipt of the
proper documentation, the Township shall remit payment as set forth in paragraph 4 above to Kendall County within thirty (30) days of the written request for funds.

6. Kendall County shall perform the Resurfacing Project as specified herein in compliance with state and federal laws and regulations, including those competitive bidding and selection requirements necessary pursuant to applicable state and federal laws.

7. During the course of the Resurfacing Project, Kendall County shall ensure that each contractor and/or subcontractor performing work on the Resurfacing Project shall obtain and continue in force during the term of the Resurfacing Project, all insurance necessary and appropriate and that each contractor and/or subcontractor contracted with to perform work on the Resurfacing Project shall name Kendall County and the Township as an Additional Insured on a Primary and Non-Contributory basis with respect to all liability coverage.

9. The Parties hereby understand and agree that this Intergovernmental Agreement shall not require, nor confer, any additional responsibility on any of the Parties to undertake maintenance, repairs or improvements to the Resurfacing Project Area, except as are already provided by law or otherwise described in this Agreement.

10. To the extent permitted by law, each Party shall hold harmless, indemnify and defend the other Party, including such Party’s past, present, and future board members, elected officials, insurers, employees, and agents from and against all liability, claims, suits, demands, proceedings and actions, including costs, reasonable fees and expense of defense, arising
from, to, any loss, damage, injury, death, or loss or damage to property (collectively, the “Claims”), to the extent such Claims result from either 1) intentional, willful, wanton, reckless or negligent conduct by such indemnifying Party in the use, maintenance, repair, and/or improvement of Resurfacing Project Area, or 2) such indemnifying Party’s failure to adequately perform its obligations pursuant to this Agreement. However, no Party shall be indemnified hereunder for any loss, liability, damage, or expense resulting from its own intentional, willful, wanton, reckless or negligent misconduct.

Nothing contained herein shall be construed as prohibiting Kendall County and/or the Township, and their respective officials, directors, officers, agents and employees, from defending through the selection and use of their own agents, attorneys and experts, any claims, suits, demands, proceedings and actions brought against them. The Township and/or Kendall County’s participation in their own defense shall not remove the other Party’s and/or Contractors and Subcontractors’ duty to indemnify, defend, and hold the other Party harmless, as set forth herein. The Township and Kendall County do not waive their defenses or immunities under the Local Government and Governmental Employees Tort Immunity Act (745 ILCS 10/1, et seq.) or other such Acts by reason of indemnification or insurance.

11. Nothing in this agreement shall be interpreted to alter the Parties’ jurisdiction over any of the Resurfacing Project Area roadways.

12. It is mutually agreed by Kendall County and the Township that upon completion of the Resurfacing Project, Kendall County shall not be inferred to, or obligated to, have a duty to provide insurance for the Resurfacing Project Area or otherwise indemnify and hold harmless the Township in connection with the use, enjoyment, maintenance, repair or replacement of the herein mentioned improvements. Further, the Township shall be responsible for any
future maintenance, repair or replacement deemed necessary for such improvements within the Resurfacing Project Area. Other than obligations specifically imposed by this Agreement, nothing in this Agreement shall be construed as to create a duty or responsibility on behalf of Kendall County to maintain, repair, replace, or otherwise control the Resurfacing Project Area roadways or the improvements completed thereon.

13. Items of Business

Discussion and Approval of Kendall Area Transit Advanced Funds Request – K.A.T. Program Director Mike Neuenkirchen briefed the committee on their current financial situation due to the extremely severe delays by IDOT in processing FY19 contracts. Nate Kloster, VAC Chief Financial Officer, explained that due to the lack of reimbursement, VAC has fully extended its line of credit of $600,000. DeKalb County and the City of DeKalb have responded to the crisis by agreeing to advance funds. VAC’s main concern is having cash on hand to continue operating over the next 30-days while awaiting IDOT grant funding, which are more than nine months behind. Kendall Area Transit is seeking an advance of $189,000 of their first quarter Downstate Operating Assistance requisitions from the County. Member Prochaska asked that Mr. Koeppel should contact our lobbying firm in Springfield to assist in escalating the payment of grant monies owed to Kendall Area Transit.

Member Kellogg made a motion to forward the Kendall Area Transit Advanced Funds Request, second by Member Prochaska. **With four members voting aye, the motion carried.**
Discussion of FY2018 Audit Findings – Member Purcell reviewed the auditor’s findings for the County with the committee, and stated that the auditor will present the findings to the full Board on March 5, 2019.

IMRF Funding Discussion – Member Purcell reviewed the notification from the Board of Directors IMRF regarding their reduction of the Rate of Return. Mr. Purcell stated the fund is calculated on three factors:

1. Return on investment
2. Employee portion
3. Employer portion

Mr. Purcell stated that the employee always pays the same rate, so when IMRF reduces the return, the County will have to pay more. The committee also reviewed the schedule of changes in net pension liability and related ratios from 2017 for regular, SLEP and ECO. **There was consensus by the Committee to wait until the 2018 IMRF report comes in April to continue discussion.**

Kendall County Health Department Analysis Discussion – The committee again reviewed the Health Department Levy, Benefits Reimbursement, Deficit history (budget & actual), the proposed FY19 Levy and Benefit reimbursement. COMMITTEE BUSINESS

- **Discussion of Employee Years of Service Recognition Program** – Scott Koeppel explained that he was seeking direction from committee members on this issue. Currently employees who are being recognized for years of service can choose from several engraved gifts. This year there is an employee who does not want any of the gifts offered. The Department Head would like to still recognize the employee with a gift card. Assistant State’s Attorney, Leslie Johnson has provided the information in the packet about gift cards for years of service recognition. It seems that gift cards would be considered taxable income and would have to be included by the Treasurer’s Office as income. There would be tax implications. Member Gryder stated that he felt the policy should remain as is, choose from the list of gifts, no gift card alternative. Member Flowers asked about increasing the number of gifts available. She stated that there are companies out there that have extensive catalogs with many options. Member Gilmour recalled not having many options before and also asked about streamlining the recognition ceremony. **There was consensus from the committee to leave the process as is with no gift card alternative.**

- **Discussion and Approval of Employment Application** – Scott Koeppel presented the changes to the current application that Leslie Johnson suggested. The changes between the current and proposed application are outlined in the attached memo created by Mera Johnson. Member Gryder agreed with the phone and email address changes. He asked about the driver’s license and criminal conviction questions being retained. Mr. Koeppel stated that we may not be able to legally ask those questions anymore. Member Gryder also asked about keeping the ‘How did you hear about this opportunity?’ question. Member Flowers asked about professional versus personal references, stating that she preferred it be listed as just references, because if someone is just graduating they may not have many professional contacts. Member Gilmour asked if individuals need to fill out the application. Mr. Koeppel indicated that if just a resume and cover letter is submitted, he asks that the application is completed for the candidate to be considered. Mr. Koeppel indicated that he would ask the questions raised of legal, with changes discussed by the committee made. The revised application will be sent to the Board for approval. Motion made by Member Gryder, second by Member Gilmour. **With three members voting aye, the updated Employment Application will be forwarded to the County Board for approval.**

- **Discussion of Email Retention and Storage Issues** – Mr. Koeppel stated that there is no action needed, just an update on the project. Matt Kinsey is still working to reduce the number of accounts. IT is also looking at old emails accounts and storing them on blue ray discs to free up space.

EXECUTIVE SESSION – Not needed
