INTEROFFICE MEMORANDUM

TO: KENDALL COUNTY BOARD

FROM: HAROLD MARTIN, UNDERSHERIFF

SUBJECT: INTERGOVERNMENTAL AGREEMENT BETWEEN THE COUNTY OF KENDALL, ILLINOIS AND THE VILLAGE OF NEWARK FOR POLICE SERVICE

DATE: MAY 15, 2018

CC: SHERIFF DWIGHT BAIRD

It has been a long time practice of the Kendall County Sheriff’s Office to allow sworn personnel to perform law enforcement services for the Village of Newark. These duties are performed by our deputies on off hours and/or non-duty hours. The Intergovernmental Agreement (IGA) between the Village of Newark and Kendall County expires June 17, 2018 (See copy of attached agreement).

This long time practice continues to be beneficial to both parties in that the Village of Newark has had well trained and equipped deputies to ensure the public safety and welfare of the Village’s citizens, as well as helped augment the Kendall County Sheriff’s Office response to Village of Newark and surrounding areas as we are responsible for providing police service and public safety services. In order to minimize liability to the County and to the deputies that perform these duties, Sheriff Baird is requesting that the Kendall County Board agree to have Chairman Scott Gryder enter into an IGA between the County of Kendall, Illinois and the Village of Newark for Police Services. This IGA is the same agreement we have used for the past three years which was drafted by the Kendall County State’s Attorney’s Office and is outlined for your review.

The deputies will continue to be compensated directly by the Village of Newark for police services in the amount of $30.00 per hour. This agreement continues to allow the deputies to perform police duties while being protected with worker compensation and general liability insurances provided by the Village of Newark.

The Village of Newark will continue to compensate Kendall County for the mileage incurred by police vehicles used to provide police services under the agreement. Mileage will continue to be calculated based on the IRS rate in place at the time the invoice is issued. The Village of Newark continues to be responsible for an insurance policy to cover the $10,000 vehicle insurance deductible. The Village of Newark continues to be charged an additional amount of $2.00 per hour for each hour a Kendall County Police vehicle is used to provide police services under this agreement. This amount is intended to cover, in part, the vehicle’s equipment maintenance and replacement costs (e.g., radios, camera system, computer, emergency lights

Ready to Protect, Proud to Serve
etc.) as well as assist towards the cost of dispatching calls. This Intergovernmental Agreement would allow the Board Chairman to enter into such an agreement on a limited basis and all agreements would remain substantially compliant and similar under the authority that was granted by the County Board resolution.
INTERGOVERNMENTAL AGREEMENT BETWEEN THE COUNTY OF KENDALL, ILLINOIS AND THE VILLAGE OF NEWARK FOR POLICE SERVICES

THIS INTERGOVERNMENTAL AGREEMENT ("Agreement"), entered into this 15th day of May, 2018, by and between the County of Kendall, a unit of local government of the State of Illinois ("Kendall County") and the Village of Newark, an Illinois Municipal Corporation of the State of Illinois, ("Village"), is as follows:

RECITALS:

WHEREAS, the Constitution of the State of Illinois of 1970, Article VII, Section 10, provides that units of local government may contract or otherwise associate among themselves to obtain or share services and to exercise, combine, or transfer any power or function in any manner not prohibited by law or by ordinance and may use their credit, revenues, and other resources to pay costs related to intergovernmental activities; and

WHEREAS, the Village and Kendall County are units of local government within the meaning of Article VII, Section 10 of the Illinois Constitution of 1970 who are authorized to enter into intergovernmental agreements pursuant to the Intergovernmental Cooperation Act, 55 ILCS 220/1 et seq.; and

WHEREAS, pursuant to the authority granted by the Illinois Counties Code and Illinois Municipal Code, 55 ILCS 5/5-1106 and 65 ILCS 5/11-1-1 et seq., Village and Kendall County have the authority and the duty to provide police protection within their respective jurisdictions; and

WHEREAS, Village desires to obtain the services of well-trained and equipped Sheriff's deputies ("Deputies"), as defined by 55 ILCS 5/3-6001 et seq., to ensure the public safety and welfare of its citizens, within the jurisdictional boundaries of Village; and

WHEREAS, Kendall County wishes to provide Village with well-trained and equipped Deputies to ensure the public safety and welfare of Village's citizens, within the jurisdictional boundaries of Village, pursuant to the terms of this Agreement.

NOW, THEREFORE, in consideration of the premises and the mutual covenants hereafter set forth, the parties agree as follows:

1. Incorporation: The above recitals are incorporated as if fully restated herein.

2. Effective Date: This Agreement is effective as of its date of execution by both parties.

3. Term: This Agreement shall be in full force and effect for a period of one (1) year from the date of execution, however, it may be renewed for one additional year upon written agreement of the parties.
4. **Termination:** Either party may terminate this Agreement by providing thirty (30) calendar days’ advanced written notice to the other party. No additional penalties or early termination charges will be required upon termination.

5. **Police Services:** Deputies assigned to the Village will provide the following services within the jurisdictional boundaries of Village: patrol public roadways, respond to emergencies, investigate crimes, ticket traffic violations, enforce all federal and State law intended to be enforced by police officers, and enforce all local ordinances intended to be enforced by police officers. All tickets, reports, lab services, and other required documentation or evidence will be processed through, and maintained and preserved by the Kendall County Sheriff’s Office (“KCSO”) pursuant to record retention requirements of the Local Records Act and all other applicable laws. The fines collected from all tickets issued within the jurisdictional limits of Village will be distributed to Village, unless otherwise required by law.

6. **Assignment of Deputies:** By the 25th of each month, Kendall County will provide Village with a list of Deputies assigned to Village for the subsequent month, and the shifts for which they are assigned. There will be no more than one Deputy assigned to the Village at any given time, unless other arrangements are agreed to, in writing, by both Village and the Sheriff or his designee.

7. **Equipment:** All police equipment used by Deputies will be purchased, provided, and maintained by Kendall County. This equipment includes, but is not limited to, uniforms, body armor, traffic radar guns, police vehicles, service weapons, and radio equipment.

8. **Insurance:** Village will be responsible for general liability and worker’s compensation insurance for the Deputies, as well as all deductibles under these policies. Each insurance policy shall not be cancelled or changed without thirty (30) days prior written notice, given by the insurance carrier to Kendall County at the address set forth below. Before starting work hereunder, Village shall deposit with Kendall County certificates evidencing the insurance it is to provide hereunder: (a) worker’s compensation and occupational disease disability insurance in compliance with the laws of the jurisdiction where the work is being performed (“Statutory/Coverage A”) and in a minimum amount of $500,000 per accident, $500,000 policy limit for disease or disability, and $500,000 per employee for disease or disability (“Coverage B”); (b) employer’s comprehensive general liability insurance for both personal injury and property damage in the minimum amount of (i) $1,000,000 per occurrence for bodily injury, property damage, and bodily injury and property damage combined; (ii) $2,000,000 aggregate for bodily injury property damage, and bodily injury and property damage combined, and (iii) $2,000,000 aggregate for personal injury; and (c) an umbrella policy in the minimum of $10,000,000 per occurrence and $10,000,000 aggregate. Kendall County and the KCSO shall be named as additional insureds on a primary and non-contributory basis with respect to the general liability and excess liability insurance, as well as a waiver of subrogation with respect to the general liability and workers’ compensation in favor of Kendall County and the KCSO. Also,
Kendall County and KCSO shall be designated as the certificate holders. Kendall County’s existing automobile insurance policy covering Kendall County law enforcement vehicles will remain in effect and provide coverage for those vehicles while being used to provide services under this Agreement. Village will purchase and maintain, at all times this Agreement is in effect, an insurance policy to cover all of Kendall County’s deductibles under its automobile insurance policy. Village hereby affirms its understanding that Kendall County’s automobile insurance policy currently maintains the following deductibles: $10,000 per occurrence for auto liability; $10,000 per occurrence for uninsured and underinsured motorist liability; $10,000 for comprehensive per loss auto physical damage liability; and $10,000 for collision per loss auto physical damage liability. Village shall be responsible for paying all of Kendall County’s automobile insurance deductibles for damages, injuries, or claims incurred as a result of this Agreement. Furthermore, the parties stipulate and agree the limits of Kendall County’s liability shall be $1,000,000 (primary automobile) and $10,000,000 (umbrella).

9. **Compensation:** Village will directly compensate Deputies for police services in the amount of $30 per hour. Compensation to the Deputies will be processed through the Village’s regular payroll during the first pay cycle following the date of service, if practicable, and will be remitted to the Deputies’ home address no more than thirty (30) calendar days after the date of service. It shall be the Village’s responsibility to track and maintain records of all hours worked by the Deputies assigned to perform the services set forth in this Agreement. The Village will also compensate Kendall County for the mileage incurred by police vehicles while being used to provide police services under this Agreement. Mileage will be calculated based on the IRS rate in place at the time the invoice is issued. Additionally, the Village shall pay to Kendall County the additional amount of $2.00 per hour for each hour a Kendall County police vehicle is used to provide police services under this Agreement. The parties agree this amount is intended to cover, in part, the vehicle’s equipment maintenance and replacement costs (e.g., camera system, computer, radios, etc.). Kendall County will submit to Village an invoice for all amounts due to Kendall County, which were incurred in the previous month. This invoice will be submitted to the Village by the 10th of each month. All payments are to be made in accordance with the Local Government Prompt Payment Act, 50 ILCS 505/1 et seq. Failure to timely submit an invoice does not constitute a waiver of the amount owed.

10. **Indemnification:** The Village and Kendall County shall each defend, with counsel of the other party’s own choosing, indemnify, and hold harmless the other party, including past, present, and future board members, elected officials, insurers, employees, and agents from and against any and all claims, liabilities, obligations, losses, penalties, fines, damages, and expenses and costs relating thereto, including but not limited to attorneys’ fees and other legal expenses, which the other party, its past, present, and future board members, elected officials, insurers, employees, and/or agents may hereafter sustain, incur or be required to pay arising from the other party’s negligent conduct. KCSO, including its elected officers, employees, and agents. Pursuant to Illinois law, 55 ILCS 5/3-9005, any attorney representing Kendall County or KCSO, under this paragraph, shall be approved by the Kendall County State's Attorney and shall be appointed a Special Assistant State's Attorney. Kendall County's or KCSO's participation in its defense shall not remove Villages duty to indemnify, defend, and hold Kendall County and KCSO harmless, as set forth above. Nothing in this Agreement shall constitute a waiver of any privileges, defenses, or immunities which either Party may have under the Local Government and Governmental Employees Tort Immunity Act, 745 ILCS 10/1 et seq.

11. Force Majeure: Neither party will be responsible to the other for damage, loss, injury, or interruption of work if the damage, loss, injury, or interruption of work is caused solely by conditions that are beyond the reasonable control of the parties, and without the intentional misconduct or negligence, of that party (hereinafter referred to as a “force majeure event”). To the extent not within the control of either party, such force majeure events include: acts of God, acts of any governmental authorities, fire, explosions or other casualties, vandalism, strikes or labor disputes, and riots or war. A party claiming a force majeure event (“the claiming party”) shall promptly notify the other party in writing, describing the nature and estimated duration of the claiming party’s inability to perform due to the force majeure event. The cause of such inability to perform will be remedied by the claiming party with all reasonable dispatch.

12. Nothing in this Agreement, express or implied, is intended to confer upon any party, other than the parties and their respective successors and assigns, any rights, remedies, obligations, or liabilities under or by reason of such agreements.

14. Applicable Laws/Severability: In any action with respect to this Agreement, the parties are free to pursue any legal remedies at law or in equity. This Agreement shall be interpreted and enforced under the laws of the State of Illinois. Any legal proceeding related to enforcement of this Agreement shall be brought in the Circuit Court of Kendall County, Illinois. In case any provision of this Agreement shall be declared or found invalid, illegal, or unenforceable by a court of competent jurisdiction, such provision shall, to the extent possible, be modified by the court in such manner as to be valid, legal, and enforceable so as to most nearly retain the intent of the parties, and, if such modification is not possible, such provision shall be severed from this Agreement, and in either case the validity, legality, and enforceability of the remaining provisions of this Agreement shall not
in any way be affected or impaired thereby. If Kendall County prevails in any legal action pertaining to collection of amounts due under this Agreement and or regarding the indemnification provision set forth in paragraph 10, it may recover reasonable attorney's fees and costs.

15. **Notice:** All notices required or permitted hereunder shall be in writing and may be given by (a) depositing the same in the United States mail, addressed to the party to be notified, postage prepaid, and certified with the return receipt requested, (b) delivering the same in person, or (b) sending the same by facsimile with electronic confirmation of receipt. PETITIONS
Petition 18-18-Carol S. Hamman’s Request for a Residential Allocation on Property Less Than 40 Acres But Greater Than 20 Acres That Existed in Its Current Configuration Prior to March 8, 1977 Located at the West Side of the T-Intersection Created by Faxon and Needham Roads in Little Rock Township (PIN 01-23-100-005)
Mr. Asselmeier summarized the request. Ms. Hamman desires the housing allocation in order to have the ability to construct a house on the subject property.
Pursuant to Section 7.01.C.18.c, any lot greater than twenty (20) acres that existed prior to March 8, 1977, is considered an “Existing Approved Lot.”

Section 7.01.C.18.f states the following:

“Parcels classified as “Existing Approved Lots” under subsection 16.c (incorrect reference) above shall be registered on or before December 29th, 2005. If an owner declines to register a parcel by this date, the burden of proof of the availability of a permit will shift to the owner, who shall be required to prove, by clear and convincing evidence, that a building permit allocation is applicable to the parcel in question. After December 29th, 2005, the owner of a zoning lot meeting the standards of 16.c (incorrect reference) above shall file a petition with the Kendall County Planning, Building and Zoning Department to construct a new single family dwelling on an unregistered prior zoning lot. The petition shall be reviewed by the Zoning Administrator and approved, denied, or referred to the Planning, Building, and Zoning Committee of the County Board.”

The Petitioner provided evidence from the 1975 Kendall County Plat Book that the parcel existed in its current configuration prior to March 8, 1977.

No allocations were previously applied for at this parcel.

In considering the request, pursuant to Section 7.01.C.18.f of the Kendall County Zoning Ordinance, the Planning, Building and Zoning Committee shall consider the following Findings of Fact.

The Petitioner Must Have Purchased the Property Prior to May 1, 2000. Based on the attached Quit Claim Deed, the Petitioner has owned the property since September 1995.

The Petitioner Must Demonstrate That The Property Was Buildable Under the Applicable Zoning Regulations at the Time It Was Purchased. Based on the research of the Kendall County Planning, Building and Zoning Department, the subject parcel was buildable at the time of purchase.

Staff recommends approval of the request.

Member Cullick arrived at this time (6:46 p.m.)

Motion by Member Kellogg, seconded by Member Gryder, to approve the requested allocation.

Request from the Kendall County Regional Planning Commission to Amend Petition 18-03 Pertaining to Removing the Requirements for the Zoning, Platting and Advisory Committee and the Kendall County Regional Planning Commission to Meet and Issue Recommendations on Proposed Map Amendments, Special Use Permits, Major Amendments to Special Use Permits, and Text Amendments on Matters Not Involving the Powers and Duties of the Zoning, Platting and Advisory Committee or the Kendall County Regional Planning Commission and Related Zoning Text Citation Amendments

Mr. Asselmeier read his memo on the subject. At their meetings on March 28th and April 25th, the Kendall County Regional Planning Commission reviewed this proposal and unanimously recommended denial. The reasons for their denial recommendation were as follows:

1. The Kendall County Regional Planning Commission would like the proposal to go to the Comprehensive Land Plan and Ordinance Committee to work out issues.

2. The Kendall County Regional Planning Commission had concerns regarding the due process for petitions.

3. The Kendall County Regional Planning Commission felt that Kendall County Regional Planning Commission meetings were the appropriate setting for creating conditions and restrictions for special use permits (express the values of the community).

4. Removing the Kendall County Regional Planning Commission meeting from the timeline for adoption does not slow down the approval process; the Senior Planner indicated that no extra time was needed for Kendall County Regional Planning Commission meetings.

5. The Kendall County Regional Planning Commission had concerns about a lack of thorough vetting of the implications of proposals if the Kendall County Regional Planning Commission did not meet and review proposals.

Commissioner Larry Nelson circulated a draft email to the Planning, Building and Zoning Committee and requested input from Commissioners. A copy of this draft email is attached. Commissioner Nelson wanted to ensure that the Planning, Building and Zoning Committee possessed a history of the process and role of the Commission. One (1) Commissioner also requested that the Planning, Building and Zoning Committee be informed of the level of experience on the Commission.

According to the original proposal, ZPAC and the Kendall County Regional Planning Commission would not have formal meetings for the following applications:

1. Map Amendments
2. Special Use Permits
3. Major Amendments to Special Use Permits
4. Text Amendments to the Zoning Ordinance Not Impacting the Powers and Duties of ZPAC and/or Kendall County Regional Planning Commission

Members of ZPAC and the Kendall County Regional Planning Commission would continue to receive notifications of the above types of applications and individual members of these committees could submit comments on the proposals, but neither body would be required to meet and issue recommendations on these types of applications.
ZPAC would continue to meet for the following types of applications:

1. Site Plan Reviews
2. Text Amendments to the Zoning Ordinance Impacting Its Powers and Duties
3. Amendments to the Kendall County Subdivision Control Ordinance
4. Preliminary Plat Approval
5. Final Plat Approval
6. RPD Related Plat Approvals

The Kendall County Regional Planning Commission would continue to meet for the following types of applications:

1. Text Amendments to the Zoning Ordinance Impacting Its Powers and Duties
2. Changes to the Land Resource Management Plan
3. Amendments to the Kendall County Subdivision Control Ordinance
4. Preliminary Plat Approval
5. Final Plat Approval
6. RPD Related Plat Approvals
7. Requests by the County Board and/or Planning, Building and Zoning Committee for Research on Planning, Zoning, and Development Related Topics

The Committee of the Whole discussed this proposal at their meeting on December 14th and no one objected to the proposal.

The Planning, Building and Zoning Committee reviewed this matter at their meeting on January 8th and unanimously recommended approval of initiating the text amendment as proposed.

ZPAC reviewed this proposal on February 6th and unanimously recommended approval.

Chairman Davidson stated the importance of having the Kendall County Regional Planning Commission reviewing petitions and resolving conflicts prior to matters going to the County Board. He likes the procedures currently in place.

Member Gryder asked if the proposal had changed from the original version. Mr. Asselmeier stated that the current proposal was the same as recommended by the Committees and Commissions Ad-Hoc Committee. The hearing before the Zoning Board of Appeals and the County Board meeting are the only two (2) County controlled meetings required by law.

Member Kellogg expressed a desire for increased communication and including comments from the Commission in the minutes.

Larry Nelson, member of the Kendall County Regional Planning Commission, stated that the Planning, Building and Zoning Committee historically told the Regional Planning Commission what the Committee would like researched. The Commission would then do the research and forward a draft proposal to the Planning, Building and Zoning Committee. He presented an email on the historical role of the Kendall County Regional Planning Commission as part of the adoption process. He suggested that the Committee give the Kendall County Regional Planning Commission bullet points on ideas that the Committee would like incorporated in ordinances.

Member Gilmour provided a history of the reasons why the Ad-Hoc Committee made its recommendation. She likes to read the opinions of the Planning Commission.
Motion by Member Cullick, seconded by Member Gryder, to layover this proposal to the September Planning, Building and Zoning Committee meeting. With a voice vote of five (5) ayes, the motion carried.

Approval of Amendments to Petition 17-28 Pertaining to Outdoor Target Practice and Shooting Zoning Regulations
Mr. Asselmeier distributed the email and redlined version of the proposal from the State’s Attorney’s Office to the Committee and noted that the document was considered attorney-client privilege. The Committee previously received this information at the April meeting.

The reference to “commercial” in sub-section d will be replaced with “public.”

The berm height mentioned in sub-section d will increase ten feet (10’) for every thirty feet (30’) over the minimum of twenty feet (20’).

In sub-section g, the qualified person shall be knowledgeable and approved by the ownership of the range.

In sub-section j, the range proper shall be gated and fenced.

The consensus of the Committee was to get clarification from David Lombardo on the difference between “safety area” and “downrange safety area”. This matter will go before the Committee again in June.

Approval of a Resolution to Release All Claims on a Bank Account Owned by Whitetail Ridge Golf Club, LLC at First National Bank in the Amount of $3,000.00 Pursuant to Condition 18 of Ordinance 2016-11 (Granting a Special Use Permit at 9111 Ashley Road in Kendall Township to Operate a Banquet Hall)
Mr. Asselmeier summarized the request. Whitetail Ridge Golf Club, LLC established a bank account at First National Bank in the amount of Three Thousand Dollars ($3,000) as required by Ordinance 2016-11. The owner of 9092 Ashley Road has not submitted a request for an appraisal or proof that an appraisal occurred. Whitetail Ridge Golf Club, LLC has completed the requirement of the applicable restriction imposed by Ordinance 2016-11 and the County’s claims could be withdrawn. At the March meeting, the Committee gave the owners of 9092 Ashley Road an additional month to consider whether or not an appraisal would be pursued.

On January 25, 2018, the Planning, Building and Zoning Department sent a letter to the owner of 9092 Ashley Road requesting an update on the status of the appraisal. The owner of 9092 Ashley Road was also informed that the bank account could be liquidated after February 28th. As of the close of business on February 28th, the Kendall County Planning, Building and Zoning Department had not received an update from the owner of 9092 Ashley Road regarding the status of the appraisal. At the April Planning, Building and Zoning Committee meeting, the Committee requested that owners of 9092 Ashley Road be sent a registered letter informing them that the Committee will take action at the May meeting. The owners of 9092 Ashley Road received the letter on April 13, 2018. A copy of the letter from Whitetail Ridge’s attorney requesting the funds was included in the packet.
Motion by Member Kellogg, seconded by Member Gryder, to recommend to the County Board approval of releasing all claims on the subject bank account.

Request from the Kendall County Regional Planning Commission to Amend Petition 18-07 Pertaining to Establishing Procedures for Renewing Special Use Permits

Mr. Asselmeier summarized the request.

At their meetings on April 25, 2018, the Comprehensive Land Plan and Ordinance Committee and Kendall County Regional Planning Commission reviewed Petition 18-07 pertaining to proposed text amendments to Section 13.08 regarding special use permit renewal procedures.

The Committee and Commission suggested the following changes:

The County Board should only initiate amendments and revocations for cause. Accordingly, in paragraph 1, “or if” shall be replaced with “because”. The County Board would only be able to amend or revoke special use permits if a special use permit holder were found guilty through the courts or administrative adjudication.

Paragraph 2 would be deleted in its entirety.

Paragraph 3 would remain unchanged.

In paragraph 4, the first sentence would be changed to read, “This Sub-Section shall apply to any special use permit issued after the date of adoption of this ordinance (insert date) requiring renewal.”

One (1) Commissioner voiced concerns about the previous owner language.

One (1) Commissioner suggested clarifying the language to focus on “on-going” violations; they suggested adding “unabated” to the first paragraph. They also suggested adding revocation to the first paragraph.

The Commission also voiced concerns about whether the County Board had to wait until the term of the special use period ended or if revocation or amendment procedures could occur when immediately when an applicant is found guilty.

Staff does have concerns that the proposed procedure could create a conflict with the existing revocation procedures outlined in the Zoning Ordinance. The majority of the special use permits issued in the last several years had provisions which stated the special use permit could be amended or revoked if the terms of the special use permit were violated.

Based on the above concerns, Staff prepared a revised version of the proposal.

Several Committee members asked the purposes of the renewal if the permit could not be revoked or changed at the time of renewal. Mr. Asselmeier noted that the Kendall County
Regional Planning Commission favored automatic renewal of special use permits unless a violation to the special use permit occurred.

Discussion occurred regarding evaluating the land uses around the special use permit as a reason to revoke or amend special use permits.

Discussion occurred regarding the reasons for amendment or revocation. The cost to the County for investigating violations could be considered as a reason to amend or revoke a special use permit.

Member Gryder suggested that special use permit holders be notified six (6) month notice prior to renewal.

The Committee agreed to keep the requirement regarding previous owners.

The consensus of the Committee was that the County Board could do revocations or amendments at the time of renewal without cause by a simple majority vote and leaving paragraph 2 in the proposal. The six (6) month notification would be added to paragraph 2.

For special use permits without renewal, if any previous owner is found guilty, the special use permit could be revoked or amended.

Discussion occurred regarding requiring future special use permits to be renewed.

Mr. Asselmeier will rewrite the proposal to reflect the discussion at this Committee. This matter will be discussed at the June Planning, Building and Zoning Committee meeting.

*Update on 45 Cheyenne Court - Committee Could Approve Forwarding Violation to Either State’s Attorney’s Office or Hearing Officer*

Mr. Asselmeier provided updated information on 45 Cheyenne Court. He noted that the Committee previously approved sending a letter to the owner and the owner responded to that letter. A neighbor expressed concerns regarding the time taken to complete the project. The owner of the property was not present.

The consensus of the Committee was to explore legal action against the property.

*Update on Petition 18-04 - Request from the Kendall County Regional Planning Commission to Amend the Future Land Use Map Pertaining to Properties Adjacent to Route 47 in Lisbon Township*

Mr. Asselmeier summarized the update. Since January, the Kendall County Regional Planning Commission held a public meeting in Lisbon Township. This meeting occurred on February 9th at the Fire Barn in Plattville. Sixteen (16) residents of Lisbon Township attended the meeting and voiced almost unanimous opposition to the proposed changes.

In subsequent meetings, the Comprehensive Land Plan and Ordinance Committee amended the proposal by replacing the commercial designation at the southeast corner of the intersection of Routes 52 and 47 with a mixed use business designation and incorporated the mixed use business designation on Route 52 west of 47 to correspond to the Village of Lisbon’s Comprehensive Plan.

The following land use/zoning matrix should be kept in mind:

Mining=M-3
Mixed Use Business= B-6, M-1, M-2 and M-3
Transportation Corridor= B-3, B-5 and B-6
Commercial= B-1, B-2 and B-3
Rural Settlements= Areas with a maximum 2,000 residents with a combination of residential and support services.

The consensus of the Committee was to reclassify the Prairie Parkway as the Former Prairie Parkway.

**REVIEW VIOLATION REPORT**
The Committee reviewed the Violation Report.

Member Gryder asked about the citation proposal. Mr. Asselmeier stated that the Planning, Building and Zoning Department is working with the State’s Attorney’s Office on possible changes to the Inoperable Vehicle Ordinance. Once work on the Inoperable Vehicle Ordinance is complete, updating the Junk and Debris Ordinance will be the next project.

The inspection at 141 Fernwood went well.

**REVIEW NON-VIOLATION REPORT**
The Committee reviewed the Non-Violation Report.

Member Gryder asked about requiring Comed to close their boxes. Mr. Asselmeier will investigate to see if the County can require the utility to fix their boxes.

**UPDATE FOR HISTORIC PRESERVATION COMMISSION**
No update.

**REVIEW PERMIT REPORT**
The Committee reviewed the permit report.

**REVIEW REVENUE REPORT**
The Committee reviewed the revenue report.

**CORRESPONDENCE**

*Correspondence Related to Churchill Club Stormwater*
Mr. Asselmeier read the correspondence and noted that the Village of Oswego was pursuing legal actions against the horse farm owner.

Mr. Asselmeier summarized the article.

**PUBLIC COMMENT**
Mr. Asselmeier stated that WBK is working on the annual NPDES Permit. This matter may go to the Committee of the Whole if the report is ready by the agenda posting deadline.

The Antos Bridge case will be on the agenda for the June Committee meeting. Chairman Davidson suggested turning the case over to the Corps of Engineers. The suggestion was made to refer the matter to the Illinois Department of Natural Resources. Mr. Asselmeier will investigate the Illinois Department of Natural Resources’ process for permit violations.

Re: Petition 18-05 – Request from Keith and Kathleen Warpinski for Map Amendment on Walker Road Property  

Keith and Kathleen Warpinski are requesting a map amendment rezoning the subject property from A-1 to R-1 in order to have the ability to construct a single-family home on their property located approximately zero point three one (0.31) miles east of Route 47 on the north side of Walker Road.

Two (2) houses are located east of the property; one (1) house is located to the south of the property; one (1) house is located west of the property.

Staff recommended approval of the request because the request complied with the future land use map contained in the Land Resource Management Plan.

Petition information was sent to Kendall Township on February 20, 2018. The Kendall Township Planning Commission met on February 7, 2018 and the Township Board met on February 20, 2018. Both bodies recommended denial of the request. No written reason for recommending denial was provided. Kendall Township was notified of the recommendation of the Kendall County Zoning Board of Appeals on April 3, 2018. No formal objection was filed with the County.

Petition information was sent to the United City of Yorkville February 20, 2018. The Yorkville Planning and Zoning Commission met on March 14, 2018 and unanimously recommended approval of the proposal. The Yorkville City Council reviewed this proposal on March 27, 2018 and expressed no objections.

ZPAC met on this proposal on March 6, 2018 and unanimously recommended approval.

The Kendall County Regional Planning Commission reviewed this proposal on March 28, 2018. They asked why the petitioners were pursuing a map amendment instead of an A-1 building permit. The petitioners’ attorney responded that the publication and notification requirements were stricter for map amendments. Also, the County Board had a similar petitioner in 2017 and favored the map amendment approach instead of an A-1 building permit. The Kendall County Regional Planning Commission unanimously recommended approval of the proposal.

The Kendall County Zoning Board of Appeals held a public hearing on the proposal on April 2nd. The petitioners’ attorney was the only person that testified on the proposal; no one from the public submitted comments or questions at the hearing. The Kendall County Zoning Board of Appeals unanimously recommended approval of the request.

The record of decision from the April 2nd hearing can be found at https://www.co.kendall.il.us/wp-content/uploads/Petition_18-05.pdf.

The Planning, Building and Zoning Committee reviewed this proposal on April 9th. The Committee recommended forwarding the petition to the County Board by a vote of four (4) in favor and one (1) against; Member Kellogg cast the dissenting vote.

A proposed ordinance is attached to this memo for your consideration.

If you have any questions regarding this proposal, please let me know.

FINDINGS OF FACT

Existing uses of property within the general area of the property in question. The area is a mix of agricultural, farmstead, and rural estate residential uses.

The Zoning classification of property within the general area of the property in question. All of the adjacent properties are zoned A-1. However, six properties in the general area have a residential use.

The suitability of the property in question for the uses permitted under the existing zoning classification. The property is too small for most modern agricultural uses. Homes are located on adjoining properties and the subject property lacks an agricultural housing allocation which prevents the construction of a home on the property without a map amendment. The property would be suitable for most single-family residential related uses.

The trend of development, if any, in the general area of the property in question, including changes, if any, which may have taken place since the day the property in question was in its present zoning classification. The Zoning Board of Appeals shall not recommend the adoption of a proposed amendment unless it finds that the adoption of such an amendment is in the public interest and is not solely for the interest of the applicant. The Zoning Board of Appeals may recommend the adoption of an amendment changing the zoning classification of the property in question to any higher classification than that requested by the applicant. For the purpose of this paragraph the R-1 District shall be considered the highest classification and the M-2 District shall be considered the lowest classification. The proposed amendment fits the development of the area. This area will likely continue to become more residential if the United City of Yorkville continues to annex properties in the area. The proposed amendment benefits the petitioner by giving him the opportunity to sell the property for a residential purpose instead of a purely agricultural use.

Consistency with the purpose and objectives of the Land Resource Management Plan and other adopted County or municipal plans and policies. The proposed amendment is consistent with the Land Resource Management Plan.

Date: May 8, 2018
Re: Request to Release Funds from a Bank Account Owned by Whitetail Ridge Golf Club, LLC at First National Bank in the Amount of $3,000

When the Kendall County Board approved the special use permit for a banquet facility at 9111 Ashley Road in 2016, they included a condition that required Whitetail Ridge Golf Club, LLC to create a bond in the amount of Three Thousand Dollars ($3,000) to cover the costs of an appraisal of 9092 Ashley Road. The ordinance establishing the special use permit at 9111 Ashley Road (Ordinance 2016-11) required the owner of 9092 Ashley Road to pursue and complete an appraisal of 9092 Ashley Road within one (1) year of the establishment of the special use permit or the money would be returned to Whitetail Ridge Golf Club, LLC. The special use permit was established on July 19, 2016; Whitetail Ridge Golf Club, LLC established the bank account on February 28, 2017.

On January 25, 2018, the Planning, Building and Zoning Department sent a letter to the owner of 9092 Ashley Road requesting an update on the status of the appraisal. The owner of 9092 Ashley Road was also informed that the bank account could be liquidated after February 28th. As of the close of business on February 28th, the Kendall County Planning, Building and Zoning Department had not received an update from the owner of 9092 Ashley Road regarding the status of the appraisal.

At the March Planning, Building and Zoning Committee meeting, one (1) of the owners of 9092 Ashley Road was in attendance and the Committee encouraged her to do the appraisal. At the April Planning, Building and Zoning Committee meeting, the Committee requested that owners of 9092 Ashley Road be sent a registered letter informing them that the Committee will take action at the May meeting. A copy of this letter is included. The owners of 9092 Ashley Road received the letter on April 13, 2018. At their meeting on May 7, 2018, the Planning, Building and Zoning Committee unanimously recommended approval of releasing all claims on the subject bank account.

Accordingly, the Planning, Building and Zoning Department believes that Whitetail Ridge Golf Club, LLC has completed the requirements of condition 18 of Ordinance 2016-11 and the restriction on their bank account at First National Bank could be lifted. A resolution and letter to that effect is attached. Whitetail Ridge Golf Club, LLC's attorney also submitted a letter requesting the release of the funds.

If you have any questions, please let me know.

Dear Mr. Asselmeier:

Could you please have the Planning, Building & Zoning Committee release the Bond that had previously been posted by Walker Custom Homes, Inc. for their Wedding Venue on Ashley Road. We have heard nothing further about getting an Appraisal and we believe now that the matter has been extended several times that it is time to release the same. RE: Bond for Appraisal of 9092 Ashley Road

Dear Thomas Schnabel, Jr. and Vicki Schnabel:

At their meeting on April 9, 2018, the Kendall County Planning, Building and Zoning Committee voted to give you additional time to consider completing an appraisal of your property at 9092 Ashley Road. Though not taking a formal position on the matter, several Committee members stated that they would like you to complete the appraisal as allowed by Ordinance 2016-11.

The Planning, Building and Zoning Committee requests a response from you on or before May 7, 2018. The Planning, Building and Zoning Committee will again meet on this topic on May 7th at 6:30 p.m. in the County Board Room on the second floor of 111 W. Fox Street in Yorkville.

If the Planning, Building and Zoning Committee does not hear from you on or before May 7th or if you inform the Committee that you do not want the appraisal conducted, the Committee will recommend to the County Board that a release of all claims on the account holding funds to cover the cost of the appraisal occur.

Discussion and Approval of a Resolution Supporting a County Wide Convention and Visitors Bureau

Mr. Beltran stated there is a community member that was looking into creating a Kendall County wide Convention and Visitors Bureau. Currently, there is no Tourism agency in the County – member municipalities must go to either DeKalb CVVB or Aurora Area CVVB. This means that tax dollars that are generated in Kendall County that can be solely used for tourism are going out of the County. With a Kendall CVVB, the money would stay in the County.
