Roll Call: Members Gryder, Gilmour and Prochaska were present. With three members present voting aye, a quorum was determined to conduct business.

Member Purcell entered the meeting at 5:34p.m.
Member Davidson entered the meeting at 5:37p.m.

Approval of Minutes – Member Gilmour made a motion to approve the September 12, 2016 meeting minutes, second by Member Gryder. With three members present in agreement, the motion carried.

Public Comment – None

KenCom Report – Written report provided. Member Gryder asked how having members outside of the County. Member Gilmour reported that they do not pay like the Municipalities or Fire Districts that were the originals when the inter-governmental agreement was originated. They simply pay a fee based on their number of calls, which helps the municipalities and other entities because it helps to lower the cost for everyone. Member Purcell stated that the County’s contribution hasn’t gone down, and said the base contribution is flat, but the sharing of the cost above the base contribution has increased.

Member Gilmour provided information about non-emergency calls being taken by KenCom. Lynette Bergeron researched the issue, and said KenCom has never discussed adding a 311 system to the 911 system. Typically, 311 Centers are completely separate from 911 Centers. Currently the State of Illinois has three entities that utilize the 311 Center, Chicago, Evanston and Elgin. Evanston and Elgin use the 311 system to provide access to answers for non-emergency municipal services such as where can I recycle, do I need a license for something, report a pothole, city sticker, etc. The City of Chicago is the first city to use 311 as a police non-emergency number, and initiated the first comprehensive 311 system by providing information and tracking city services from intake to resolution in addition to taking non-emergency police calls. The City of Chicago has a designated 311 Center that is separate from the 911 Center, and their 911 Center is a municipal 911 Center and only services one agency. So the answer is no, our KenCom does not.

Commander Peters stated that Dr. Tokars has met with the Sheriff’s Office about hiring the Sheriff’s Deputies to work security in the Health and Human Services Building. However, they are working on floating deputies from the Courthouse to do daily walk-throughs.

MEMORANDUM

To: Andrez Beltran, PCOM
From: Mike Neuenkirchen, Program Director, KAT
Cc: Jeff Wilkins, Paul LaLonde
Subject: SAO Review of FY17 DOAP Contract
Date: 10/24/2016

Dear Mr. Beltran,

I have reviewed the comments made by the SAO's office on 10/18/16 regarding provisions in the State of Illinois FY 2017 DOAP contract.

In regards to the disbarment provision, the Voluntary Action Center has never been suspended or disbarred from participating in federal programs and is an eligible sub-recipient for federal funds.

Overall, despite the new formatting of the FY 17 agreement, I see nothing in the contract provisions that are substantially different from years past. Grant reporting and compliance tasks remain largely unaltered from previous contracts.

Based on the past success of the KAT program, I fully anticipate VAC, in cooperation with Kendall County Administration, can execute the terms of this agreement to offer the citizens of this county safe and reliable public transportation.

If you have any questions on this matter, please feel free to contact me at 630-882-6962 or mneuenkirchen@co.kendall.il.us.

Sincerely,

Mike Neuenkirchen

Items of Business

- Admin, County Board, EDC, PBZ Budget Presentation – Jeff Wilkins presented the 2017 Administrative Services, County Board, Economic Development, and Planning Building and Zoning budgets with the committee. Discussion on health insurance, current enrollment and how health insurance is calculated.

- FY2017 Budget – Latreese Caldwell reviewed the changes that have been proposed including the timeline when the budget needs to be forwarded to the Board for approval, the posting of the tentative budget, and a line in the GIS budget as requested by Scott Koeppel.

Ms. Caldwell said that due to some proposed funding including $30,000 of benefits from the state, and Public Safety Sales Tax increase from the Public Safety Sales Tax fund to the General Fund. Ms. Caldwell stated that the revenues reviewed thorough September, and the State income tax is looking better and they increased that line by $200,000.
Ms. Caldwell reported that the Sheriff reached out and reduced his budget by $24,000, deputy overtime by $3,200, cell phones by $6,000, vehicle maintenance by $2,600, and deputy sergeants by $13,000. The Sheriff also increased the inmate board and care revenue by $300,000 based on the receipt of inmates from Cook County.

Ms. Caldwell stated that Jeff Wilkins is proposing a decrease in the Liability Insurance levy. Member Purcell said that part of this is due to the fact that the new insurance is less than the previous year.

Ms. Caldwell said that there is a proposal to reduce Capital Funds by $281,086. Those Capital requests that were in the General Fund were transferred to other Capital Funds.

Ms. Caldwell said there was a proposal to reduce the Judicial Capital and move it the Public Safety Capital, which would reduce the Judicial Capital Budget by $10,000. There was money left in the Courthouse Expansion fund at approximately $4,800, which will be transferred into the Public Safety Capital fund, and the resulting revenue decreases based on the reduction of the decrease of the insurance increase from 14 percent down to 11.1 percent. The net of all of those lines is approximately $50,000 which then brings the deficit down to $200,000,088 dollars.

Further discussion on the timeline for forwarding the FY2017 Budget to the Board for approval, and posting the tentative budget on November 1, 2016.

ITEMS OF BUSINESS

- Discussion of Resolution Repealing Resolution 2015-31 and Adopting a New Amended Fee Schedule for the Kendall County Circuit Court Clerk - Member Prochaska stated that this resolution would correct the jury fees that we set in accordance with the Illinois Public and 98-1132 which increased the jury fee schedule to $25 for the first day and $50 for each additional day of jury duty, which was found unconstitutional by the Illinois Supreme Court, because it also reduced the number of civil jurors from 12 to 6. Mr. Prochaska stated that since there was no severability clause throughout the entirety of the act, this resolution would repeal our previous fee schedule and adopt a new Amended Fee Schedule that complies with current law.

ASA Johnson stated that this must be done by the County pursuant to the Illinois Supreme Court decision that the law was ruled unconstitutional, so with respect to those fees this resolution has to be amended to reinstate what the fee schedule was prior to the resolution from last year increasing the fees and lowering the number of jurors.

Discussion on the new fee schedule that the Circuit Clerk charges, and what the juror fees will be. State’s Attorney Eric Weis said that his office would research the juror fee issue prior to the County board meeting on Tuesday.
