Any person excused by the County Board Chairman from voting will be considered, for the purpose of that vote, to not have voted either affirmatively or negatively and the abstention shall be treated as if a vacancy had occurred in office of such person.

On Zoning matters, any motion to reclassify property must receive a majority of voting members’ votes, not a majority of the County Board which unfairly causes abstaining members’ votes to count as a “no” vote. In the event an official objection has been filed with the County Clerk as prescribed by State Statutes, the reclassification shall not be passed except by a favorable vote of 3/4 of all members of the County Board (8 votes).
Map and text amendments shall require a simple majority of the elected County Board members. For purposes of cases where a formal protest has been filed, the rules should state that a favorable vote of 3/4 of the members holding office is required.

F. The Clerk shall call the names of the members of the Board when calling the roll, or polling a vote, in a rotating alphabetical order of members.

G. The County Board Chairman shall have the right to call for a vote by voice vote, or by leave to adopt a previous roll call vote, in all cases, unless there is an objection by one member, in which case a roll call vote shall be taken. The minutes shall reflect the results of each roll call.

H. All monetary expenditures require a roll call vote. (Amended 11/18/2008)

I. No alteration or amendment shall be made in any rules of the County Board without the consent of two-thirds of the members thereof. The rule may be suspended in any particular case by vote of two-thirds of the members present.

J. All questions not covered by these Rules of Order shall be decided by Roberts Rules of Order, Revised.

K. The County Board Chairman shall vote on all motions, ordinances, amendments thereto, or other matters coming before the Board.

Section 6. Execution and Authentication. Each 2017 Bond shall be executed in the name of the County by the manual or authorized facsimile signature of the Chairman and the corporate seal of the County, or a facsimile thereof, shall be thereunto affixed or otherwise reproduced thereon and attested by the manual or authorized facsimile signature of its County Clerk.

In case any officer whose signature, or a facsimile of whose signature, shall appear on any 2017 Bond shall cease to hold such office before the issuance of the 2017 Bond, such 2017 Bond shall nevertheless be valid and sufficient for all purposes, the same as if the person whose signature, or a facsimile thereof, appears on such 2017 Bond had not ceased to hold such office. Any 2017 Bond may be signed, sealed or attested on behalf of the County by any person who, on the date of such act, shall hold the proper office, notwithstanding that at the date of such 2017 Bond such person may not have held such office. No recourse shall be had for the payment of any 2017 Bonds against any officer who executes the 2017 Bonds.

Each 2017 Bond shall bear thereon a certificate of authentication executed manually by the bond registrar. No 2017 Bond shall be entitled to any right or benefit under this ordinance or shall be valid or obligatory for any purpose until such certificate of authentication shall have been duly executed by the bond registrar.
Section 7. Transfer, Exchange and Registry. The 2017 Bonds shall be negotiable, subject to the provisions for registration of transfer contained herein. Each 2017 Bond shall be transferable only upon the registration books maintained by the County for that purpose at the corporate trust office of the bond registrar, by the registered owner thereof in person or by his attorney duly authorized in writing, upon surrender thereof together with a written instrument of transfer satisfactory to the bond registrar and duly executed by the registered owner or his duly authorized attorney. Upon the surrender for transfer of any such 2017 Bond, the County shall execute and the bond registrar shall authenticate and deliver a new 2017 Bond or Bonds registered in the name of the transferee, of the same aggregate principal amount, maturity and interest rate as the surrendered 2017 Bond. 2017 Bonds, upon surrender thereof at the corporate trust office of the bond registrar, with a written instrument satisfactory to the bond registrar, duly executed by the registered owner or his attorney duly authorized in writing, may be exchanged for an equal aggregate principal amount of 2017 Bonds of the same maturity and interest rate and of the denomination of $5,000 or any integral multiple thereof.

For every such exchange or registration of transfer of 2017 Bonds, the County or the bond registrar may make a charge sufficient for the reimbursement of any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. No other charge shall be made for the privilege of making such
transfer or exchange. The provisions of the Illinois Bond Replacement Act shall govern the replacement of lost, destroyed or defaced 2017 Bonds.

The County and the bond registrar may deem and treat the person in whose name any 2017 Bond shall be registered upon the registration books as the absolute owner of such 2017 Bond, whether such 2017 Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal of or interest thereon and for all other purposes whatsoever, and all such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such 2017 Bond to the extent of the sum or sums so paid, and neither the County nor the bond registrar shall be affected by any notice to the contrary.

Section 8. General Obligations. The full faith and credit of the County are hereby irrevocably pledged to the punctual payment of the principal of and interest on the 2017 Bonds. The 2017 Bonds shall be direct and general obligations of the County, and the County shall be obligated to levy ad valorem taxes upon all the taxable property in the County for the payment of the 2017 Bonds and the interest thereon, without limitation as to rate or amount.

Section 9. Pledge of Revenue Source. The Revenue Source is pledged to the payment of the 2017 Bonds. The County Board, on behalf of the County, to the extent it is empowered to do so, covenants to provide for, collect and apply the Revenue Source to the payment of the 2017 Bonds and the provision of not less than an additional .25 times the annual debt service on the 2017 Bonds.
The pledge of the entire Revenue Source herein provided for the 2017 Bonds is on a parity with the prior pledge thereof as security for the payment of the 2007A Bonds, the 2007B Bonds, the 2009 Bonds and the 2016 Bonds.

The pledge of the (i) general sales taxes receipts from taxes imposed under the Use Tax Act, the Service Use Tax Act, the Service Occupation Tax Act and the Retailer’s Occupation Tax Act and (ii) the state income tax receipts deposited into the Local Government Distributive Fund of the State of Illinois and allocated and paid to the County pursuant to the State Revenue Sharing Act herein provided for the payment of the 2017 Bonds is on a parity with the prior pledge thereof as security for the payment of the 2011 Bonds.

The County may issue additional bonds payable from, and secured by a pledge of and lien on, the Revenue Source, on a parity with the 2017 Bonds.

The County shall apply the Revenue Source in an amount that shall be sufficient to provide for the timely payment of the principal of and interest on the 2017 Bonds as the same shall become due and payable.

**Section 10. Form of 2017 Bonds.** The 2017 Bonds shall be issued as fully registered bonds and shall be in substantially the following form, the blanks to be appropriately completed when the 2017 Bonds are printed:

In like manner, this bond may be exchanged for an equal aggregate principal amount of bonds of the same maturity and interest rate and of any of such authorized denominations. The County or the Bond Registrar may make a charge sufficient for the reimbursement of any tax, fee or other governmental charge required to be paid with respect to the transfer or exchange of this bond. No other charge shall be made for the privilege of making such transfer or exchange. The County and the Bond Registrar may treat and consider the person in whose name this bond is registered as the absolute owner hereof for the purpose of receiving payment of, or on account of, the principal and interest due hereon and for all other purposes whatsoever.

This bond shall not be valid or become obligatory for any purpose until the certificate of authentication hereon shall have been duly executed by the Bond Registrar.

It is hereby certified, recited and declared that this bond is issued in part pursuant to the Local Government Debt Reform Act, that all acts, conditions and things required to be done, exist and be performed precedent to and in the issuance of this bond in order to make it a legal, valid and binding obligation of the County have been done, exist and have been performed in regular and due time, form and manner as required by law, and that the series of bonds of which this bond is one, together with all other indebtedness of the County, is within every debt or other limit prescribed by law.

(B) Interest or principal coming due at any time when there shall be insufficient funds on hand to pay the same shall be paid promptly when due from current funds on hand in advance of the collection of the taxes herein levied; and when said taxes shall have been collected, reimbursement shall be made to the said funds in the amounts thus advanced.

(C) As soon as this ordinance becomes effective, a copy thereof certified by the County Clerk, which certificate shall recite that this ordinance has been duly adopted, shall be filed with the County Clerk, who is hereby directed to ascertain the rate per cent required to produce the aggregate tax hereinbefore provided to be levied in the years 2017 to 2026, inclusive, and to extend the same for collection on the tax books in connection with other taxes levied in said years, in and by the County for
general corporate purposes of the County, and in said years such annual Pledged Taxes shall be levied and collected in like manner as taxes for general corporate purposes for said years are levied and collected and, when collected, the moneys received by the County from the Pledged Taxes (the “Tax Receipts”) shall be used for the purpose of paying the principal of and interest on the 2017 Bonds as the same become due and payable.

(D) After the issuance of the 2017 Bonds, the County shall not abate the Pledged Taxes levied pursuant to this Section or take any action to restrict the extension and collection of the Pledged Taxes except that the County may abate any such Pledged Taxes for any tax levy year to the extent that, at the time of such abatement, moneys then held in the 2017 Debt Service Fund established by this ordinance, or otherwise held in trust for the payment of debt service on the 2017 Bonds, together with the amount to be extended for collection taking into account the proposed abatement, will be sufficient to provide for the punctual payment of the principal of and interest on the 2017 Bonds otherwise payable from the Pledged Taxes levied for such tax levy year.

(E) The County covenants and agrees with the registered and beneficial owners of the 2017 Bonds that the County will take no action, or fail to take any action, which in any way would adversely affect the ability of the County to impose, collect and receive the receipts constituting the Revenue Source or, except for the abatement of tax levies as permitted by this Section, to levy and collect the Pledged Taxes.

Section 12. Taxes Levied For Prior Bonds. The County Treasurer shall file with the County Clerk a certificate listing the Prior Bonds and the taxes theretofore
levied for the 2017 tax levy year and subsequent tax levy years for the payment of the principal of and interest on the Prior Bonds and said certificate shall direct the abatement of such taxes.

**Section 13. Escrow Deposit Agreement.** The form of 2017 Escrow Deposit Agreement, by and between the County and Amalgamated Bank of Chicago, as escrow agent, on file in the office of the County Clerk and presented at this meeting, is hereby approved. The proper officers of the County are authorized and directed to execute and deliver the 2017 Escrow Deposit Agreement on behalf of the County.

**Section 14. Application of Proceeds.** The proceeds of sale of the 2017 Bonds shall be applied as follows:

1. To the Escrow Fund maintained under the 2017 Escrow Deposit Agreement the amount that, together with any contribution of funds of the County, will be sufficient to pay the redemption price of each Prior Bond on December 15, 2017 and the interest to become due on each Prior Bond on December 15, 2017.

2. To the 2017 Expense Fund established by this ordinance, the amount of such proceeds of sale remaining after making the foregoing payment.

**Section 15. Debt Service Fund.** The Tax Receipts are appropriated and set aside for the purpose of paying principal of and interest on the 2017 Bonds when and as the same come due. All of such moneys shall be deposited in the “2017 Debt Service Fund”, which is hereby established as a special fund of the County and shall be administered as a bona fide debt service fund under the Internal Revenue Code of
1986. All accrued interest received upon the issuance of the 2017 Bonds shall be deposited in the 2017 Debt Service Fund.

On or before December 30\textsuperscript{th} of each year, the County shall deposit into the 2017 Debt Service Fund, from the Revenue Source, the amount required so that the sum held in the 2017 Debt Service Fund after such deposit shall be sufficient to provide for the punctual payment of the principal of and interest on the 2017 Bonds that will become due and payable on and prior to the 15\textsuperscript{th} day of December next ensuing.

The moneys deposited or to be deposited into the 2017 Debt Service Fund, including the Revenue Source and the Tax Receipts, are pledged as security for the payment of the principal of and interest on the 2017 Bonds to the extent and in the manner provided in this ordinance. The pledge is made pursuant to Section 13 of the Local Government Debt Reform Act and shall be valid and binding from the date of issuance of the 2017 Bonds. All such Revenue Source, to the extent and in the manner provided in this ordinance, all such Tax Receipts and the moneys held in the 2017 Debt Service Fund shall immediately be subject to the lien of such pledge without any physical delivery or further act and the lien of such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the County irrespective of whether such parties have notice thereof.

Section 16. Expense Fund. The “2017 Expense Fund”, is hereby established as a special fund of the County. Moneys in the 2017 Expense Fund shall be used for the payment of costs of issuance of the 2017 Bonds, but may hereafter be reappropriated and used for other purposes if such reappropriation is permitted under
Illinois law and will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the 2017 Bonds.

**Section 17. Investment Regulations.** No investment shall be made of any moneys in the 2017 Escrow Fund, the 2017 Debt Service Fund or the 2017 Expense Fund except in accordance with the tax covenants set forth in Section 18 of this ordinance. All income derived from such investments in respect of moneys or securities in any Fund shall be credited in each case to the Fund in which such moneys or securities are held.

Any moneys in any Fund that are subject to investment yield restrictions may be invested in United States Treasury Securities, State and Local Government Series, pursuant to the regulations of the United States Treasury Department, Bureau of Public Debt, or in any tax-exempt bond that is not an “investment property” within the meaning of Section 148(b)(2) of the Internal Revenue Code of 1986. The County Treasurer and agents designated by her are hereby authorized to submit, on behalf of the County, subscriptions for such United States Treasury Securities and to request redemption of such United States Treasury Securities.

**Section 18. Tax Covenants.** The County shall not take, or omit to take, any action lawful and within its power to take, which action or omission would cause interest on any 2017 Bond to become subject to federal income taxes in addition to federal income taxes to which interest on such 2017 Bond is subject on the date of original issuance thereof.

The County shall not permit any of the proceeds of the 2017 Bonds, or any facilities financed with such proceeds, to be used in any manner that would cause any
2017 Bond to constitute a “private activity bond” within the meaning of Section 141 of the Internal Revenue Code of 1986.

The County shall not permit any of the proceeds of the 2017 Bonds or other moneys to be invested in any manner that would cause any 2017 Bond to constitute an “arbitrage bond” within the meaning of Section 148 of the Internal Revenue Code of 1986 or a “hedge bond” within the meaning of Section 149(g) of the Internal Revenue Code of 1986.

The County shall comply with the provisions of Section 148(f) of the Internal Revenue Code of 1986 relating to the rebate of certain investment earnings at periodic intervals to the United States of America.

Section 19. Continuing Disclosure. For the benefit of the beneficial owners of the 2017 Bonds, the County covenants and agrees to provide to the Municipal Securities Rulemaking Board (the “MSRB”) for disclosure on the Electronic Municipal Market Access (“EMMA”) system, in an electronic format as prescribed by the MSRB, (i) an annual report containing certain financial information and operating data relating to the County and (ii) timely notices of the occurrence of certain enumerated events. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

The annual report shall be provided to the MSRB for disclosure on EMMA within 210 days after the close of the County’s fiscal year. The information to be contained in the annual report shall consist of the annual audited financial statement of the County and such additional information as noted in the Official Statement under the caption “Continuing Disclosure.” Each annual audited financial statement will conform to
generally accepted accounting principles applicable to governmental units and will be prepared in accordance with standards of the Governmental Accounting Standards Board. If the audited financial statement is not available, then an unaudited financial statement shall be included in the annual report and the audited financial statement shall be provided promptly after it becomes available.

The County, in a timely manner not in excess of ten business days after the occurrence of the event, shall provide notice to the MSRB for disclosure on EMMA of any failure of the County to provide any such annual report within the 210 day period and of the occurrence of any of the following events with respect to the 2017 Bonds: (1) principal and interest payment delinquencies; (2) non-payment related defaults, if material; (3) unscheduled draws on debt service reserves reflecting financial difficulties; (4) unscheduled draws on credit enhancements reflecting financial difficulties; (5) substitution of credit or liquidity providers, or their failure to perform; (6) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax-exempt status of the 2017 Bonds, or other events affecting the tax-exempt status of the 2017 Bonds; (7) modifications to rights of bondholders, if material; (8) 2017 Bond calls, if material; (9) defeasances; (10) release, substitution or sale of property securing repayment of the 2017 Bonds, if material; (11) rating changes; (12) tender offers; (13) bankruptcy, insolvency, receivership or similar event of the County; (14) the consummation of a merger, consolidation, or acquisition involving the County or the sale of all or substantially all of the assets of the County, other than in the ordinary course of
business, the entry into a definitive agreement to undertake such an action or the
termination of a definitive agreement relating to any such actions, other than pursuant to
its terms, if material; and (15) appointment of a successor or additional trustee or the
change of name of a trustee, if material. For the purposes of the event identified in
clause (13), the event is considered to occur when any of the following occur: the
appointment of a receiver, fiscal agent or similar officer for the County in a proceeding
under the U.S. Bankruptcy Code or in any other proceeding under state or federal law in
which a court or governmental authority has assumed jurisdiction over substantially all
of the assets or business of the County, or if such jurisdiction has been assumed by
leaving the existing governing body and officials or officers in possession but subject to
the supervision and orders of a court or governmental authority, or the entry of an order
confirming a plan or reorganization, arrangement or liquidation by a court or
governmental authority having supervision or jurisdiction over substantially all of the
assets or business of the County.

It is found and determined that the County has agreed to the undertakings
contained in this Section in order to assist participating underwriters of the 2017 Bonds
and brokers, dealers and municipal securities dealers in complying with Securities and
Exchange Commission Rule 15c2-12(b)(5) promulgated under the Securities Exchange
Act of 1934. The County Administrator is authorized and directed to do and perform, or
cause to be done or performed, for or on behalf of the County, each and every thing
necessary to accomplish the undertakings of the County contained in this Section for so
long as said Rule 15c2-12(b)(5) is applicable to the 2017 Bonds and the County
remains an “obligated person” under the Rule with respect to the 2017 Bonds.
The undertakings contained in this Section may be amended by the County upon a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the obligated person, or type of business conducted, provided that (a) the undertaking, as amended, would have complied with the requirements of Rule 15c2-12(b)(5) at the time of the primary offering, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances and (b) in the opinion of nationally recognized bond counsel selected by the County, the amendment does not materially impair the interests of the beneficial owners of the 2017 Bonds.

Section 20. Bond Registrar. The County covenants that it shall at all times retain a bond registrar with respect to the 2017 Bonds, that it will maintain at the designated office of such bond registrar a place where 2017 Bonds may be presented for payment and registration of transfer or exchange and that it shall require that the bond registrar maintain proper registration books and perform the other duties and obligations imposed upon the bond registrar by this ordinance in a manner consistent with the standards, customs and practices of the municipal securities business.

The bond registrar shall signify its acceptance of the duties and obligations imposed upon it by this ordinance by executing the certificate of authentication on any 2017 Bond, and by such execution the bond registrar shall be deemed to have certified to the County that it has all requisite power to accept, and has accepted such duties and obligations not only with respect to the 2017 Bond so authenticated but with respect to all the 2017 Bonds. The bond registrar is the agent of the County and shall not be liable in connection with the performance of its duties except for its own negligence or default.
The bond registrar shall, however, be responsible for any representation in its certificate of authentication on the 2017 Bonds.

The County may remove the bond registrar at any time. In case at any time the bond registrar shall resign or shall be removed or shall become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator or conservator of the bond registrar, or of its property, shall be appointed, or if any public officer shall take charge or control of the bond registrar or of its property or affairs, the County covenants and agrees that it will thereupon appoint a successor bond registrar. The County shall mail notice of any such appointment made by it to each registered owner of 2017 Bonds within twenty days after such appointment.

Section 21. Book-Entry System. In order to provide for the initial issuance of the 2017 Bonds in a form that provides for a system of book-entry only transfers, the ownership of one fully registered 2017 Bond for each maturity of the 2017 Bonds, in the aggregate principal amount of such maturity, shall be registered in the name of Cede & Co., as a nominee of The Depository Trust Company, as securities depository for the 2017 Bonds. The County Administrator is authorized to execute and deliver on behalf of the County such letters to, or agreements with, the securities depository as shall be necessary to effectuate such book-entry system.

In case at any time the securities depository shall resign or shall become incapable of acting, then the County shall appoint a successor securities depository to provide a system of book-entry only transfers for the 2017 Bonds, by written notice to the predecessor securities depository directing it to notify its participants (those persons
for whom the securities depository holds securities) of the appointment of a successor securities depository.

If the system of book-entry only transfers for the 2017 Bonds is discontinued, then the County shall issue and the bond registrar shall authenticate, register and deliver to the beneficial owners of the 2017 Bonds, bond certificates in replacement of such beneficial owners’ beneficial interests in the 2017 Bonds, all as shown in the records maintained by the securities depository.

Section 22. Defeasance and Payment of Bonds. (A) If the County shall pay or cause to be paid to the registered owners of the 2017 Bonds, the principal and interest due or to become due thereon, at the times and in the manner stipulated therein and in this ordinance, then the pledge of the Revenue Source, Tax Receipts, securities and funds hereby pledged and the covenants, agreements and other obligations of the County to the registered owners and the beneficial owners of the 2017 Bonds shall be discharged and satisfied.

(B) Any 2017 Bonds, whether at or prior to the maturity or the redemption date of such 2017 Bonds, shall be deemed to have been paid within the meaning of this Section if (1) in case any such 2017 Bonds are to be redeemed prior to the maturity thereof, there shall have been taken all action necessary to call such 2017 Bonds for redemption and notice of such redemption shall have been duly given or provision shall have been made for the giving of such notice, and (2) there shall have been deposited in trust with a bank, trust company or national banking association acting as fiduciary for such purpose either (i) moneys in an amount which shall be sufficient, or (ii) “Federal Obligations” as defined in paragraph (C) of this Section, the principal of and the interest
on which when due will provide moneys which, together with any moneys on deposit with such fiduciary at the same time for such purpose, shall be sufficient, to pay when due the principal of and interest due and to become due on said 2017 Bonds on and prior to the applicable redemption date or maturity date thereof.

(C) As used in this Section, the term “Federal Obligations” means (i) non-callable, direct obligations of the United States of America, (ii) non-callable and non-prepayable, direct obligations of any agency of the United States of America, which are unconditionally guaranteed by the United States of America as to full and timely payment of principal and interest, (iii) non-callable, non-prepayable coupons or interest installments from the securities described in clause (i) or clause (ii) of this paragraph, which are stripped pursuant to programs of the Department of the Treasury of the United States of America, or (iv) coupons or interest installments stripped from bonds of the Resolution Funding Corporation.

Section 23. Ordinance to Constitute a Contract. The provisions of the Authorizing Ordinance and this ordinance shall constitute a contract between the County and the registered owners of the 2017 Bonds. Any pledge made in this ordinance and the provisions, covenants and agreements herein set forth to be performed by or on behalf of the County shall be for the equal benefit, protection and security of the owners of any and all of the 2017 Bonds. CBIZ UPDATE – Jim Pajauskas provided the County’s claim statistics from 2017, the insurance industry’s goal of 85% for claims, the quote from United Healthcare for medical benefit coverage in 2018, various options proposed by UHC, and recommendations from CBIZ on going-forward including a wellness program, and drug cards with lower prescription costs and options. Mr. Pajauskas is awaiting the quote from Blue Cross Blue Shield of Illinois, and will update the committee at the October 4, 2017 Admin HR meeting.
WINE SERGI UPDATE – Rich Ryan provided information on the current ICRMT program, and 2017-2018 budget estimates for property, casualty and liability insurance for the County.

DEPARTMENT HEADS AND ELECTED OFFICIAL REPORTS

Treasurer’s Office – County Treasurer Jill Ferko reported they have experienced some problems with Benefit Wallet and the employee newly reissued debit cards. Ms. Ferko stated they did not have good response from the Benefit Wallet staff when asking for assistance in these issues, but continue working with them for a resolution.

Ms. Ferko also reported that her office will hold three Benefit Fairs in early November, at the Health Department, Public Safety Center, and the Historic Courthouse, and are working with CBIZ in coordinating the events. Ms. Ferko said that her office will conduct Open Enrollment for all employees in early November.

Administrative Services Office – Latreese Caldwell reported there were no new Worker’s Comp claims that were paid in August 2017. Ms. Caldwell reviewed the Worker’s Comp total paid claims, the PEDA reimbursement, and the net claims expense with the committee. Ms. Caldwell also reviewed the Sheriff’s Office squad car claims, as well as the current year’s claims paid to date, closed claims and the final dollar amounts paid on closed claims, and the prior year’s open claims.

Ms. Caldwell also provided an update on her discussions with IMRF General Counsel, and stated that IMRF provided the Illinois Pension Code to her, which indicates that current County employees already enrolled in IMRF would be grandfathered in if a change was made from 600-1000 hours, and the general counsel implied that grandfathering is for a particular employer and under their plan, however if they have worked for Kendall County, and they were hired prior to the change to 1000 hours, they would be grandfathered in under the County.

Discussion on the potential for part-time employees exceeding the 600 hours and the County being required to pay benefits, the impact on an employee’s pension if they exceeded the 600-hour threshold, hiring former part-time employees to work in the Sheriff’s Office, and the Treasurer’s Office monitoring of the hours worked by part-time employees. Ms. Ferko clarified that once the County Board approves a resolution, any employee hired prior to that will be grandfathered in at the 600 hours.

COMMITTEE BUSINESS

- Discussion of Request for Qualifications (RFQ) for Insurance Brokerage and Risk Management Consultant Services – Member Cullick stated that the State’s Attorney’s Office advised that they should do this as a bid, and ensure that the bid specifications are included as wanted by the committee. There was consensus that the County should not go out for bid every year, but possibly every three years. Member Purcell moved to postpone proceeding with the RFQ for Insurance Brokerage and Risk Management Consultant Services until Member Cullick meets further with the State’s Attorney’s Office, and then revisit the issue in early January 2018, second by Member Prochaska. **With five members present voting aye, the motion carried.**
Employee Handbook Revisions – Member Cullick informed the Committee that she would like have an Ad Hoc Committee thoroughly review the proposed changes to the Employee Handbook, and then report back their findings/recommendations to the full committee. **There was consensus by the committee to postpone the review of the handbook until early January 2018.**

CHAIRMAN’S REPORT
Chairman Heiman reported that the Oswego Historic Preservation Commission does not have enough members for a quorum. They are looking for individuals to serve on their Historic Preservation Commission. Interested parties must be residents of Oswego or living within 1.5 miles of the Village limits. The Commission requested a roster of members of the Oswego Historic Preservation Commission.

PUBLIC COMMENT
Alex Finke, Realtor Association of Fox Valley, Inc., expressed his opinion of the Historic Preservation Ordinance. Mr. Finke distributed a memorandum on the subject. He would like the third party nomination of properties and districts to be removed; he would like owner consent only for nominations because of the Fifth Amendment’s Takings Clause. He would like the criteria for evaluation of properties for designation to be more specific to avoid the Void of Vagueness Doctrine as it relates to property designation. He also requested standards for determinations made by the Historic Preservation Commission. Lastly, he wanted ambiguous language related to the age of structures, transfer of development rights, objections to designation and construction approval. Discussion occurred regarding the definition of supermajority. Mr. Finke would like to work with the Commission on proposed changes to the Ordinance. He liked Geneva’s Historic Preservation Ordinance. The Commission will forward proposed changes to Mr. Finke.

NEW BUSINESS
None
OLD BUSINESS
Review and Recommendation on Historic Preservation Ordinance
Based on Mr. Finke’s suggestion, Ms. Maye requested additional time to review the Historic Preservation Ordinance in relation to Geneva’s Ordinance, Mr. Finke’s memo and State law. The Commission would like to get certified in order to receive grant funding. Discussion occurred about setting a fee; the fee would apply to third party nominations.

Centennial Farm Mapping Project
Mr. Asselmeier reported no update exists at this time. We are waiting for the leaves to fall from the trees.

Potential Meeting with other Historic Preservation Organizations
The save-the-date cards have been mailed. To date, we have received three (3) responses and all three (3) will be attending. The RSVPs were from Oswego, Joliet and the Plano Library. At the October meeting, Commissioners will discuss the agenda for the meeting.

Selecting Homes for Plaques
Commissioners will wait until next month for more discussion on plaques. Mr. Asselmeier will draft a letter for Chairwoman Heiman to sign for the Dickson-Murst Farm.
