Kendall County Sheriff’s Office Warns of Winter Storm

The Kendall County Sheriff’s Office would like to warn residents of a winter storm warning, which means that conditions are favorable for heavy snow to develop and road conditions will deteriorate quickly. According to the National Weather Service this warning is in effect from 6 pm this evening to 6 pm Friday. Total snow accumulations of 6 to 10 inches are possible. Localized areas may see snow in excess of one foot.

We encourage everyone to enjoy a weekend at home, and to drive very carefully and be aware of road conditions if venturing out. If motorists must drive during the storm, please be prepared and plan ahead. Keep an extra flashlight, food, and water in your vehicle in case of an emergency. Please allow plenty of time for travel.

Given the forecast uncertainty, we encourage you to monitor weather through local media outlets for the latest updates in your area or visit our website page at http://www.co.kendall.il.us/transparency/sheriff/press-releases or face book page at https://www.facebook.com/kendallcountysheriffsoffice/ for further updates. The Sheriff’s Office will periodically update the residents and those traveling in Kendall County on our local road conditions based upon reports from the Highway Commissioners and our observations.
