Sheriff’s Office Investigates Stabbing in Oswego Township.

On February 26, 2018, Kendall County Sheriff’s Deputies responded to the 100 block of Harbor Drive, Oswego Township in reference to a third party report of a subject with a knife and another subject with a firearm. Upon arrival, deputies learned that a neighbor dispute lead to a subject armed with a knife inflicting multiple injuries to another during the dispute. A witness to the incident retrieved an AR-15 style rifle from their residence and was able to stop the attacker with only a threat of force. The witness possessed a valid Firearm Owner’s Identification Card (FOID) and is a concealed carry firearm permit holder. The suspect fled the scene but was quickly located by responding officers. The suspect was taken into custody and transported to the Kendall County Sheriff’s Office where charges are pending at this time. The victim was transported to Rush-Copley Hospital in Aurora for treatment. The incident is still under investigation.

The Sheriff’s Office would like to thank the Oswego Police Department, Montgomery Police Department, Aurora Police Department, Kane County Sheriff’s Office, Kendall County Criminal Intelligence Team, and the members of the public who assisted with our investigation.

The public is reminded that criminal defendants are presumed innocent until the government is able to prove its charges in court beyond a reasonable doubt.
