We are pleased the 2 week trial is completed and the jury ruled in favor of the Kendall County Sheriff’s Office, denying all of the plaintiff's claims.

The Kendall County Sheriff's Office is committed to maintaining a professional and positive work environment for all members of the staff and prohibits discrimination, harassment, or retaliation of employees. The Sheriff’s office thoroughly investigates complaints of misconduct and takes prudent and reasonable action to protect the rights of all parties involved while holding employees accountable and issue discipline where warranted. We have very robust and regular training and education program for all employees that include best practices in law enforcement and work place conduct.

Carrie Warren previously filed a grievance and took her claim of wrongful termination to a federal arbitrator and that decision favored the Kendall County Sheriff’s Office upholding the lawful and just termination.
