Kendall County Sheriff’s Office Investigates Man with a Weapon

On Monday, May 21, 2018, at approximately 3:42 p.m. The Kendall County Sheriff’s Office responded to a dispatch of a man with a gun in the parking lot of the Boulder Hill Elementary School. A deputy was at the school near the main entrance area for the school dismissal that started at 3:35 p.m. The deputy requested additional location details from dispatch because the deputy did not hear or see any disturbances occurring on school grounds. The dispatcher told the deputy that the altercation was taking place next door to the school in the parking lot of a church and the deputy quickly located a vehicle fitting the description provided by dispatch. He and other responding police units immediately converged on the church parking lot area and quickly located the 2 male subjects involved.

During the preliminary investigation it was determined by the responding deputies the altercation was between two people that were picking up children from the Boulder Hill Elementary school. The initial investigation has identified that one of the persons involved has a valid conceal and carry licenses to carry a firearm and the dispute did not occur on school property. The investigation is ongoing.

The public is reminded that criminal defendants are presumed innocent until the government is able to prove its charges in court beyond a reasonable doubt.
