Kendall County Sheriff’s Office Investigating Shooting in Boulder Hill

The Kendall County Sheriff’s Office is continuing to conduct witness interviews and collect vital evidence surrounding the shooting that occurred in the 0-100 block of Sierra Road on June 25th around 6:00 pm. Investigators will soon be transferring evidence to the state crime lab for scientific analysis. The Kendall County Sheriff’s Office would like to thank the public for their continued support and assistance throughout this investigation. We remain confident that those responsible for the shooting will be held accountable as the judicial systems allows. The Kendall County sheriff’s Office will continue to work collectively with State and local police agencies to share resources and intelligence to combat criminals. Additional Kendall County Deputies are being deployed for increased patrols and are being assisted by the Illinois State Police Kendall County Criminal Intelligence Team

The public is reminded that criminal defendants are presumed innocent until the government is able to prove its charges in court beyond a reasonable doubt.
