Kendall County Sheriff’s Office Announces
Kendall County Inmate Search to their web-page

On 081418 the Kendall County Sheriff’s Office launched a way to search for inmates that are currently being housed at the detention facility or that have been housed at the detention facility.

How it works:

Go on the Kendall County Sheriff’s Office web site, on the left hand column marked, Corrections/Jail click on the link. This will take you to the Corrections Division’s web page. In the middle of the page you will find the link:

KENDALL COUNTY INMATE SEARCH

This inmate search will give you access to inmate details, booking photos, charge information, bond amount, release date and arresting agency. You will be able to search for inmates currently being housed or if you uncheck the box in the upper right hand corner you can search for inmates that have been housed at the detention facility.

The public is reminded that criminal defendants are presumed innocent until the government is able to prove its charges in court beyond a reasonable doubt.
