May is Historic Preservation Month

For Immediate Release – The Kendall County Board approved a proclamation on May 3, 2016 proclaiming May as Historic Preservation Month. The theme for Historic Preservation month this year is “This Place Matters” and is cosponsored by Kendall County and the National Trust for Historic Preservation. Historic preservation is an effective tool for managing growth and sustainable development, revitalizing neighborhoods, fostering local pride and maintaining community character while enhancing livability. The people of Kendall County are encouraged to join their fellow citizens across the United States in recognizing and participating in this special observance.
