## **IDENTITY-PROTECTION POLICY**

The Kendall County Clerk and Recorder's Office ("County Clerk and Recorder") adopts this Identity-Protection Policy pursuant to the Identity Protection Act. 5 ILCS 179/1 *et seq.* The Identity Protection Act requires each local and State government agency to draft, approve, and implement an Identity-Protection Policy to ensure the confidentiality and integrity of Social Security numbers (SSNs) agencies collect, maintain, and use.

### **SSN Protections Pursuant to State Law**

Whenever an individual is asked to provide the County Clerk and Recorder with a SSN, the County Clerk and Recorder shall provide that individual with a statement of the purpose or purposes for which the County Clerk and Recorder is collecting and using the Social Security number. The County Clerk and Recorder shall also provide the statement of purpose upon request. That Statement of Purpose is attached to this Policy.

The County Clerk and Recorder shall not:

- 1) Publicly post or publicly display in any manner an individual's SSN. "Publicly post" or "publicly display" means to intentionally communicate or otherwise intentionally make available to the general public.
- 2) Print an individual's SSN on any card required for the individual to access products or services provided by the person or entity.
- 3) Require an individual to transmit a SSN over the Internet, unless the connection is secure or the SSN is encrypted.
- 4) Print an individual's SSN on any materials that are mailed to the individual, through the U.S. Postal Service, any private mail service, electronic mail, or any similar method of delivery, unless State or federal law requires the SSN to be on the document to be mailed. SSNs may be included in applications and forms sent by mail, including, but not limited to, any material mailed in connection with the administration of the Unemployment Insurance Act, any material mailed in connection with any tax administered by the Department of Revenue, and documents sent as part of an application or enrollment process or to establish, amend, or terminate an account, contract, or policy or to confirm the accuracy of the SSN. A SSN that is permissibly mailed will not be printed, in whole or in part, on a postcard or other mailer that does not require an envelope or be visible on an envelope without the envelope having been opened.

In addition, the County Clerk and Recorder shall not:<sup>1</sup>

- 1) Collect, use, or disclose a SSN from an individual, unless:
  - i. required to do so under State or federal law, rules, or regulations, or the collection, use, or disclosure of the SSN is otherwise necessary for the performance of the County Clerk and Recorder's duties and responsibilities;
  - ii. the need and purpose for the SSN is documented before collection of the SSN; and
  - iii. the SSN collected is relevant to the documented need and purpose.
- 2) Require an individual to use his or her SSN to access an Internet website.
- 3) Use the SSN for any purpose other than the purpose for which it was collected.

### **Requirement to Redact SSNs**

The County Clerk and Recorder shall comply with the provisions of any other State law with respect to allowing the public inspection and copying of information or documents containing all or any portion of an individual's SSN. The County Clerk and Recorder shall redact SSNs from the information or documents before allowing the public inspection or copying of the information or documents.

When collecting SSNs, the County Clerk and Recorder shall request each SSN in a manner that makes the SSN easily redacted if required to be released as part of a public records request. "Redact" means to alter or truncate data so that no more than five sequential digits of a SSN are accessible as part of personal information.

### **Employee Access to Social Security Numbers**

Only employees who are required to use or handle information or documents that contain SSNs will have access. All employees who have access to SSNs are trained to protect the confidentiality of SSNs. Training shall include instructions on the proper handling of information that contains SSNs from the time of collection through the destruction of the information.
