Section 1: Nuisance Dog

(a) For the purpose of this section, a nuisance dog is defined as any dog in the county found to be running at large a second or subsequent time or any dog found to be running at large which does one or more of the following; bites, molests, growls, snaps at, attacks a person or another animal, chases bicycles or motor vehicles, runs in the roadway causing a traffic hazard, damages private or public property, or meets the definition of dangerous dog as defined by 510 ILCS 5/2.05a of the Illinois Animal Control Act. A dog that is in a posted dog- friendly area or dog park is not considered to be running at large if the dog is monitored or supervised by a person.

(b) A person commits a violation of this section when he/she owns, possesses, acts as its custodian, harbors, has in his/her care or knowingly permits a dog to remain on any premises owned by him or her which is a nuisance dog as defined in section 3 (a).
