**Items Worthy of notice to the County Board:** As we approach the new budget year we are looking at our vehicles that we use when out in the field. Our vehicles tend to have low miles related to the age of the vehicles. We have made a concerted effort to coordinate our maintenance of the vehicles to be proactive vs reactive to increase the length of time we can have the vehicle before they rust out. However, we do have a 2002 vehicle with significant rust on the undercarriage resulting in a rusted out muffler. The mechanic has indicated that repairing it without replacing the undercarriage would not be prudent. Therefore, we will be looking to replace this vehicle in the next budget cycle. As these funds typically come from probation fees, it is a zero impact to the general fund.
