Re: Petition 19-24 Request from Phil Edwards on Behalf of the Philip A. Edwards Trust for a Minor Amendment to a Special Use Permit for a Landscaping Business at 997 Harvey Road (PIN 03-01-351-008) in Oswego Township  

On June 7, 2019, Phil Edwards, on behalf of the Philip A. Edwards Trust, submitted an application to construct a thirty-nine foot by sixty foot (39’X60’) addition to one of this buildings at 997 Harvey Road. A redacted copy of the Petitioner’s building permit application and an aerial of the property are attached to this memo.

In May 2001, the Kendall County Board granted the Petitioner a special use permit for a landscaping business at this property through Ordinance 2001-15. This special use permit was issued prior to the Kendall County Board establishing general rules for amending special use permits. Per condition #4 of Ordinance 2001-15, “any alteration or expansion of the special use, including new building construction, shall require review and approval by the PBZ Committee.” Therefore, the only approval required for this amendment is approval by the Planning, Building and Zoning Committee.

If approved, the Petitioner intends to use the addition as a shop building.

If you have any questions regarding this memo, please let me know.

AGRICULTURAL EXEMPT STRUCTURE
ZONING CERTIFICATE & AFFIDAVIT

An applicant may choose to request an “agricultural exemption” for buildings and structures to be used for agricultural purposes. All buildings and structures, however, must comply with the setback requirements. Each applicant must submit three copies of their Plat of Survey or comparable drawing no larger than 11x17”, to show the locations of existing and planned structures, the property boundaries, adjacent wetlands, floodplains, waterways and other features which affect the location of the proposed structure prior to beginning construction. The Planning, Building and Zoning Department performs no inspections on an ag-exempt structure and does not issue a Certificate of Occupancy for an ag-exempt structure. We recommend that you check with your lender and insurance carrier to determine whether either or both require a Certificate of Occupancy.
