February Volunteer Spotlight

Debbie Klein

How long have you been volunteering for Kendall County Animal Control:

5 Months

Please share a story about a favorite pet past or present:

Some of the dogs, I became attached. There was a black lab named Casey. I enjoyed walking her and spending time with her. One day, I came in and she wasn't there. I was so happy she had been adopted. I am so encouraged when there is a successful adoption.

What is your favorite part of volunteering?

I love walking the dogs and giving them loving. It makes me happy when they are happy.

What are 3 things we may not now about you?:

1. I love being retired and be able to do volunteer work.
2. I have a 5 year old granddaughter who lives in Texas. My daughter-in-law is a veterinarian.
3. In addition to loving animals, I love being around children.

Adoptable Dog-Luna!

Check out this beauty! Luna's likes include long walks, belly rubs and of course food. Luna was picked up as a stray so her past is unknown. She is clearly part pug and we are guessing she might be mixed with beagle. She has a very cute face and her under-bite just adds to her character. We estimated her to be about 3 years of age and weighs just 29lbs. She was shy with us at first but has come to love and adore the whole staff. With some love and a gentle guidance, she will flourish and be a wonderful companion. She loves to play, enjoys her toys and just thrives on attention. Luna gets a little overly stimulated during play and mouthy, so not suitable for very small children. Luna is fully vetted and her adoption fee is \$120.00.

Kendall County Animal Control is the County agency responsible for the enforcement of the state statutes governing rabies control in domestic companion animals. The State of Illinois requires that all dogs be vaccinated against rabies by a licensed veterinarian. Compliance with this law is monitored through the issuance of rabies tags for all dogs residing in the County. All dogs are required to wear their rabies tags when off of the owner's property. If a pet is lost, rabies tags also provide an excellent means of identifying your pet.

Kendall County Animal Control enforces the County's ordinance that prohibits dogs from running at large in unincorporated, residential areas. Animal Control also reports animal bites as well as pick up stray dogs that are in a contained area. Stray dogs may also be brought to the facility during business hours. Dogs and cats are available for adoption at our facility.
